Nico: That's the end of that.

Qin: Yep.

Marco: Good riddance to that guy.

Suddenly, Star Butterfly wrapped her arms around Marco Diaz's waist as he lifted her up to his face as her breasts pressed against Marco's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to his face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Marco Diaz leaned down to Star's face, they kissed passionately as she moved her hands onto Marco Diaz's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, they sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Suddenly, we saw their wedding rings glowing.

Zoe Weatherly: This is a sign.

Marco: We're going to get married next, now that Toffee's finally gone.

Star Butterfly: Yep, and you transformed, Marco.

Marco: That's for sure. (Smirks) (Flexes his massive muscles) Like what you see, Star?

Star got a massive nosebleed, and Marco picked her up bridal style.

Lori: We can't wait for the wedding for you two.

Lincoln: There's still the matter of Mina Loveberry to take care of, if she tries to crash the wedding, we'll tear her apart.

Me: Yeah! We'll be ready for her.

Solaria Butterfly: She is a disgrace to the path of my redemption.

Me: Not to mention she tried to kill Marco.

Camie: I know.

Nico: Nice job, Appletun

Appletun: Thanks Nico. That was fun.

Poromon: Want some beer?

Appletun: Oh no I only drink apple cider. Got any?

Apple Bloom: We always have more than enough.

She got out a barrel full of it.

She poured me, Appletun, Rainbow Dash and Emily a mug.

Me: (Gulping) Ahh!

Rainbow Dash: So good!

Emily Douglas: Boy that is good stuff!

Applejack: It sure is sugarcube. We always make our apple cider fresh from the finest apples.

Poromon: Nice.

Nico: Poliwag that's enough.

Appletun: Nice try though pipsqueak.

Poliwag: HEY!

Poromon: We're watching something later.

Me: I hope it's not a monster movie marathon.

Poromon: Nope. It's this.

He pulled out a radio and played a song and it was ominous.

(ROSEMARY'S BABY THEME PLAYS)

BART AND LISA SCREAMED IN FRIGHT AND HORROR!

Me: WHOA! You two look like you've seen a ghost!

Homer: Oh you guys are gonna watch The Re-Deadening!

WE GASPED!

Nico: What?!

Me: That movie scared the living shit out of Bart and Lisa!

Qin: Oh man!

Lola: Yeah even scared the pants off of Ned Flanders kids!

Poromon: I know but we want to see it.

Me: I never saw it. But I heard it scared a lot of people so bad that they couldn't sleep for a year.

Sakura Knudson: I remember Swartz and I saw it and he said it scared him so bad that he turned back into a preschooler and was hiding in a baby crib for a year.

Me: Really? That is funny.

Qin: It sure is!

Venom: Too bad we didn't use that on Swartz back then.

Me: I know.

Nico: Star, this might sound silly but what do you like to do in your free time?

Star Butterfly: Oh I like spending time with Marco and helping him get through school and all that.

Me: Awesome.

Nico: Cool cool.

Star Butterfly: Also me and Marco have plans for our wedding coming.

Me: Looking forward to it.

Moon Butterfly: My little girl is all grown up.

Me: She sure is. Now that Toffee is gone we can rebuild what happened.

Zoe Weatherly: It'll take some time but we can do it.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them.

Me: Me too.

Eli: Whoa, and one of The Anothers is The Avatar of The Shield Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Me: Yep. And since today is non-combat that means there must be Another Star Butterfly.

Star Butterfly: OOH! This will be interesting! I wonder who it will be!

Me: We'll find out soon. So we got Another Bonnie, Yellow Devil, Cyan Sung-Sun, Lost Highness Rakushaasa, Psycho Yellow and Fun (Kung Fu Panda).

Qin: Yep. Star, Moon, Eclipsa, Solaria, Venus Butterfly and Marco are up.

Xenia: That's right.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news:

they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four

large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Yellow Devil, Cyan Sung-Sun, Lost Highness Rakushaasa, Psycho Yellow and Fun (Kung Fu Panda)!

Me: WHOA!

Qin: This will be fun!

But then we felt a cold draft!

Me: WHOA! (SHIVERS) Why did it get cold all of a sudden?

Another Yellow Devil: (In a girls voice) Sorry it's our powers.

They reverted back and were the gene-slammers of Ice Queen and Ice Master!

Nico: Cienna and Sierra Cryos!

Me: The Cryos Twins! Awesome!

Cienna Cryos: You heard of us?

Me: Sure have. You girls are widely known for freezing the entirety of the Jamaican Mafia in blocks of ice and sending them to trial and getting them executed.

Qin: Yep!

Sierra Cryos: That's right.

Me: Awesome! By the way girls are the rest of the Anothers friendly or hostile?

Sierra Cryos: Friendly and awesome.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: THE ONION OF AGONY SOIL YOUR MACAROON!

Qin: YEAH!

Maria: Now for backup. (TURNS DIAL) FARTS OF MARS 6!

She summoned The Martians (Jimmy Neutron), Selene (Fairy Tail), Ovulator, Nasty Canasta 1995, Universe 666 Berg Katse, Mr. White and Man Man!

Me: YEAH!

Qin: Awesome!

Horsea: And now, we wait.

Me: Yep.

(TARZAN YELL)

Me: I know that yell.

We saw George coming at us.

Ursula: WATCH OUT FOR THAT!

Nico: BRACE FOR IMPACT!

But then a FORCE FIELD BLOCKED HIM FROM HITTING US AND HE SMASHED INTO THAT AND WAS KNOCKED DOWN!

CRASH!

He was knocked out cold!

Me: OOH OUCH!

Qin: What the?

We saw the shield.

Me: Where did this shield come from?

?: From me.

We saw Another Bonnie and Another Star!

Me: Whoa! Nice one!

Another Bonnie: It sure was.

She reverted back and was the Avatar of the Shield Card!

Lincoln: Sheila Shield! Whoa!

Sheila Shield: Good to see you again Lincoln.

Lincoln: Same here.

Nico: Care to introduce us?

Anna Anyanova: Sure this is Sheila Shield, Avatar of The Shield Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of the shield, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Sword Clow Card, and the magic of Clow Reed. She's The Shield Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Sheila Shield is a master of the powers of The Shield Clow Card and she's a powerful master of the sword and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Sheila Shield came to Royal Woods where she met Lincoln, and she taught him how to master the powers of the shield, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Shield Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of the shield, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Shield Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by trapping them in an indestructible barrier and she bashed them all over the place with everything from tire irons, iron beams, hammers, mallets, and even throwing blunt objects at them like McWolf does to Droopy, even throwing the kitchen sink, and all that force literally shook them all over the place, and when she was done and brought the barrier down, Lori, Lynn, Lola, Lisa, and Luan were green around the face and they ran back home and hurled their guts out!

Me: WHOA!

Qin: Pleasure to meet you.

Sheila Shield: Same here.

Me: Nice save though.

Nico: And your friend?

Another Star: Someone who is proud of her sister.

Star Butterfly: (GASP) Oh my goodness!

She reverted back and was a purple hair version of Star but had purple hair with rainbow highlights and had blue eyes and had yellow clothes and had Purple Space Butterfly Wings and had the Astrological symbol for Callisto on her cheeks and had a magical sword.

Star Butterfly: (GASP) CALLISTO!

She went and hugged her.

Callisto Butterfly: I'm so proud of you sister! You have become an amazing hero to the world and the multiverse.

Star Butterfly: I know and I couldn't have done it without my friends and Marco.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Sheila Shield: No he didn't. Because I did everything Anna said to him and we ran.

Sakura Knudson: That explains why I heard all that clanging and crashing in the lab. But that is funny.

Lola: Yeah!

Sakura Knudson: He was throwing up in the toilet for 4 hours after that.

Camie: SICK!

Nico: TMI!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju Armor!

Me: But Callisto, Star has really come a long way before and After she joined us.

Zoe Weatherly: It's true. But it came with a nasty price.

Callisto Butterfly: I know. It brought down my entire family. I'm just glad everyone is okay.

Me: We are too. Lets separate you both.

We did so.

Nico: (GETS OUT BONNIE'S RIDEWATCH) KIM IS A BITCH!

Kim Possible: HEY!

Nico: Sorry.

May: (GETS OUT CYAN SUNG-SUN'S RIDEWATCH) BURN LIKE THE SUN!

Universe 666 May: (GETS OUT LOST HIGHNESS RAKUSHAASA'S RIDEWATCH) This will hurt!

Maria: (GETS OUT PSYCHO YELLOW'S RIDEWATCH) I'M GOING TO FUCK YOU UP!

Moon Butterfly: (GETS OUT YELLOW DEVIL'S RIDEWATCH) THE BLOCKS OF DOOM!

They used the powers of Bonnie, Yellow Devil, Cyan Sung-Sun, Lost Highness Rakushaasa, Psycho Yellow and Fun (Kung Fu Panda) and blasted the Anothers!

Me: YEAH!

Poromon: Awesome!

Nico: J.D. shove a bar of soap in my mouth. I want to get rid of what I said to Kim.

Me: Okay.

I shoved a bar of soap in his mouth and rubbed it around him and bubbles came out of his mouth.

Nico spit and gagged!

Then Acid Breath, Zombo the Clown Ghost, Kerchak, Captain Gravyhead, Circuit Gurumar and Demon Thunder.

Me: WHOA! Nice team Acid Breath!

Acid Breath: Thanks. What's wrong with Nico?

Me: He was acting like Bonnie and he told me to shove a bar of soap in his mouth.

Acid Breath: Oh.

Nico spit and gagged.

Nico: You should probably try it too.

Me: Nico you know he's not going to clean his mouth out even if you paid him to do it.

Acid Breath: He's right on the button with that one.

Riki Honoo: Nonetheless it's my turn for my team.

Me: Yep.

Then a massive wave of water came in and drenched Another Bonnie and Star!

SPLASH!

Me: WHOA!

Maria: Wasn't me!

Water Elemental from Magic The Gathering appeared!

Me: WHOA! Water Elemental! Wow!

Water Elemental (MTG): (In a girls voice) Looks like the fun has started!

Nico: Aqua Elemental! Wow!

She reverted back.

Aqua Elemental: Good to see you Nico. I got this.

She fired waves of water and drenched the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Aqua Elemental: Thanks! That was fun.

Me: It sure was.

Nico: Um can you get the taste of soap out?

Aqua Elemental: Oh sure.

She fired water into Nico's mouth and he gargled and rinsed and then spit it out.

SPIT!

Nico: BLECH! That tasted awful. But thanks.

Aqua Elemental: No problem.

Moon Butterfly: Do you have any good memories of Nico?

Aqua Elemental: I sure do. When me and Nico were at the pool and I showed Nico my awesome water powers and showed everyone how great we are at surfing.

Me: COOL!

Lola: You would make a great water master for Neo Phoenix Land.

Aqua Elemental: I would be honored to do my stuff there.

Me: Awesome.

Nico: Yep.

Nico and Aqua hugged.

Nico: I've missed you.

Aqua Elemental: Same here.

We went back home.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in Kentucky, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're here to take down the clone of DarkEarth who has The Dark Shield Card in her hand, and once I suck out the powers of The Dark Shield Card, I'm going to absorb the clone of DarkEarth.

Nico: Just like what J.D. did when it hid in Ms. Rita's jewelry box.

Me: I remember that all too well.

Star Butterfly: I feel like it's not going to be easy.

Lincoln: Not, it's in the hands of the clone of DarkEarth, the Hypothetical Akuma of Sailor Earth and a master of leaves, grass, wind and nature. She was made because of all the monsters that hurt her best friend Sailor Moon and vowed to kill them all.

Lincoln got out his sketchbook and we saw DarkEarth: it was Planet Earth with a scary face and an aura of wind and leaves surrounding her.

Sailor Earth: Yikes!

We got a move-on, and then, we spotted our target: the clone of DarkEarth, and Lincoln fired an energy slash which hit her that forced The Dark Shield Card to come out and took on her true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Shield Card and he began sucking out all her powers over shields, barriers, and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Shield Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Shield Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Shield Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of DarkEarth.

We turned to the clone of DarkEarth who roared at us and fired blasts of leaves, grass, wind and nature, but Lincoln absorbed them.

Lincoln: Alright, let's get her.

Robin Hood went after the clone of DarkEarth, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit her, then he attacked her with the blades on his bow leaving scars on her, and he fired arrows at her that transformed into many arrows with leaves surrounding them and she got hit all over the place.

Lincoln, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after the clone of DarkEarth, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels at her, and they exploded with incredible power as they hit her. Then, Von Lycaon and Skippy the Bush Kangaroo punched her hard with their gauntlets and kicked her with their greaves and he got hit hard, and Red Savarin slashed at her with his massive greatsword and shot her with bullets and stun blasts and Sly Cooper whacked her hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit her on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to the clone of DarkEarth, and she screamed in agonizing pain.

Lincoln continued smashing the clone of DarkEarth hard with his extremely massive godly superhuman strength, and she was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering her and he even attacked him using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash her all over the place!

Qin: The clone of DarkEarth doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering her, now she's at the mercy of The True Alpha Werewolf-Vampire Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at the clone of DarkEarth and she got beaten up real good and she was mangled!

Then, Andre Lupescu shot at the clone of DarkEarth, then, Andre Lupescu slashed at her with his massive greatsword, same with Abaddon Aeternus doing the same thing to the clone of DarkEarth.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of DarkEarth and he also sucked out all the energy remaining in her soul and the clone faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Shield Card and Lincoln absorbed the clone of DarkEarth.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark

Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long light blue hair, blue eyes, massive blue angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, light blue sleeveless strapless top, light blue skirt with Gem-Knight Prismaura, white bridal gloves, light blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Prismaura, she has a greatsword, and with her are the seven girls.

Lincoln: (GASPS) Paula Prismaura, Avatar and Gene-Slammer of Gem-Knight Prismaura.

Paula Prismaura: That's right, and I got the girls away from the clone of DarkEarth and The Dark Shield Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: But, we took care of The Dark Shield Card when I sucked out her powers and absorbed the clone of DarkEarth. (To Paula Prismaura) And it's so good to see you again, Paula.

Paula Prismaura: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Paula Prismaura had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Paula Prismaura was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Paula Prismaura: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Paula Prismaura's waist and hugged her, and Paula Prismaura is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Paula Prismaura: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner

behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Paula Prismaura, Avatar and Gene-Slammer of Gem-Knight Prismaura, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of prism gems and crystals. She's known as The Prism Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Paula Prismaura came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of prism gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of prism gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Paula's parents and her little sister, Pamela, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Paula.

Lincoln with his massive muscular arms still wrapped around Paula Prismaura's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Paula Prismaura: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Paula Prismaura with prism crystals on the gold lightning bolts and prism links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Paula Prismaura: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Paula Prismaura.

Paula Prismaura had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Paula Prismaura's waist, and he leaned down to her face and kissed her on the lips, and with Paula Prismaura's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Paula Prismaura had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Paula Prismaura: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The seven girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the seven girls are Alfhild Tranen, Hanako Suzuki, Yumiko Hepalsye, Kaoru Fumonin, Mutsuki Mayer, Rikka Kamo, and Kureha from Prawf Clwyd.

Lincoln: Oh whoa, it's Alfhild Tranen, Hanako Suzuki, Yumiko Hepalsye, Kaoru Fumonin, Mutsuki Mayer, Rikka Kamo, and Kureha from Prawf Clwyd.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, they're cute girls.

Lincoln: And easy targets for someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Alfhild Tranen: Yes, we're okay, thanks to you.

Then, when Alfhild Tranen and the other six girls saw who it was that saved them from the clone of DarkEarth and The Dark Shield Card, their faces turned atomic red and their noses gushed out blood upon seeing the 20'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Alfhild Tranen: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alfhild Tranen, Hanako Suzuki, Yumiko Hepalsye, Kaoru Fumonin, Mutsuki Mayer, Rikka Kamo, and Kureha with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long purple hair, purple eyes, massive purple angel wings, she has on a purple two-piece bikini, and a moonlight greatsword.

Lincoln: (GASPS) Stella Spatiumaira, Queen of The Spatiumairans of Planet Spatiumaira.

Nico: The only surviving Spatiumairan, and you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Stella Spatiumaira, Queen of The Spatiumairans of Planet Spatiumaira, she's Lincoln's Guardian Angel from the planet of Spatiumaira in The Forbidden Zone. She was the Queen of the Spatiumairans who ruled the planet of Spatiumaira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over space, the stars, and nebulae, and the ability to grow even stronger, but she was also born with angel wings, immense power over space, the stars, and nebulae, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Stella Spatiumaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers over space, the stars, and nebulae, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers over space, the stars, and nebulae, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Spatiumairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lisa with a blazing passion, and she swore to imprison her inside a planetary star prison with the powers of Spatiumaira.

Stella Spatiumaira: And I knew Lincoln absorbed the souls of the male Spatiumairans, our planet's core and planet itself, and our planet's Sun to preserve their legacy.

Shanan: That's true, and Lincoln 2 of The Ebonwu Squadron told us, And are there more planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Stella Spatiumaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Stella Spatiumaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Stella Spatiumaira with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Stella Spatiumaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Stella Spatiumaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Spatiumairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Shield Card of all its powers and absorbed the clone of DarkEarth after we took her down, we were training intensely in the gym doing

900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Paula Prismaura saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Paula Prismaura: My God, I was right that Lincoln's really grown into a 20'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Paula, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Paula Prismaura: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Paula Prismaura: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Jack Howard got out a tape.

Jack Howard: Now, this tape I have here, this was taken during Thanksgiving break in 1984, it'd been two months since Caleb's first encounter with Cage and Travis. We had a missing persons case near the area where Caleb, Allie, and Marlene lived in, her name was Diana Reynolds, she was a high school classmate of Caleb's and another person who was also involved in Caleb's ostracization, her mom, Roxanne Reynolds asked Caleb to find her, but given what he went through in high school because of her, he was about to tell her off for raising that hideous witch and that her daughter should pay for the living Hell he went through because of her.

Roxy Drake: But, Marlene got in the way, and Roxanne spilled it: she and her friends, the parents of the kids responsible for ostracizing Caleb, were the very people responsible for ostracizing Marcus Maxwell back in the 50s, and it was their fault that history was repeating itself. Caleb was about to refuse, but he saw remorse in her eyes, yet the anger and rage of the living Hell he went through in high school pretty much darkened his mind. Many thought he was gonna take revenge, but he kept it down and promised to look for her.

We were stunned.

Nico: Wait, he promised to look for her? After all the crap she and her friends did?

Caleb Maxwell: It's best you see it for yourself.

Jack Howard put the tape in, and it played on the big screen and it shows New York on Thanksgiving in 1984, it'd been two months since Caleb's first encounter with Cage and Travis, and Caleb was asked by Roxanne Reynolds to find her daughter, his old classmate, Diana Reynolds, and who was one of the kids involved in Caleb's ostracization in high school, and despite the anger and rage of the living Hell he went through in high school, he kept it down and promised to look for her.

Past Caleb Maxwell: I can't believe I'm doing this, finding the bitch responsible for also making my life in high school a living Hell, even if her mom carried shame and remorse for what happened to Dad 30 years ago, I will never forgive that bitch.

Caleb was walking through the city, but then, he spotted the apartment, and according to one of his informants, this was where Diana was taken to.

Nico: Isn't that...?

Cage Blunt: Yep, that was our apartment, but you're gonna see more of the story.

Past Caleb Maxwell: So, this is where Diana's at.

Caleb Maxwell went inside.

Past Caleb Maxwell: Hmm, this apartment is a lot like the other apartments in the city. Why didn't Mrs. Reynolds go to the police, they're experts, I'm just a cadet in training, and she was lucky Mom got in the way because I wouldn't stop myself.

Suddenly, he heard noises coming from another room, and he headed to the room, and the door was locked. Then, he heard the sounds of pain in the room.

Past Caleb Maxwell: What the? So, Mrs. Reynolds was right, Diana did go missing, and she's in there being tortured. But, what if it's a trick, Diana was always conniving and liked to play dirty when it came to making my life Hell.

Caleb was pondering where he should rescue her, or find more evidence. He went with his gut and he decided to find more evidence, he looked all over the apartment, and he found journals Diana had written in, and he found out that it was indeed a scheme by Diana to kill him, apparently, during The LaGuardia High Bloodbath, her boyfriend, Ryan

Michaelson, the captain of the football team, got turned into a vampire, and she wanted to cure him, but Caleb had to kill him, and she wanted revenge.

That pissed him off, he'd had enough of her and wanted to make her pay. Suddenly, his eyes turned from brown to red with rage and hatred.

Past Caleb Maxwell: You damn bitch...! You haven't changed at all! Mom, you better keep Mrs. Reynolds at our house because when I get back, she's gonna regret coming to us!

Suddenly, Caleb heard a car engine, and he looked out the window and saw Cage Blunt's red Camaro.

Past Caleb Maxwell: Oh my God...! Cage's Camaro, then that means, those two vampires happen to live here. Crud, I got to get out of here! (Suddenly realizes) Wait, if I leave, Mrs. Reynolds will have quite the hissy fit with me. I hate getting a guilty conscience.

So, Caleb stayed hidden, and then, he saw Cage and Travis enter.

Past Cage Blunt: Well, that was quite the mess we got into. Those "Syndicate" thugs were pretty mad at us.

Past Travis Tackett: All because we are friends with Caleb. But, their blood tasted good, and that girl who was with him, sounds like she really hated Caleb with a passion.

Caleb heard every word, and he was horrified!

Past Caleb Maxwell: (Thinking) Oh my God, so she was cheating on Ryan with Drake the whole time! I always knew she was a slut, but this! That's the last straw, when Mrs.

Reynolds hears of this, I'm going to make her suffer with guilt over raising that slut for all eternity.

Suddenly, Cage Blunt and Travis Tackett caught the smell of Caleb's blood.

Past Cage Blunt: (Smirks) Looks like we got ourselves a visitor.

Past Caleb Maxwell: (Whispers) Crap...!

Caleb tried to hide deeper in the shadows, but then...!

?: (SHRIEKS) SOMEONE GET ME OUT RIGHT NOW!

They heard Diana Reynolds' banshee shriek. Then, they headed to the room.

Lori: Wow..., what a shrieking banshee!

Past Caleb Maxwell: That stupid banshee. She just had to scream that stupid banshee shriek.

Then, Diana Reynolds let out a scream and a gunshot was heard, and then, Caleb Maxwell saw her running out of the apartment in a panic.

Past Caleb Maxwell: She's trying to escape. Not on my watch!

Caleb Maxwell stuck his foot out and tripped Diana Reynolds, and we saw what she's like: a tan-furred female cat with long black hair and dressed in clothes that screamed "Queen Bee Bitch".

Past Diana Reynolds: Ow! Okay, who tripped me?! I'm gonna...!

POW!

CALEB SLUGGED HER IN THE JAW AND HE CAME OUT OF THE SHADOWS!

Past Diana Reynolds: YOU! What the Hell are...?!

Suddenly, Caleb's guns appeared and he aimed his left gun at her.

Past Caleb Maxwell: Not another damn word out of your ugly mouth, bitch. You really thought you were smart?! I found all of your journals throughout the apartment, you schemed to kill me for what happened to Ryan, and those two guys that live here said something really interesting, you were cheating on Ryan with my brother, Drake Maxwell! I always knew you were a bitch, but finding out you're also a lying cheating slut! This is unforgiveable, and I don't know what's stopping me from doing the worst thing imaginable, and that's slaughtering you like the filthy animal that you are!

Diana Reynolds was horrified: she never saw that kind of side to Caleb before, but he always kept the side of him locked away, but thanks to the neverending living Hell he went through, it now got harder for him to keep that side of him locked away.

Past Caleb Maxwell: Now, get up! We're going back to my home, and you're gonna tell your mom every last thing you did to me!

Past Diana Reynolds: And if I refuse?!

Past Caleb Maxwell: Then, I will shoot you dead right here right now! You think I won't do it, you think I don't have the guts?! Well, you're wrong! I've gone through years of Hell because of you and every last asshole bastard and bitch. Your mom may have told us of what she and her friends did to my dad, but it's thirty years too late to apologize, the seeds of chaos she and her friends have sown back then have now sprouted inside you and the other shitheads I had to deal with! And I will never ever forgive you or those other shitheads for four years of living Hell!

But, outside the apartment, Mrs. Reynolds and Marlene heard everything that Caleb spilled out in his angry heart.

Roxanne Reynolds: Oh my God...! Diana, what have you done?!

Past Marlene Maxwell: Oh God. I wish Caleb hadn't said that, I know you and the others did this to Marcus, Roxanne, but you've wanted to apologize for what happened thirty years ago. You showed true remorse for what happened, but Caleb, he's not going to forgive Diana nor the others for what happened to him, Marcus may have let it go back then because of me, but Caleb, he didn't have the special someone and he developed a vindictive side due to what happened. I hope he doesn't kill her.

Inside the apartment, Caleb still had his guns aimed at Diana Reynolds still too angry, but then, his mark reacted, and Diana Reynolds saw Cage Blunt and Travis Tackett behind him.

Past Travis Tackett: (Smirks) Well, well, look who's come out of the shadows.

Past Caleb Maxwell: Damn it...!

Diana Reynolds: Don't just stand there! Get rid of him!

Suddenly, the door was broken down by Marlene Maxwell and Mrs. Reynolds.

Past Cage Blunt: You're not telling us what to do. (Smirks) By the way, you've got bigger problems.

Diana Reynolds turned to face Roxanne Reynolds and Marlene Maxwell who was pissed off at what that slut tried to do.

Diana Reynolds: M-Mom, what are you..?!

Roxanne Reynolds: Not another word out of you, young lady. Caleb spilled everything when he tripped you, I can't believe you! I spent years regretting my mistakes and tried to raise you right, but he was right, the seeds of chaos I'd sown grew and sprouted and you became a dangerous toxic bitch same with the others. You're nothing but a dangerous monster from Hell, and I don't blame Caleb for choosing not to forgive you. (To Caleb Maxwell) Caleb, do you still have her journals?

Caleb gave Roxanne all of Diana's journals and she saw all of her schemes.

Roxanne Reynolds: Oh my God. I'm taking all of your journals to the police, and I'm going to help press charges on you for everything you did to Caleb, I hope you never see the light of day again.

Diana Reynolds: Damn you, Caleb Maxwell! You're gonna pay for this!

Diana Reynolds got off the floor and ran at Caleb Maxwell with a knife in hand, but then...!

BANG!

He fired his gun and disarmed her, and then, he kicked her in the stomach and sent her flying to a wall, and she was knocked down and out!

Past Caleb Maxwell: Someone, call the cops!

Suddenly, the police arrived and Diana Reynolds was cuffed and sent to the police station. Caleb ran out of the apartment and was sitting in a bench in Central Park. Then, Marlene found him as she was accompanied by Cage and Travis.

Past Marlene Maxwell: What's wrong? Has something got you down?

Past Caleb Maxwell: Mom, did I go too far? I know Mrs. Reynolds showed remorse, same with the others who made Dad's life Hell thirty years ago, but their kids...!

Past Marlene Maxwell: Hold it, after all this, you're starting to regret what you did?

Then, she sat beside her son.

Past Marlene Maxwell: Though I understand what you're saying, You tried to keep your anger in check, but unlike with your father who had me in college, you didn't have that special someone and you developed a vindictive side, and you were left alone.

Past Caleb Maxwell: Mom, how can I continue onwards? After everything I went through and what you just saw...!

Past Cage Blunt: Well, you can't just give up, don't you still that guy coming after you? What's his name?

Past Caleb Maxwell: Drake Maxwell, my ex-younger brother. (Sighs) You're right, I can't give up, this is why I can't quit. Drake has ruined too many lives for the final time, I will not let him run free any longer, I will not let him have his way any longer.

The video ends.

Lincoln: Oh man, that was awful that she did that.

Roxy Drake: Her Mom was absolutely furious at Diana for what she did. She pressed charges on her for everything Caleb went through, and Caleb also provided his own evidence of the pain he went through due to her and the others, and the court tried her as an adult and found her guilty, and she was sent to prison for life. She'd remain there until she turns 26.

Nico: Lightweight sentence.

Me: Though I can guess it would end with her getting killed, right?

James Blunt: Yes, but not by the inmates, but by me. In 1993, a month after Caleb's return, Diana broke out of prison and came to West Virginia to get revenge on him. As soon as she arrived, he told me everything she did, and I also smelled blood on her hands.

Caleb Maxwell: She murdered fifteen inmates and two guards before she escaped, and Mr. Blunt saw she was a murderer and he drained her dry of blood and ended her.

Eli: Karma for everything she did.

Caleb Maxwell: And she was the last of those from LaGuardia High School who made my life a living Hell to die.

I thought it would be over, but I was wrong.

We got a shower, and then, Lincoln, Luna Snow, Persephone The Fairy, Nora Barēbōruhāto, and Sara Byūtīfurawā are heading to Miyako Island in Japan, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 20'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Luna Snow, Persephone The Fairy, Nora Barēbōruhāto, and Sara Byūtīfurawā and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Luna Snow, Persephone The Fairy, Nora Barēbōruhāto, and Sara Byūtīfurawā had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Luna Snow: Wow, we're here in Miyako Island, it's beautiful.

Lincoln: You said it, Luna, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Luna Snow, Persephone The Fairy, Nora Barēbōruhāto, and Sara Byūtīfurawā and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Luna Snow, Persephone The Fairy, Nora Barēbōruhāto, and Sara Byūtīfurawā and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Lute, and Asajj Ventress and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Luna Snow, Persephone The Fairy, Nora Barēbōruhāto, and Sara Byūtīfurawā and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clones of Mount Doomkatoa, Doomtsunami, Doomhurri, Doomteor, Doomearthquake, and Doomblizzard.

Anna Anyanova: Uh oh, is that...?!

Lincoln: Clones of Mount Doomkatoa, Doomtsunami, Doomhurri, Doomteor, Doomearthquake, and Doomblizzard, the Hypothetical Akumas of Vakama, Nokama, Matau, Onewa, Whenua, and Nuju.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clones of Mount Doomkatoa, Doomtsunami, Doomhurri, Doomteor, Doomearthquake, and Doomblizzard and he began absorbing them and assimilating Mount Doomkatoa, Doomtsunami, Doomhurri, Doomteor, Doomearthquake, and Doomblizzard's immense powers of fire, lava, earth, water, lightning, wind, rain, storms, meteors, intense speed and force, earthquakes, and intense ice powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones of Mount Doomkatoa, Doomtsunami, Doomhurri, Doomteor, Doomearthquake, and Doomblizzard, and Lincoln sucked out every last bit of energy from the clones' souls and the clones faded and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Luna Snow, Persephone The Fairy, Nora Barēbōruhāto, and Sara Byūtīfurawā and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, and Luna Snow, Persephone The Fairy, Nora Barēbōruhāto, and Sara Byūtīfurawā and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on

his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Miyako Island, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Luna Snow, Persephone The Fairy, Nora Barēbōruhāto, and Sara Byūtīfurawā with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, Luna Snow, Persephone The Fairy, Nora Barēbōruhāto, and Sara Byūtīfurawā are in your harem, Linky.

Luna Snow, Persephone The Fairy, Nora Barēbōruhāto, and Sara Byūtīfurawā showed the marks Lincoln made on the right sides of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Alecto Slytherin sent the clones of Mount Doomkatoa, Doomtsunami, Doomhurri, Doomteor, Doomearthquake, and Doomblizzard, the Hypothetical Akumas of Vakama, Nokama, Matau, Onewa, Whenua, and Nuju after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into their chests, and I absorbed them and assimilated their immense powers of fire, lava, earth, water, lightning, wind, rain, storms, meteors, intense speed and force, earthquakes, and intense ice powers. Then, I sucked out every bit of energy from their souls and the clones faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever.

Lincoln: We don't have long before our Ambassador Mission party starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Mehrunes Dagon, The Daedric Prince of Destruction, Change, Revolution, Energy and Ambition from The Elder Scrolls, and he's come back for revenge on us again. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Mehrunes Dagon, The Daedric Prince of Destruction, Change, Revolution, Energy and Ambition from The Elder Scrolls, and he's come back for revenge on us again.

Lincoln put Mehrunes Dagon in suspended animation.

Emilia Hoffman Cooper: I hope you're ready to absorb him again, Lincoln.

Lincoln: You bet I am, Emilia.

Nico: I hope this also sends a warning to the other villainous Daedric Princes. Alright, team, let's get to the park.

Lincoln: Mehrunes Dagon, Daedric Prince of Destruction, Change, Revolution, Energy, and Ambition, you made a big mistake coming after us.

Emilia Hoffmann Cooper: And now, we're gonna make sure you never come back.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to destroy Mehrunes Dagon, The Daedric Prince of Destruction, Change, Revolution, Energy and Ambition and send him to The Black Abyss after Lincoln absorbs him.

We arrived in the park.

Me: We're here, now where's Mehrunes Dagon?

Eli: Over there!

We then saw our target: Mehrunes Dagon, The Daedric Prince of Destruction, Change, Revolution, Energy and Ambition, frozen in suspended animation by Lincoln.

Nico: Nice one, you froze him in suspended animation.

Lincoln: With my rapidly evolving powers, I can now freeze secondary targets in suspended animation in less than a millisecond.

Mehrunes Dagon: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU ALL!

Time to die, you wrathful deity.

Lincoln, Emilia Hoffman Cooper, Nico, and I went after Mehrunes Dagon, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Mehrunes Dagon, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Emilia Hoffman Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Emilia Hoffman Cooper, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Mehrunes Dagon even more angrier than ever.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Mehrunes Dagon and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Mehrunes Dagon and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 20'9" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Mehrunes Dagon and he began absorbing him and assimilated Mehrunes Dagon's Super-strength, Dark magic, and Colossal size, Immortality, Authority over lesser daedra, and Advanced intelligence, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Mehrunes Dagon and he also sucked out all the energy remaining in his soul and he was sent to The Black Abyss and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Emilia Hoffman Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Emilia Hoffman Cooper: It's over for you, Mehrunes Dagon, and to this we say good riddance. Thanks for helping me get rid of Mehrunes Dagon, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Emilia.

Me and Nico: Our pleasure, Emilia.

Suddenly, Emilia Hoffman Cooper wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Emilia Hoffman Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Emilia Hoffman Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Emilia, you transformed and you guys really let Mehrunes Dagon have it.

Me: That's for sure, and he got what he deserved. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Ruby.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Ruby.

Catherine Diamantis: There's only one person who matches this: Rhonda Ruby, Avatar and Gene-Slammer of Gem-Knight Ruby, and you guys are going to love meeting her, Rhonda Ruby, Avatar and Gene-Slammer of Gem-Knight Ruby, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ruby gems and crystals. She's known as The Phantom Quartz Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Rhonda Ruby came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ruby gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ruby gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Rhonda's parents and her little sister, Renee, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: Oh man...! So, you weren't the only one who lost your parents and little sister to Zarya Kendrick.

Lincoln: Yep, Paige lost her parents, and her sister, Penelope, when Zarya Kendrick killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She doesn't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Later it was time for another awesome Skylanders adventure.

Nico: Who's next?

Maria: I'll come with

Me: Okay. Since there are no usual battles today we got to figure out where to summon backup for this.

Nico: Yep.

Me: Also Tara, Mallow, Beast Boy, Princess Cadance, Flurry Heart, Bash, Prism Beam, Dino Rang, Terrafin, Ground Man and Drill Man are going and we're going after Tustle Sprout and Blaze Brewer.

Nico: Cool!

Me: Blaze Brewer is a Fire Element Villain. So Applejack and Sunset Shimmer will come too. This time we're going to the Earth Sensei Realm.

Nico: Nice! Lets go.

We went into the simulator and it activated and we were in the Earth Sensei Realm.

Me: We're here.

Nico: Wow!

Qin: Amazing!

Tara: Keep an eye out. Tussle Sprout isn't that big

Me: He may not be that big but he packs a punch for a little seed.

Beast Boy turned into a Bloodhound.

He sniffed for his scent and found it!

Beast Boy Barked and we found him and Blaze Brewer in a clearing in front of the mine of the realm!

Me: Targets sighted! That was easy.

Mallow: This will be fun!

Nico: We know you're there!

Me: No use hiding!

Tussle Sprout came out!

Tussle Sprout: Well hey there!

Blaze Brewer: Ready to burn?

Me: We don't burn that easily!

Blaze Brewer fired a massive blast of fire and we absorbed it!

Me: HA! Nice try!

Tussle Sprout jumped on Nico's head.

Nico: HEY! Get off!

Tussle Sprout: Nice view from up here.

Ed: Is it my turn to jump on your head?

Eddy: Shut up Ed.

Nico tried getting him off!

Nico: (GROANS) GET OFF!

I fired a blast of fire and blasted Tussle Sprout in his butt!

Tussle Sprout: EEEYOWCH!

He jumped off.

Nico: WHEW! Thanks J.D.

Me: Sorry about that Nico.

May: NO ONE USES MY HUSBAND LIKE A PLANT POT!

Qin: YEAH!

May fired waves of ice and blasted him.

Blaze Brewer fired a wave of fire and I formed a rock wall and smashed it on him.

Mallow: Tsareena lets get them!

Mallow and Tsareena fired waves of leaves and grass and smashed them both!

Tussle Sprout hopped on Mallow's head

Mallow: HEY! I'm not a garden!

Ed: My turn to jump on your head!

Ed jumped onto Tussle Sprout too!

Then...

CRASH!

They crashed to the ground and Tussle Sprout was squished flat.

Tussle Sprout: Ouch.

We waited for him to get up

He got up.

He and Blaze Brewer were ready!

Me: Lets finish them!

Tara, Mallow, Beast Boy, Princess Cadance, Flurry Heart, Bash, Prism Beam, Dino Rang, Terrafin, Ground Man and Drill Man: INFERNAL EARTH FIRESTORM BLAST!

They fired intense waves of fire and earth, rock, mud, boulders, lava, crystal and dust and blasted them down and they were defeated!

TUSSLE SPROUT AND BLAZE BREWER DEFEATED!

Applejack: Now to trap you!

She held up an Earth Trap and a brown vortex appeared!

Tussle Sprout: I'm totally allergic to vortexes, A-CHOOOOOO!

He got sucked into the Trap and was put into it!

Tussle Sprout: "Wow, my sinuses are clearing up in here? I can actually kind of smell stuff...mustard?"

Me: Do all Traptanium Shards smell like mustard?

TUSSLE SPROUT TRAPPED!

Applejack: As princess of the Earth Skylanders and Honesty you will listen to me now. And you have to be good.

Tussle Sprout: "Well, I guess if the seasons can change, so can I..."

Me: Good choice.

Nico: No more hopping on heads!

Tussle Sprout: Sorry!

Sunset Shimmer: Now it's my turn!

She held up a Red Fire Trap and a Red Vortex appeared!

Blaze Brewer: NO! FIRE ONNNNNNN!

He got sucked into the trap!

Blaze Brewer: I'll just burn my way out! (FLAMES WHOOSH)

Nothing happened.

BLAZE BREWER TRAPPED!

Sunset Shimmer: You have to obey me now from now on. As princess of the Fire Skylanders and Forgiveness, you serve me now.

Blaze Brewer: Well my fire could use a new change.

Me: Good.

We left the simulator and came back.

We were getting ready to watch a movie.

Poromon: Time to watch a movie.

Me: Yep.

Lola came and got the popcorn.

We sat down and we were watching the movie.

(ROSEMARY'S BABY THEME PLAYS)

THE RE-DEADENING!

We saw the movie and it was about a doll that not only was homicidal but also drives others to kill themselves!

MANY OF US WERE SCARED OUT OF OUR MINDS!

I wasn't.

Horsea watched Closely.

We saw Lenny in the movie.

May: I didn't know you were in this movie Lenny.

Lenny: I was given an extra part in this.

He was cutting the hedges.

Lenny Leonard: Baby Button Eyes! What are you doing possessed at this hour? I better inform the governess.

The doll jumped and snarled and latched onto Lenny's face!

Lenny: (SCREAMS) THE PROPHECY HAS BEEN FULFILLED! (SCREAMS)

The doll killed him and sewed buttons on his eyes.

Lenny Leonard: I was actually given a part in this movie a while back. The buttons looked like they were sewn onto my face but they were actually held on with hot wax

Me: Whoa that must've hurt.

Lenny Leonard: No it didn't.

We saw the doll kill people left and right.

Poliwag watched closely.

HE GOT A JUMPSCARE OUT OF THE DOLL SNAPPING A WOMAN'S NECK!

POLIWAG SCREAMED IN FRIGHT!

Camie: (SHIVERING IN FRIGHT!)

Xenia: OH MAN!

Laney: YIKES!

Varie: How come you aren't scared of this J.D.?

Me: Like I've said earlier, I've had my share of dealing with spooks, demons and all things tied to the Supernatural and the Demonic. So this doesn't scare me that much.

Xenia: I see.

Manaphy watched closely and got a jumpscare out of seeing a woman get her head slashed off!

Manaphy: (SCREAMS)

Horsea got in closely and jumped when she saw the doll make 3 people hang themselves!

Xenia: OH MAN!

Varie: There has to be a way to kill this doll!

Poromon watched closely.

Then they saw the people lure the doll to the church and they chanted the Lord's prayer and they banished the doll and the spirit it had in it straight to the fires of hell forever.

Qin: WHOA!

Xenia: INTENSE!

Varie: YEAH!

But as the movie ended, little did they know that the doll was still alive, its eyes glowed red with malevolence and it showed that it was STILL ALIVE AND WILL BE BACK FOR REVENGE!

The movie ended.

Mascots: (SCREAMING IN FRIGHT!)

THEY JUMPED INTO NICO'S SHIRT IN PANIC AND HORROR!

Mascots: THE DOLL IS OUT TO KILL US! IT WON'T STOP UNTIL WE'RE DEAD! IT WON'T STOP UNTIL WE'RE DEAD!

THE MASCOTS WERE SCARED SHITLESS LIKE WITH THE HAUNTED CAR TIMES TEN SCARED!

Nico: We need to calm them down!

Nico: You don't mind if we test that, do you?

Poromon: Nope.

Nico: Okay.

Nico took out a picture of the movie

Mascots: Nope not scared.

Me: You sure?

Mascots: Nope.

Eddy: Wow that was fast. Here!

He gave them jawbreakers.

Eddy: You guys grow up fast.

Me: Yep.

The alarm went off and it showed there was a disturbance at the park!

Me: There's a disturbance in the park!

We went to the park and saw a MEGA KYOGRE AND MEGA SKARMORY relaxing in the lake and eating hot dogs!

Me: WHOA! A Mega Kyogre and Mega Skarmory!

Poromon: You better share those!

LOUD NASTY BELCH!

All Mega Kyogre did was belch in their faces!

Me: Real nice. They must be Dark Gale's work.

Brody: Lets see.

He used Telepathy and gasped!

Brody: That Mega Skarmory is my sister Bianca!

Me: WHOA!

Eartha Calliso: Let me see.

She used telepathy and gasped!

Eartha Calliso: That Mega Kyogre is Natsumi Himawari! She's the sixth Flower Kunoichi Member.

WE GASPED!

Me: WHOA! We better help them.

We went over to them.

Brody: Bianca it's me Brody.

Eartha: Natsumi calm down.

Mega Skarmory used Steel Wing!

She flew at us and I blocked her strikes with my sword.

Nico: Nice try!

May: Anyone else?

Mega Kyogre jumped and then...

KRASPLASH!

She sent a massive wall of water from the lake at us.

Me: UH OH!

We put up a force field and it blocked the water.

The water went back into the lake.

Me: Okay then.

I snapped my fingers and they reverted back.

Natsumi was a girl with blond hair and yellow eyes and she had yellow angel wings and had Mega Kyogre on her forehead and a cutie mark for the Sunflower and the Kakuranger Symbol on her arm.

Bianca was a girl with purple hair and blue eyes and had purple angel wings and had Mega Skarmory on her forehead and she had the Ninja Steel Symbol with a purple sun and moon on her arm.

We wrapped them in blankets and brought them over.

Nico: There.

They woke up.

Natsumi Himawari: (Groans) What hit me?

Bianca Romero: I feel like I was hit by Poisandra times 10.

Brody Romero: Are you okay?

Bianca Romero: Brody!

Natsumi Himawari: Eartha!

They hugged them.

Eartha Calliso: I'm glad you're okay.

Natsumi then got a big belly and she released a massive belch!

LOUD ENORMOUS BELCH!

Horsea: GEEZ!

Me: Excuse you!

Natsumi Himawari: Pardon me! What happened?

Me: Well you girls were turned into a Mega Kyogre and Mega Skarmory by Dark Gale.

Natsumi Himawari: Oh man! I was battling Amikiri but she spoke English.

Me: That was Witchblade! She's the American version of Amikiri from Kakurangers.

Natsumi Himawari: Oh wow!

Bianca: I was battling this weird dark red monster with scissor claws on his arm.

Eli: That was Kuroari! He's from the Ninninger series in Japan.

Bianca: Oh man!

Me: Kind of weird isn't it. Both of you battled monsters from both America and Japan.

Bianca Romero: It sure is.

Poromon: Your colors?

Natsumi Himawari: I'm the Yellow Sunflower Flower Kunoichi Ranger.

Me: Sunflowers are pretty.

Himawari Uzumaki: That's my namesake flower.

Me: It sure is.

Bianca: Yep. Also I'm the Purple Ninja Steel ranger.

Qin: Cool!

Me: Also Natsumi your partners are in the M.O.E. They are Eartha and the Kaijudo team's archenemies.

Qin: It's true.

Natsumi Himawari: I see.

Rarity: Lets get you some new clothes darlings.

The fashion brigade gave them new clothes.

Natsumi's were yellow and she got a sunflower sword.

Bianca's were purple and she got a purple sword.

Bianca Romero: We look great.

Me: You sure do.

Nico: What have we learned today?

Poromon: Not to watch movies that scary?

Nico: And overreact like that.

Me: Yeah.

Nico: Good.

Me: Also Natsumi at least Kyogre doesn't fart as bad as Lori does.

Lori: I HEARD THAT!

Nico: What time is it?

I looked at our clock. It was cuckoo clock shaped like the Krusty Krab.

BONG!

SpongeBob: ORDER UP! ORDER UP! ORDER UP! ORDER UP!

SpongeBob on the grill came out of it 4 times and showed that it was 4:00 PM.

Me: 4:00! We got to get to the party!

Nico: Yeah! By the way that's a nice clock. Where'd we get that?

Me: Oh Mr. Geppeto made it.

Nico: Good to know.

Me: Lets get to the party.

We were off to Lynn's Table.

The party was underway.

All of us: (CLINKS GLASSES) CHEERS!

Me: To another awesome series of Ambassador Missions completed!

Freezing Fright (to Apple Bloom): You should take care of that Appletun

Apple Bloom: I will and it's gonna be fun!

Me: Yep.

Natsumi and the girls were blasting the jerks.

Natsumi Himawari: Take that you heathens!

But then they yelled out in surprise as their bodies were twitchin.

Sheila Tomari: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Mega Serperior, Mega Tsareena, Mega Skarmory, Mega Kyogre and Mega Zapdos and they transformed and blasted the jerks all over!

Me: YEAH!

They reverted back.

Nico: Wanna show us your morphs?

Natsumi Himawari: Sure. Watch.

Bianca: Lets do it!

Natsumi: FLOWER POWER SUNFLOWER!

In a sunflower she transformed and bloomed and donned her yellow suit with a sunflower on the helmet.

Natsumi: SUNFLOWER YELLOW! NATSUMI!

Bianca Romero: IT'S MORPHIN TIME! POWER STAR! LOCKED IN! READY! NINJA SPIN!

She transformed!

Bianca Romero: SHADOW OF THE NINJA! NINJA STEEL PURPLE!

Me: COOL!

Brody: Like old times before we start?

Bianca: Lets do it!

Brody and Bianca: NINJA THUNDERSTRIKE BURST!

They fired waves of energy and lightning and blasted the jerks!

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: That was an awesome party we had.

Anna Anyanova: That was an awesome way to celebrate the completion of the 2024 Ambassador Missions, and we also had fun clobbering the jerks.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)

(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Shield Card, but tomorrow, I got the feeling we're going to take on the dark version of The Time Card, this thing really gave Sakura some trouble, and Li wound up getting it, but we'll be ready.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on.

Rhonda Ruby came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ruby gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ruby gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Next is where we kill those meatheads Hawk and Hank and we're going to make them pay!

See you all next time.

ENDING 2 NASTY MEATHEAD JERKS

The End of Hawk and Hank

In the early morning hours at 11:25 PM, Lincoln had a dream, and he saw three figures hiding out and living in Dallas, Texas. But, there were no ordinary three figures, they were Uzi Loud, Daughter of Lincoln's future wife, Octavia (Helluva Boss). Ribbons Loud, daughter of Lincoln's future wife, Gangle. Headless Princess Nekokowa, daughter of Lincoln's future wife, Headless Headmistress Bloodgood. Lincoln woke up from the dream, but he wasn't the only one, Octavia (Helluva Boss), Gangle, Headless Headmistress Bloodgood, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Octavia (Helluva Boss): And it also means that we found out where our kids are at.

Me: They're at Dallas, Texas.

Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Octavia (Helluva Boss), Gangle, Headless Headmistress Bloodgood, Black Alpha, Me, and Nico were heading to Dallas, Texas. Then, Lincoln saw a tall and slim

13 years old Human-Demon Avian Hybrid who has fair skin with slate-gray feathers and white owl mask-like face, pink eyes with bright white pupils and eyelashes, and back-length and shaggy-styled gray and white hair with purple feather-like bangs. She also has a small black beak, long pointed talon-like fingers, and gray long tail feathers with purple tips. She wears a black and purple striped beanie with a glittery bobble at the tip, black hoodie with a white star on the front underneath a pink long-sleeved dress with a pattern of pale yellow stars, long dark purple and light purple striped socks, and black boots. A young 13 years old Human-Ribbon hybrid who has a body made of red ribbons but her head is human-like with a white face resembling a Theatre-Mask, black eyes with blue pupils, and long white hair in a ponytail with a large red bow. She also has a notable red ribbon on her rear as her tail. She wears a short red dress with black short sleeves, black stockings, and red ballet flats with ribbons around her legs. And a young and beautiful 13 years old human-Dullahan hybrid who has pale skin, blue eyes, and waist-length black and white hair and two straight-down twin tails. She wears a ankle-length white dress with short puffy sleeves with dark blue raised collar, hem, and panniers, and a sapphire heart brooch set, white evening gloves with scalloped openings and dark blue hearts, and white princess heels with dark blue bows. Lincoln saw who they were, they were Uzi Loud, Ribbons Loud, and Headless Princess Nekokowa.

Lincoln: Excuse me, are you Uzi, Ribbons, and Nekokowa?

Uzi Loud: Of course we are. Who are you?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Octavia (Helluva Boss), Gangle, and Headless Headmistress Bloodgoob came out, and when Uzi Loud, Ribbons Loud, and Headless Princess Nekokowa saw them, they were stunned.

Headless Princess Nekokowa: Mother?

Headless Headmistress Bloodgood: I'm here, my little headless princess.

Uzi Loud, Ribbons Loud, and Headless Princess Nekokowa ran up to Octavia (Helluva Boss), Gangle, and Headless Headmistress Bloodgood, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Octavia, Gangle, Nora, your mothers are one of my many future wives.

Uzi Loud, Ribbons Loud, and Headless Princess Nekokowa: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Uzi Loud, Ribbons Loud, and Headless Princess Nekokowa with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Uzi Loud, Ribbons Loud, and Headless Princess Nekokowa to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Octavia (Helluva Boss), Gangle, and Headless Headmistress Bloodgood with their kids, and Uzi Loud, Ribbons Loud, and Headless Princess Nekokowa now has a loving, strong, brave, and caring father in their life. We went back to sleep.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a purple planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over all forms of magic, the stars, elements, and all Magic Arts, and the ability to grow even stronger and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Magicaira, a purple planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Magicairans, the males were not only natural born fighters, but had powers over all forms of magic, the stars, elements, and all Magic Arts, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Magicairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Oh man, a planet of magic! This should be good.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Magicaira once inhabited by The Magicairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city and it was full of life absolute.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Magicaira, it truly is an awesome planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Magicaira and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a purple gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of purple souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Magicaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Magicaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over all forms of magic, the stars, elements, and all Magic Arts, and the ability to grow even stronger, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long

brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and purple aura with stars, magic, and elements surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over all forms of magic, the stars, elements, and all Magic Arts, and the ability to grow even stronger and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do, and I also forgot to mention that you are also now a Living Magic Encyclopedia because this planet also kept records of all forms of magic throughout the beginning of the universe.

Lincoln: Twilight's in for a huge surprise along with everyone else.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Magicaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Magicaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Magicaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Magicaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Magicaira, it was an amazing planet of magic with an even more amazing city and it was where the Magicairans kept scores of records of all forms of magic since the very beginning of the universe.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) You said it, but The Infernairans laid waste to The Magicairans as well, and there truly is no end to the terror they'd wrought throughout the universe.

Lincoln: Arpina's former people were absolute monsters. But, when I absorbed the souls of the male Magicairans along with Magicaira's core and planet itself and its Sun into my body, I gained all the knowledge of all forms of magic that've existed since the very dawn of the beginning of the universe.

Me: That means you're now a Living Magic Encyclopedia!

Lincoln: That's right.

Lincoln created a purple dragon of purple magic with elements surrounding it.

Nicole: (GASPS) Oh man.

Dana woke up to see Alolan Ninetales starring at her.

Alolan Ninetales: Morning Dana! Morning Axel!

Axel Adell: (Swedish Accent) Guten morgen Alolan Ninetales.

Dana: Morning.

Alolan Ninetales: Time for breakfast!

Dana: Be right there.

They went and got dressed and went to the table.

Me: Morning guys.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa,

Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The High Mage, he's in a cave on the other side of the cave where the Underground City used to be.

Nico: So, we found him at last!

Lincoln: The High Mage, he's in a cave on the other side of the cave where the Underground City used to be.

Me: Awesome, now I can get information out of him about the Undocumented Underground Girls we missed.

Nico: And Lincoln, you'll need to suck out all of his powers, this is going to be the last time we see him alive.

We were stunned, but Lincoln agreed.

Lincoln: Whatever you got planned, I got a feeling this is going to be the last time we see The High Mage alive. Alright, now let's finish breakfast and head down to the cave.

Nico: Right.

We finished breakfast, and we headed out to the cave to help Snowdrop unlock her Rainbow Power and take down The High Mage, and once I get the info out of him on the Undocumented Underground Girls we missed and Lincoln sucks out his powers, it'll be the last time we see him alive.

We were off.

Me: Been a while since we went down here.

Varie: I know.

Lola: Feels like forever.

Sydney Burlington: I know.

Ymir: That must've been a crazy adventure back then.

Girl Jordan: It was.

2003 Donnie: But it was a great one.

Me: Yep.

Nico: Riki I want to thank you, Acid Breath and your teams for coming.

Riki Honoo: No problem Nico. This will be fun.

Me: It sure will. And Acid Breath if you blow your breath in my face I will blow it back.

Acid Breath: You want to go?

Me: Don't test me.

Nico: All right knock it off.

George: George really excited for this.

Me: Me too George.

Nico: George, remember when we met you?

George: George remember you met George and friends before battle with Disk Wars.

Me: Yep that's right.

Ape: Yeah that was fun.

Ursula: We all thought so.

Tookie: Tookie tookie.

Fluttershy: Tookie Said he remembers that one.

Me: That was fun. I ended up crashing into a tree hard. Gave me a nasty lump on my head.

Camie: OUCH!

Qin: Yeah no kidding.

Nico: That's when Wolf joined us.

Me: Yep.

Cole: I remember.

Me: Also we first battled that jerk Lyle Van De Groot.

Eli: (GROWLS) I Hate that jerk! It's so wrong of her parents to force her to marry a jerk like him against her will.

Ursula: I agree there too.

Ymir: No love in that at all.

Qin: One of these days we should have a VERY SERIOUS TALK with your parents Ursula.

Ursula: You know my dad's a scientist, right?

Jamesdean5842: Sorry I think you guys are talking about the movie from 1997.

Deadpool: Yeah this is you guys from 2007.

Ursula: Oh big difference.

Eli: Yeah Lyle was from the 1997 movie.

Ursula: Then by all means, go ahead.

Me: Good.

Xenia: Yeah.

Me: Good. Man that was some party.

Camie: It sure was.

Ace Ukiyo: I'll say. You guys have done all kinds of awesome adventures.

Lola: We sure have.

Nico: Don't forget that one of them was on your turf

Ace Ukiyo: I know. That was so much fun.

Poromon: I agree there.

Poliwag: We all thought that was awesome.

Shanan: Who knows what next year will have in store for us.

Poromon: And we took down several of Anti Monitor's heavy hitters

Me: We sure did and that has to REALLY PISS him off big time.

Nico: Yeah.

Lincoln: And the best part out of this entire half of the year we fulfilled the prophecy and avenged my entire family and all those Dark Chase Young hurt.

Me: That is the biggest part ever.

Anna Anyanova: It sure is. All that training under all of us paid off big time.

Camie: I'll say!

Ymir: Yeah that was awesome.

Nico: Like I said before, now the real fun begins

Me: Yep.

Qin: Now we can focus on the great fun.

Me: Yep.

We felt the heat of lava.

Me: Lava heat. We're getting close.

We later arrived into a big room and saw a MASSIVE POOL of lava. No underground city, just red hot lava.

Me: Never thought we'd be here again.

Sydney: Usually something I would say.

2003 Donnie: To think it all started with the crystals in our old lair

Me: I know.

Ymir: But where is the city?

Me: Well back in 2020 there was an extremely rare planetary alighnment that happens once every 10,000 to 1,000,000 years and it SUPERCHARGES the crystals here. The High Mage woke everyone there up and tried to raise the city up. But there would have been catastrophic repercussions from doing that.

2003 Donnie: Yeah that was awful.

2003 Mikey: Wanna know where it is? Well, it resurfaces now and then. But for the most part, you can dive into the lava to see it for yourself

Me: Which would be a suicide mission. But here's what happened. Versallia and the Turtle Brothers know the story like we do.

Versallia: We were of a different age a time long ago when Y'Lyntians held unassailable dominion over the Earth. We were the first. The chosen. The heavens bestowed upon us power beyond imagining in the form of mighty crystals from the stars. The largest of these, The Sun Crystal, came to rest high upon Mount Timaeus. Overlooking the entire continent. As a final gift from the heavens, the planets aligned and empowered our Sun Crystal. Charging it with unbelievable energy. Crystal energy which we harnessed to build the largest and most splendid civilization on Earth. But we Y'Lyntians had advanced so far so fast, we began to believe ourselves superior to all others. We enslaved many innocent humans and when they could not perform the jobs we imposed upon them, the limitless power of our Crystal Sun was used to mutate them. Into creatures better suited to serve our selfish needs. Water breathers to bring us the bounty of the sea. Monstrous beasts of burden to raise our monuments and dig our canals. And Avians to patrol the skies. Preventing certain Y'Lyntians from escaping. Y'Lyntians who like me detested the dark of our own people. And then an uprising. The human cultures banded together and launched an attack on our home. The Y'Lyntians were taken by surprise. The High Council gathered in the Star Chamber to take retaliatory action. And the slaves were ordered to turn the power of the Crystal Sun into the most devastating of weapons. But many slaves were allied with the human forces. Determined to put an end to their cruel Y'Lyntian taskmasters. The power of our Crystal Sun was turned back upon itself with catastrophic consequences. And the fabled island of Y'Lyntius sank beneath the waves.

Everyone that hadn't heard about it were shocked and horrified.

Twilight Sparkle: Unbelievable.

Sunset Shimmer: That's awful.

Rarity: That is terrible.

Me: And the Underground City was once left of the legendary continent of Atlantis.

Versallia: Yes. We may be all that remains of the once great civilization.

Eli: This is not like the city of Atlantis that we know.

Versallia: But a few of us have managed to escape destruction and took a fragment of the Sun Crystal. Though it's power was hugely diminished, it was enough to give life to a vast underground refuge. Now named the Crystal Moon, this smaller power source began to weaken and without slaves, the Y'Lyntians found they were unequipped to survive on their own. So they chose to go into Crystal Suspension until the next planetary alignment could recharge the Moon Crystal. Only one remained awake: The High Mage. It was his task to watch over the city until the Crystal Moon could be recharged. And now all has been fulfilled as it was foreseen by the high council. The alignment had come to pass. The Crystal Moon was recharged and the high council were using it to raise our ancient city from the sea.

Donatello: And with the sudden geologic change on such a massive scale continents will shift and sink. Most of the Human Race will be wiped out! It'll be the end of the world as we know it.

Me: That's why we destroyed the entire Underground city. to make sure this never happens again.

Qin: Me and Sheila have actually visited it once even after the whole mess.

Sheila: It's true.

Me: I heard about that.

Nico: Yeah.

Qin: Crazy.

Ymir: But the Crystal Moon should have been destroyed in the lava too.

Me: No we found out that the crystals are completely indestructible. They don't liquidate from intense heat but rather sonic vibrations.

Nico: Which is how Donnie came up with the cure. Through the help of Sydney in his dreams.

2003 Raph: Guess the Underground City just pops up now and then.

Me: Not anymore. Now it's gone for good. Except for the Crystal Moon. And it's in the middle of the lake of molten lava.

Twilight Sparkle: Maybe we can get it out of the lava and use it for our purposes.

Me: Never thought about that.

Poromon: Still doesn't explain how Qin and Sheila get to visit it once in a while

Qin: We had a lot of free time and decided to reminisce on it.

Me: I see.

Poromon: Oh.

Nico: Okay lets get the Crystal Moon out.

Me: We can talk more on all that later. Lets do it.

Eli: Let me do it.

Eli used the Force and then we saw a mound appear on the lava and then out of the lava came the Crystal Moon!

It was glowing immensely strong and more!

Applejack: WHAT IN TARNATION!

Ymir: WHOA! That's the Crystal Moon!? It's huge!

Me: Yep.

I used my powers to bring it over to us!

Me: There.

Then suddenly the energy from the Crystal Moon made us glow and we were in our Rainbow Power Forms!

Me: WHOA! It supercharged us!

2003 Leo: This brings back memories.

Me: It sure does.

Sydney: Like how you guys cured us.

Me: Yep. Wow. I guess because our powers have evolved tremendously over the years, the Crystal Moon's energy amplified our powers a lot.

Nico: It sure has.

Qin: That is amazing.

Camie: I agree.

Me: We'll bring the Crystal Moon with us to the World Tree Estate for later use.

Nico: Good idea.

Lincoln: Okay, guys, we're in for one explosive fight, we're here in the cave on the other side of the cave where the Underground City used to be to help Snowdrop unlock her Rainbow Power and take down The High Mage, and once J.D. gets the info out of him on the Undocumented Underground Girls we missed and I suck out his powers, it'll be the last time we see him alive.

We had all of TLPS and The MOE with us.

Vypra: Wow didn't expect to be here again.

Qin: I know.

Me: Wait.

I looked and saw the cave on the other side of the lava.

Me: That must be it.

Nico: It has to be.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I turned the tips of my 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Vypra: WHOA! J.D. you look amazing! Everyone you all look amazing.

Me: The Crystal Moon after we raised it up out of the lava supercharged us.

Nico: It sure did

Vypra: Wow!

Lola: Yeah.

War Machine heard a Pokemon cry

War Machine: Look here.

We saw a Bronzor!

Me: Cool a Bronzor.

War Machine: Wow!

Bronzor: It's hot in here.

War Machine: Well it's a room full of lava.

Me: Rhodey don't take this the wrong way but for you and Tony in a room full of molten lava you should have the suits off till we get someplace cooler.

War Machine: You're right on that.

Bronzor: It is hot but that's a good idea.

War Machine: HEre.

He gave it apples.

Bronzor: Thank you.

He ate them.

War Machine: You're welcome. Want to come with?

Bronzor: Sure.

Me: Awesome.

War Machine: Why do I get the feeling that this concluded the preparations for another series of adventures?

Me: I have that same feeling too.

Qin: Same here.

Nico: Wonder who else is here.

BONK!

Nico got hit on the back of the head with a coconut!

Patrick: DAHAHAHA! That guy got hit in the head with a coconut!

Nico: OW! Patrick that guy was me!

Patrick: Oh sorry.

Nico: OKAY WHO'S THE WISEASS!?

BONK BONK BONK BONK BONK BONK BONK!

Nico got hit with 7 more Coconuts from the Regihive!

Nico: OW!

Patrick: (LAUGHS) He got hit with 7 coconuts!

Kouta: Lets see.

Kouta used telepathy and gasped!

Kouta: It's our cousins! They are the American version of us!

WE GASPED!

Me: WHOA! That is cool!

Poromon: The RegiHive did it

Nico: Pelt me with coconuts will you!?

Nicole: Nico stop.

Kouta: We'll tell you all about them when we help them.

Me: Lets go help them out.

Kouta: Girls calm down! Lets talk about this.

The Regiflame fired waves of fire and we absorbed it.

Regiaqua fired waves of water and drenched May!

SPLASH!

May: (SPITS) HEY!

Regieleki fired waves of lightning and electrocuted Maria!

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPP!

Maria: (SCREAMS IN AGONY)

Ed: ZAPPITY ZAP ZAP!

Maria was burned.

Nico: We'll need to do a lot of healing

Me: Yep.

I snapped my fingers and they reverted back and we wrapped them in blankets and brought them over.

They woke up.

Windy Walnut: What hit me?

Stacy Carambola: I feel like a bunch of Inves kicked me.

They saw Nico, May, Maria and the mascots glaring at them.

Nico: You hit me with coconuts!

May: You got me wet!

Maria: And you electrocuted me!

Me: Pleasure to meet you girls.

Lana: Yeah.

Me: I guess we couldn't smell the fruit aromas from you becauce we're in a cave full of lava and it produces a sulfur smell.

Aylene Applejack: Yeah.

Camie: And wait Miyuki your sister Masako left you for dead in the Helheim forest!?

Me: That's insane!

Miyuki: I will kill that bitch! I will never forgive her!

Me: Oh man.

Miyuki: Is that what that place was?

Me: It's called the Helheim Forest.

Shanan: It's located on the distant planet of Femushinmu about 3 and a half billion lightyears from Earth.

Miyuki: Oh man! But that fruit she made me eat was delicious.

Me: But it's also poisonous to humans. It's a miracle you survived.

Miyuki: I know. I now have all the Inves powers and beyond.

Me: Incredible.

Horsea: At least I wasn't attacked.

Me: Yeah.

Aylene Applejack: Oh we are the American version of Gaim. We go as Kamen Rider World Tree Fruitknights.

Tina Warrior: No we didn't thank goodness.

Georgina Washington: I cannot tell a lie, we did not.

Me: You girls dodged a massive bullet on that.

Kouta: I was forced to kill Kaito because he was out of control.

Me: Yeah no kidding there. You girls had a different outcome in America than in Japan.

Kouta: Yeah it ended with me becoming a god.

Nico: It sure did.

Poliwag: It's true.

Miyuki: Oh man.

Me: Yeah. Miyuki I can't believe your sister did that to you!

Miyuki: I will kill her if I ever see her!

Nico: We'll help you.

Miyuki: Thank you.

Me: Well she might be up for the M.O.E. But we'll have to find out later. Also girls how did you girls defeat Serena?

Windy Walnut: We fought her in the Edenian Forest and had her cornered. She ate 10 fruits there and it turned her into this TOWERING TREE MONSTER! She was about 500 feet tall and was firing energy blasts from her branches and the fruits were bombs!

WE GASPED IN SHOCK!

Nico: HOLY SHIT!

Kirby: That sounds like a scary version of Whispy Woods!

Tina Warrior: It was.

Me: That is intense!

Tina Warrior: It was. We combined our powers and slashed her and cleaved her right down the middle and then we got back and she exploded with the force of a meteor impact.

Shanan: WHOA MAN! That is intense! I picked up a massive intense explosion on Sakhden 6 months ago and wondered what that was.

Laney: Incredible!

Marion Oregon: I know.

Rarity: Let get you all some new clothes darlings.

The Fashion Brigade went into overdrive and gave them new clothes and weapons and Kouta and Ikki gave them their belts and lockseeds and weapons for them.

Miyuki: We look awesome!

Nico: We're not done yet.

Me: Nope. Oh here Nico.

I pulled out a tiny hammer and knocked the lumps on his head down.

TINK TINK TINK TINK TINK TINK TINK TINK TINK TINK!

Nico: Ouch. Thanks.

Lincoln: (Sensed for The High Mage) AHA! Gotcha! I just sensed The High Mage, he's 20 yards away, and he's out for revenge on us.

Nico: Right, time to clean this mess up.

We then took off to take down The High Mage.

We were flying, and we saw The High Mage.

Me: There he is.

Lincoln: Hmm, let me strike first.

Suddenly, Lincoln was surrounded by an immense fire aura with phoenixes flying around him.

Lincoln: (Speaking in Chinese) 以一千个熊熊烈火的强度从天而降，以百万个地狱的愤怒燃烧哦，烈火的强大凤凰！让我的火之歌对这些祸害这片土地的邪恶可憎之物带来神圣报应的火焰，并用美德之火净化和净化它! (Burn down from the heavens with the intensity of a thousand flaming embers of fire and burn with the fury of a million infernos oh mighty phoenixes of the flaming fire! Let my song of fire bring forth the flames of divine retribution on these evil abominations that plague the land and purge and cleanse it with the flames of virtue!)

Lincoln sang The Song of the Phoenix and then massive fireballs rained down from the skies and transformed into powerful phoenixes, and they hit The High Mage and he got burned badly.

Suddenly, Lincoln was surrounded by an immense water aura with mermaids swimming around him.

Lincoln: (Speaking in Chinese) 傳說中可怕的美人魚啊，從渾濁的深淵深處崛起，為强大的元素戰士服務。將血腥大屠殺帶給這隻黑暗的怪物。讓我的歌聲傳達出那個被怪物撕裂的人的正義，這個怪物恐嚇了我最親密的朋友之一! (Rise from the depths of the murky abyss oh terrifying mermaids of legend and serve the mighty warrior of the elements. Bring forth the carnage of the deluge of blood onto this monstrous abomination of darkness. Let my song bring forth the justice of one that was torn apart by this monster that terrorizes one of my closest friends!)

Lincoln sang The Song of The Mermaid, and a massive wave of water exploded out from nowhere, and Mermaids from

The Dark Side of The Legend came on a wave and mauled The High Mage.

Suddenly, Lincoln was surrounded by an immense lightning aura with Thunderbirds flying around him.

Lincoln: (Speaking in Chinese) 從風暴的天空中擊落，從激烈的風暴的天空中帶來百萬雷鳥的憤怒，用風暴的力量打擊這個可憎的東西！讓我的歌聲帶出風暴的力量，讓風暴的閃電釋放風暴的力量對付這個恐嚇世界的怪物! (Strike down from the skies of the storm and bring the fury of a million thunderbirds from the skies of the intense storm and strike this abomination with the power of the storm! Let my song bring forth the power of the storm and let the lightning of the storm unleash the power of the storm unto this monster that terrorizes the world!)

Lincoln sang The Song of The Thunderbird and lightning struck from the Heavens and they formed into powerful Thunderbirds and they hit The High Mage and electrocuted him hard.

Suddenly, Lincoln was surrounded by an immense wind aura with Sylphs flying around him.

Lincoln: (Speaking in Chinese) 以正義之風的力量駕馭天空之風，向這個邪惡的怪物釋放風的力量，釋放神聖的懲罰之風，消滅這個邪惡的怪物！釋放正義神風的精靈，帶來終極正義風流! (Ride the winds of the sky with the power of the Winds of Justice and unleash the power of the wind unto this evil abomination and unleash the divine winds of retribution and vanquish this evil abomination! Unleash the Sylphs of the Divine Winds of Justice and bring forth the ultimate wind currents of justice!)

Lincoln sang The Song of The Wind and numerous Sylphs appeared and they flew at The High Mage and they blew him around in a powerful tornado and he was being blown all over the place!

Suddenly, Lincoln was surrounded by an immense lava and rock aura with golems flying around him.

Lincoln: (Speaking in Chinese) 從地球的岩石中升起，變成岩石和地球上强大的魔像，蹂躪在土地上製造恐怖和邪惡的黑暗勢力，消滅這種邪惡的憎惡！讓我的歌聲成為你的力量工具，來消滅這個可怕的敵人! (Rise from the rocks of the earth and take the form of the mighty golems of the rock and earth and ravage the dark does that wrought terror and evil upon the lands and vanquish this evil abomination! Let my song be your instrument of might for bringing an end to this terrible foe!)

Lincoln sang The Song of The Golem and there was a rumble and earthquake and then, it formed into huge mountains of rock and then, they formed into golems and they smashed The High Mage with incredible force.

Suddenly, Lincoln was surrounded by an immense light aura with fairies flying around him.

Lincoln: (Speaking in Chinese) 從天空、天堂和太陽上照射下來，釋放出自然之光和仙女之光，向這個恐嚇世界的可怕敵人發動攻擊！讓我的歌聲帶來善良的力量，淨化這片土地，結束這邪惡可怕的醜惡行徑! (Shine down from the sky and the Heavens and the Sun and let loose the Light of the Fairies of the light of nature unto this terrible foe that terrorizes the world! Let my song bring forth the force of good that cleanses the land and bring forth the end of this evil and horrible abomination!)

Lincoln sang The Song of Light and immense light shined down from the sky and from the Heavens and formed into fairies of light and they flew and hit The High Mage and blasted him with the powers of light!

Suddenly, Lincoln was surrounded by an immense shadow aura with shadow wisps flying around him.

Lincoln: (Speaking in Chinese) 我召喚夜影的黑暗，並帶來永恆之夜的陰影，將這個可怕的敵人打入無盡的冥界虛空！讓冥界的靈魂化為黑暗之光，將被詛咒的人永遠帶入冥界的黑暗之中！讓我的歌聲喚起夜晚的陰影並向這個可惡之物發起復仇! (I call upon the darkness of the shadows of the night and bring forth the shadows of the eternal night to bring down this terrible foe to the endless voids of the Netherworld! Let the souls of the underworld take the forms of the wisps of darkness that bring the damned to the darkness of the Underworld forever! Let my song bring forth the shadows of the night and unleash your revenge on this abomination!)

Lincoln sang The Song of Darkness and darkness wisps appeared and they went at The High Mage and they blasted him with the forces of darkness.

Maria Ying Xiao: That was truly amazing! Using The Atavism of The Elemental Maiden to give him a beatdown, Lincoln.

Lincoln: Here's something that I haven't used in a long time.

Suddenly, Lincoln was surrounded by an immense golden yellow aura with sunlight and light and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Lincoln: (Speaking in Japanese) 太陽の光と天界に呼びかけ、この恐ろしい悪の忌まわしい存在を倒し、永遠の破滅の地へと送り届けます。祝福された者の魂が蘇り、地獄の民に永遠の罰を与え、彼らを永遠に冥界の闇へと送る强力な狼の姿をとりますように。私の歌が天界の審判をもたらし、この忌まわしい存在を永遠の安息の地へと送り届けますように。(I call upon the light of day and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send them to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and formed into white wolves with glowing golden yellow markings and they ran at The High Mage and attacked him with fierce fury.

Me: What on Earth was that?!

Anna Anyanova: (GASPS) No way, that song, that was The Atavism of The White Wolf of Amaterasu, it's an incredible power that allows Lincoln to summon the white wolves of Amaterasu to punish the guilty, it's also why Lincoln has earned the moniker, Lincoln Loud, The White Wolf of Michigan.

Me: I get it, a wolf is the symbol of Leadership & Strength, and the white wolf distinguished by its striking appearance and authoritative demeanor, epitomizes leadership, strength, and fortitude, and it also represents the essence of courage, unwavering determination, and the capacity to guide oneself and others with integrity and conviction. And according to Native American legends I'd heard, the white wolf is the symbol of spiritual power, strength, and transformation, they're said to be the spiritual messengers bringing guidance and wisdom to all who need it, and many of the indigenous cultures believe white wolves possessed healing power.

EVERYONE GASPED!

We landed.

High Mage: YOU!

Me: Figures you'd return once more, High Mage. But, this is the last time.

High Mage: You're too late! I already released those other monsters into different parts of the world!

Me: I had a feeling you would.

I then teleported in front of him and put my hand on his head, and then, I extracted all of the info on the other Underground Girls that weren't accounted for, and I teleported back to the team.

Me: Got the info, Nico.

Nico: Nice.

I copied and beamed the info to everyone.

Nico: WHOA! WHOA! Those are scary monsters!

Shanan: Oh man! I know what all those creatures are!

Poromon: What about their names?

Shanan: It didn't say anything on them.

Me: Yeah.

Qin: But we can find out who they are when we see them.

High Mage: If you live long enough. Do you realize what you did!? You ruined everything for us!

Me: No you brought all that on yourself! Because you were going to destroy everything! We couldn't let that happen!

Xenia: Yeah!

Me: This is our planet and you are not welcome here!

2003 Don: We extracted that info because we obviously can't trust anything you say!

Me: That's right! Everything you said to our friends were all lies earlier before we came along. But there's one thing you haven't counted on. We cured Sydney and her friends!

Sydney: That's right! We are free from you!

Rice Fitzgerald: We have our humanity back!

Georgina: That's right!

2003 Mikey: And honestly? Not everyone gets a villainous breakdown

Me: That's right.

I teleported and punched him in his stomach and kicked him in his face.

High Mage crashed into a wall.

High Mage: You've gotten stronger!? How?

Me: We've evolved a lot over the years.

Vypra: That's right. Remember us dirt clod?

HIgh Mage: I remember you Vypra. You and your friends ruined us.

Dark Spicer:.. I don't know what you're talking about

Me: Dark you were there remember?

Dark Spicer: Oh right! When our friendship was still blooming.

Me: Yep. Back in the start of 2020.

Vypra: I remember.

Me: Lets dance!

I punched the High Mage down and he went at me and I dodged him and kicked him in his back.

Me: You will never rule our planet High Mage!

Dark Spicer: And I was playing dumb.

Me: I know.

Qin: Time to pay!

We fired energy blasts and blasted the High Mage all over.

Qin: Wow!

Me: Brody say hello to the Ninja Steel Power Star Omega Cannon! This is a powerful cannon that uses your Power

Yoko Minato: So awesome!

Eddy: Why there aren't American Adaptations for Kamen Rider is beyond me.

Me: Probably too complex of a lot of stories and it takes a lot of money.

Jamesdean5842: Yes that's right. The stories of all the Kamen Rider series is too hard to understand and it would take way too much money to produce.

Xenia: That stinks.

Camie: Drat.

SpongeBob: Tartarsauce!

Horsea: And yet, there were able to do it with Dragon Knight.

Kit Taylor: For a good reason. Because the Ryuki story was dark and ended with a huge tragedy.

Camie: That is true.

Lola: Yeah.

Jamesdean5842: Yes that is true.

Miyuki: That is crazy though.

Me: It is.

We went at High Mage more.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The High Mage is rendered powerless.

Lincoln: And rendered powerless. Boys.

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, ASSHOLE!

Then, Lincoln joined them and he let out a war cry that thundered all over the place, and the warriors also bellowed out a war cry and they rushed at The High Mage and they began attacking him with their claymores, war swords, and greatsword.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Alexander Avalon, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Juniper Lee, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was making The High Mage even more pissed off than ever.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The

High Mage, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of The High Mage, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 20'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 14'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, ROT IN HELL FOREVER, YOU TERROR OF THE UNDERGROUND!

Lincoln, Nico, and I did one final powerful energy slash that hit The High Mage hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and The High Mage was on his last legs and he was really really mangled.

Then, Nico fired a blast of dark energy that hit The High Mage, and we saw a dragon tattoo form on his body, and The High Mage vanished. Before we could deliver the final blow, he vanished.

Me: Where did he go?

The HIgh Mage found himself in another part of the cave with Samurel Sterns aka Leader

High Mage: Leader? Thank goodness you saved me.

However, his relief turned to confusion when Leader chuckled.

Leader: (chuckles evilly) Save you? Oh, you're sorely mistaken.

High Mage had a look of horror but before he could do anything, Leader zapped him with a tazer, knocking him to the ground.

Leader: I'm going to have so much fun experimenting on you.

High Mage: No. Please. I'm begging you. NO!

But it was too late as Leader teleported away with him.

Me: Who cares though, we got him.

We cheered as we holstered our weapons and powered down.

Nico: That should do it.

Lincoln then got The Crystal Moon to The World Tree Estate.

Lincoln: And I got The Crystal Moon to The World Tree Estate.

Me: Nice work. Now, the real challenge begins: finding the other undocumented Underground Girls, I got their monster forms, but not their names.

Nico: That's okay, we'll still find them.

Lincoln: And cure them. We got enough of the serum to cure them and give them the powers of their monster forms.

Horsea: I get the feeling this is the last time we'll see the High Mage alive

We then heard a nasty stomach churning torturous scream miles away.

Me: That was the High Mage. And it looks like you're right.

Bronzor: Good riddance.

We got to the park where it was cooler and perfect.

Me: WHEW! Much better.

Lola: Yeah.

Nico: Nice job Bronzor.

Bronzor: Thanks! That was fun.

Qin: It sure was.

Poromon: Want some beer?

Bronzor: Oh no thanks. I rust from that.

Me: Oh boy.

Poromon: Okay

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Bronzor: Nice try though pipsqueak.

Poliwag: HEY!

Poromon: I'll drive. I have my license after all.

William: Oh, why not?

Me: Okay.

Poromon: Awesome!

Me: Okay. Just be careful.

Riki Honoo: I agree there.

Nico: Riki, this might sound silly but what do you like to do in your free time?

Riki Honoo: I like to train at the race track for upcoming races.

Me: Nice! You'll put all that training to good use later on.

Riki Honoo: I sure wil.

Me: Yep.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Dana.

Dana: Another Me? Sweet!

Lincoln: We'll have to see who it is. And also there's Another George as well.

George: Another George! George excited for this!

Qin: I have a feeling this will be funny.

Eli: Whoa, and one of The Anothers is The Avatar of The Time Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Eli: (GASPS) Oh crap, I also sensed a Hostile Another and it's overflowing with pure hate on the level of The Orichalcos. Lorelai Leviathan, Lincoln, are you familiar with someone by the name of Logan Leviathan?

THEY GASPED!

Lincoln: Lorelai's younger brother?! What the?!

Me: Whoa, you guys know him?!

Lorelai Leviathan: I wish we didn't. As Lincoln said, Logan Leviathan is my younger brother, but he's not like me at all, in fact, he was evil to the depths of his black heart, and one of our most dangerous enemies.

FLASHBACK: 10,000 YEARS AGO

Lorelai Leviathan: (Narrating) It all started 10,000 years ago during our crusade against Dartz, and we found out that Dartz wasn't alone when he unleashed the evil forces of The Orichalcos.

Then, the scene showed ten black-haired males with blood red eyes brimming with hatred and they had the Orichalcos symbol on their foreheads.

Gloria Geh: (Narrating) We found out our evil brothers were also part of the conspiracy to help Dartz unleash the evil forces of The Orichalcos, they were none other than Logan Leviathan, George Geh, Daniel Dexia, Adrian Aristeros, Shiloh Shunoros, Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora, our younger brothers, and unlike us who swore to destroy Dartz and end the evil of The Orichalcos, our ten younger brothers joined with Dartz and swore to destroy the world by summoning The Great Leviathan.

Then, the scene showed a fierce battle between The Doom Riders of The Orichalcos Darkness and the ten conspirators of Dartz.

Malorie Kyutora: (Narrating) While Dartz went into hiding, we fought against our brothers who like us had the powers of The Orichalcos and darkness and the Orichalcos Duel Monsters, but they were no match for us for we were more powerful than them since we were also born with immortality, invincibility, omnipotent power, Omnipotence, and Omniscience.

Then, the scene shows the slain bodies of Logan Leviathan, George Geh, Daniel Dexia, Adrian Aristeros, Shiloh Shunoros, Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora and The Doom Riders of The Orichalcos Darkness standing victorious.

Diana Dexia: (Narrating) In the end, we triumphed and our ex-younger brothers were slain, and then, we continued onwards to find and destroy Dartz.

The flashback ends.

Eli: Oh man, I'd heard about that battle, I can't believe your brothers were also involved with Dartz back then.

Lincoln: Lorelai and her friends put an end to them 10,000 years ago, but they've come back 10,000 years later to get revenge, and there's only one person who could've brought them back from the dead: Alecto Slytherin!

Me: I can't think of any other person than him!

Eli: We got to get rid of those ten conspirators and fast.

Me: Big time! So we got Another Acid Breath, Zombo the Clown Ghost, Kerchak, Captain Gravyhead, Circuit Gurumar and Demon Thunder.

Qin: Yep.

Ed: GRAVY!

Me: Yeah! I know Ed will eat him. So that means Riki Honoo, George of The Jungle, Ursula, Ape, Tookie and

Magnolia are up.

Camie: Yep.

Ymir: This will be fun.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Then, we saw one of The Anothers arrive, but we felt that horrific evil.

Lorelai Leviathan: Alright, you can get out of that cheap suit you're wearing.

Then, The Another changed back, and it revealed himself to be Logan Leviathan, a black-haired male with red eyes full of hatred, he was dressed in black clothes, and he had The Orichalcos symbol on his forehead.

Lorelai Leviathan: Logan Leviathan, it's been 10,000 years since we killed you and your friends the day you helped Dartz unleash the evil forces of The Orichalcos.

Logan Leviathan: And we showed no remorse, you stupid bitch! This pathetic world deserves to be destroyed and all the souls of mankind deserve to be devoured by The Great Leviathan!

Lincoln: You...shut up, Logan!

Lori: You know, it's literally no surprise that heartless attitude you and your friends had towards your sisters and all of mankind that you ten bastards got killed by Lorelai and her friends 10,000 years ago, and she was right to do so, you ten are cold-blooded, blackhearted, hate-filled bastards who have no morals, no respect, and no sense of decency.

Logan Leviathan: Who do you think you are running your fat mouth, bitch?! WOMEN LIKE YOU SHOULD KNOW PLACE ON ALL FOURS LIKE THE DOGS THAT YOU ARE!

Lincoln: No one talks about my sister like that and gets away with it!

Lincoln fired a blast of Orichalcos Darkness at Logan Leviathan and it hit him, and then, Lincoln began sucking out all of Logan Leviathan's excessive negative energy and hatred along with all of Logan Leviathan's powers of The Orichalcos and his powers of The Great Leviathan and it flowed into Lincoln as his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

At the same time, Lincoln also began sucking out Logan Leviathan's soul. Then, as soon as Lincoln was done, Logan Leviathan was left as a desiccated husk who had the life sucked out of him, and Lincoln sucked out all the remaining energy of Logan Leviathan's soul and banished him to The Black Abyss forever.

Lincoln: That's it for Logan Leviathan, but now, we got the others to deal with in the future.

Lorelai Leviathan: We'll be ready for them, Linky.

Nico: There they are!

We saw Another Zombo the Clown Ghost, Kerchak, Captain Gravyhead, Circuit Gurumar and Demon Thunder!

Me: WHOA! This will be awesome!

Nico: It sure will!

Another Zombo: (In a girls voice) Lets make this fun!

They reverted back and were the gene-slammers of Crusadia Spatha and World Chalice Guardragon Almarduke!

Nico: (GASP) Arlene Almarduke and Sylvia Spatha!

Sylvia: Good to see you Nico.

Arlene Almarduke: Same here.

Me: Whoa the gene-slammers of Crusadia Spatha and World Chalice Guardragon Almarduke.

Arlene Almarduke: That's right.

Me: Cool. By the way girls are the rest of the Anothers friendly or hostile?

Arlene Almarduke: Friendly and the Another George is coming right now.

Me: Okay.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now we wait.

Me: Yep.

Nico: Wait. Hear that?

We heard nothing.

Bubbles: I can't hear anything.

Me: Wait I hear something.

GIRL TARZAN YELL!

We saw ANOTHER GEORGE SWINGING IN ON A VINE!

Me: WHOA! Another George!

Another George came in fast! FAST AS A JET PLANE!

Me: WATCH OUT FOR THAT TREE!

Then...

SUPER MASSIVE SUPER CRASH!

KRASSSSSSSMMAAAAAAAAAAAAAAAAASSSSSSHHHHH!

Me: OOOH! MAN THAT IS GONNA LEAVE A MARK!

Another George: (In a girls voice) I don't feel so good.

The tree cracked and then it fell down and then...

KRASMASH! IT SMASHED RIGHT ON TOP OF NICO!

Ed: Good morning tree!

Nico: Ouch!

Poromon: Nico! Are you ok?!

I got the tree off of him!

Nico: (Dazed and stupid) Mommy can I have some fudge?

Me: GEEZ! That had to hurt!

Nico got up and was better.

Nico: I'm okay!

Another George: That was really brutal.

Ape: Well I'll be! It's Janet!

George: George remember Janet!

She reverted back and was a girl with blond hair and blue eyes and had orange angel wings and had a green jungle bikini on.

Janet: Hey bro. Been a while.

Me: That must've hurt for you!

Janet: It did but I'm used to it.

George: Janet George's sister and she helped George defend jungle.

Me: Cool! Where are the rest of the Anothers?

Janet: Oh they are here now.

Another Acid Breath and Dana came!

Another Acid Breath: (In a girls voice) THIS BREATH STINKS!

She reverted back and was the Avatar of the Time Card!

Lincoln: Thea Time! Wow!

Thea Time: Good to see you Lincoln!

Lincoln: You too.

Nico: Care to introduce us?

Ed: (GULPING DOWN ANOTHER CAPTAIN GRAVY HEAD) Yeah can you?

Eddy: (LAUGHS) Ed loves his gravy!

Anna Anyanova: Yeah but sure. This is Thea Time, Avatar of The Time Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of time, history, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Time Clow Card, and the magic of Clow Reed. She's The Time Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Thea Time is a master of the powers of The Time

Clow Card and she's a powerful master of time, history, and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Thea Time came to Royal Woods where she met Lincoln, and she taught him how to master the powers of time, history, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Time Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of time, history, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Time Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by summoning cavemen from prehistoric times who ran at them to clobber them, that made those five do a classic McWolf freak-out and they ran back to their rooms in fear and Thea sent them back.

Me: HOLY CRUD!

Qin: Wow!

Xenia: Amazing!

Lori: Yeah that was literally crazy. She has mastery over all the power of time.

Me: Cool!

Nico: And your friend?

Another Dana: (In a little girls voice) Someone who is proud of her sister.

Dana: (GASP) Sophie!

She reverted back and was a little girl with brown hair and had purple clothes.

Dana: Sophie!

She went over and hugged her.

Lana: Sophie is in our classes. She went to our school long ago.

Me: WHOA!

Lola: I know.

Dana: I'm so glad you're safe.

Sophie: Me too.

Kaito: (gets out Timeranger gear) Did Swartz promise you anything?

Zocks: (Gets out GoGoV gear) Because we can grant it instead.

They got weapons from said teams.

Me: Let me guess because of your power over time you used your powers to run away.

Thea Time: That's right and I before we left I used my powers to reverse him back to when he was a baby for a year and left him with a MASSIVELY full diaper.

Sakura Knudson: That explains why me and the Timejackers had to change his diapers and why they were so full.

WE LAUGHED!

Me: Too bad he couldn't stay like that because then we would have molded him to be good.

Nico: I know.

Sophie: That would have been fun.

Janet: I agree.

Sougo (gets out Time Force Ridewatch): Swartz being good?

Geiz (Gets out Lightspeed Rescue Ridewatch): That's a scary thought

Sougo got TimeForceRedArmor while Geiz got LightspeedRescueRedArmor

Me: I was saying it could've happened.

Sougo: Oh.

Nico: Yeah.

Me: Lets separate you girls first.

We did so.

Me: Lets get it on!

Nico: (Gets out Acid Breath's ridewatch) SMELL THIS BREATH!

May: (Gets out Kerchak's ridewatch) (ROARS AND POUNDS HER CHEST)

Ed: (Gets out Captain Gravyhead's ridewatch) GRAVY!

Universe 666 May: (Gets out Captain Gravyhead's ridewatch) Gravy Fun!

Maria: (Gets out Circuit Gurumar's ridewatch) Time for Circuit Power!

George: (Gets out Zombo's ridewatch) George use clown power!

They used the powers of Acid Breath, Zombo the Clown Ghost, Kerchak, Captain Gravyhead, Circuit Gurumar and Demon Thunder and blasted the Anothers all over!

Poromon: Did you enjoy the gravy?

Ed: Yep!

But then we smelled a REALLY HORRIBLE STENCH!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE SMELL!?

Edd: GOOD GOLLY ALMIGHTY! WHAT IS THAT HORRIBLE ODOR! ED!?

Ed: Not me!

Then out came Mad Treant, 9 Chicken Sandwiches of Hell, Stinky (Moomins), Raw Sewage Sandwich, Stinky Toilet and The 12 Disgusting Sandwiches of Putridity!

Nico: WHOA! Nice teme Mad Treant!

Mad Treant: Thanks Nico.

Me: Wait the smell is coming from those 12 sandwiches!

Lincoln: OH GOOD GOD! That's Lana's third akuma The 12 Disgusting Sandwiches of Putridity! The 3rd Hypothetical Akuma of Lana Loud and these are 12 of he most disgusting sandwiches ever known and they smell so bad that they will make anyone throw up for over 1 hour! They have auras that correspond to the level of stink! The colors are for that stink and are as follows:

Red - Garbage

Orange - Cow Manure

Yellow - Raw Sewage

Green - Rotten Chum

Blue - Limburger Cheese

Indigo - Skunk

Purple - Stinky Socks

Brown - Rotten underwear

Pink - Cesspools of Filth

White - Diarrhea toilets

Grey - Homeless Bum not taking a bath ever

Black - 10,000,000,000 Rotten corpses!

Like the Seven Deadly Sandwiches and The 9 Chicken Sandwiches of Hell, Lana was divided into 12 sandwiches that SMELL DISGUSTING! She was made this way because of Hawk and Hank bullying her brother and vowed to go down their throats and kill them by rotting them from the inside until they dissolve into ROTTEN SLOP!

All of us: EW!

Lana: COOL!

May then threw up all over Nico!

Nico: EW!

Me: AW SICK!

Qin: YUCK!

Lana: I'll say! But man me as 12 sandwiches of disgusting awesomeness! Nice!

Me: Swampfire's team next.

Swampfire: Yep. Awesome!

Me: I could use a snack first.

I ate the 9 Chicken Sandwiches of hell!

Me: (CHOMP) (EATING) MMM! (GULP)

MY FIRE AURA THEN EXPLODED OUT WITH INTENSE FORCE!

Me: (LOUD BELCH) (Italian Accent) THAT'S A SPICY MEAT-A-BALL!

WE LAUGHED!

Me: YEAH! Needed that.

They reformed.

Nico: How did they taste?

Me: Spicy and finger licking good!

Qin: NICE!

Then a blast of wind came and Air Elemental appeared!

Me: WHOA! Air Elemental from Magic the Gathering!

Xenia: Windy!

Nico: Awesome!

Air Elemental: (In a girls voice) It sure is!

Nico: Aero Elemental! Wow!

She reverted back.

Aero Elemental: Good to see you Nico. I got this.

She fired waves of wind and blasted the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Nico: Great job!

Aero Elemental: Thanks Nico. That was fun. WHOA! Man you are covered in throw up.

May: Sorry.

Nico: It's fine.

George: What your favorite memory of Nico?

Aero Elemental: When me and Nico were at my family's wind farm and we found a cave and found buried treasure in it. Made me and my family rich.

Me: Cool!

Qin: Awesome!

Nico: Yep.

Nico hugged her.

Nico: I've missed you.

Aero Elemental: Same here.

We went back home and Nico took a shower.

Nico: J.D. found a way to take down The Time Card years ago.

Me: It wasn't easy, I had to think quickly.

Riki Honoo: I have a feeling it won't be easy.

Lincoln: It won't, The Dark Time Card's in the hands of the clones of Kamen Rider Ghidorah and Kamen Rider Grand Ghidorah Ohma-Zi-O, Sougo's two hypothetical Akumas, we knew about Kamen Rider Ghidorah, but Kamen Rider Grand Ghidorah Ohma-Zi-O is a new one, he's the second Hypothetical Akuma of Sougo and he is the ultimate Kamen Rider of King Ghidorah and has all the powers of King Ghidorah from 1964 to present as well as all the powers of all the Kamen Riders from over the last 50 Years. He was made because of Swartz infusing him with a Grand Zi-O Ridewatch he made infused with the powers of all the versions of King Ghidorah from 1964 on up and he turned on Swartz killed him and vowed to kill all bad Kamen Riders!

Lincoln got out his sketchbook and we saw Kamen Rider Grand Ghidorah Ohma-Zi-O: he looks like Kamen Rider Grand Ohma-Zi-O, but with King Ghidorah's wings and three heads!

Me: WHOA! This one's really powerful!

Generosity, Kindness, Selflessness, Courage, and Trust) We better get going and catch them.

We got a move-on, and then, we spotted our target: the clones of Kamen Rider Ghidorah and Kamen Rider Grand Ghidorah Ohma-Zi-O, and Lincoln fired an energy blast that hit them that forced The Dark Time Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Time Card and he began sucking out all its powers over time and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Time Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Time Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Time Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clones of Kamen Rider Ghidorah and Kamen Rider Grand Ghidorah Ohma-Zi-O.

We turned to the clones of Kamen Rider Ghidorah and Kamen Rider Grand Ghidorah Ohma-Zi-O who roared at us and fired blasts of gravity lightning, but Lincoln absorbed them.

Lincoln: Alright, let's get them.

Robin Hood went after the clone of clones of Kamen Rider Ghidorah and Kamen Rider Grand Ghidorah Ohma-Zi-O, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit them, then he attacked them with the blades on his bow leaving scars on them, and he fired arrows at them that transformed into many arrows with leaves surrounding them and they got hit all over the place.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones of Kamen Rider Ghidorah and Kamen Rider Grand Ghidorah Ohma-Zi-O and he also sucked out all the energy remaining in their souls and the clones faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Time Card and Lincoln absorbed the clones of Kamen Rider Ghidorah and Kamen Rider Grand Ghidorah Ohma-Zi-O.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair, blue eyes, massive red angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, red sleeveless strapless top, light blue skirt with Gem-Knight Ruby, white bridal gloves, red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Ruby, she has a greatsword, and with her are the five girls.

Lincoln: (GASPS) Rhonda Ruby, Avatar and Gene-Slammer of Gem-Knight Ruby.

Rhonda Ruby: That's right, and I got the girls away from the clones of Kamen Rider Ghidorah and Kamen Rider Grand Ghidorah Ohma-Zi-O and The Dark Time Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: But, we took care of The Dark Time Card when I sucked out its powers and absorbed the clones of Kamen Rider Ghidorah and Kamen Rider Grand Ghidorah Ohma-Zi-O. (To Rhonda Ruby) And it's so good to see you again, Rhonda.

Rhonda Ruby: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Rhonda Ruby had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Rhonda Ruby was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he

had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Rhonda Ruby: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Rhonda Ruby's waist and hugged her, and Rhonda Ruby is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Rhonda Ruby: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Rhonda Ruby, Avatar and Gene-Slammer of Gem-Knight Ruby, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ruby gems and crystals. She's known as The Phantom Quartz Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Rhonda Ruby came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ruby gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ruby gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Rhonda's parents and her little sister, Renee, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Paula.

Lincoln with his massive muscular arms still wrapped around Rhonda Ruby's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Rhonda Ruby: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Rhonda Ruby with ruby crystals on the gold lightning bolts and ruby links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Rhonda Ruby: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Rhonda Ruby.

Rhonda Ruby had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Rhonda Ruby's waist, and he leaned down to her face and kissed her on the lips, and with Rhonda Ruby's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Rhonda Ruby had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Rhonda Ruby: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The five girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the five girls are Carolynn Cutieson and Mirei Akamine, Yurika Aoshima, Aino Momozono, and Maya Murasakino from Mahou Kishi Pure Knights ~Kyokon ni wa Katenakatta no Otome no Ana Sasagemasu Seigi no Heroine wa Haramase Harem Niku Benki ~

Lincoln: Oh whoa, it's Carolynn Cutieson and Mirei Akamine, Yurika Aoshima, Aino Momozono, and Maya Murasakino from Mahou Kishi Pure Knights ~Kyokon ni wa Katenakatta no Otome no Ana Sasagemasu Seigi no Heroine wa Haramase Harem Niku Benki ~

Nicole: Uh oh, Travis and Red were right to tell the others to hide, they're cute girls, and Carolynn's a a single mom who's a swimming instructor for children and young sailors alike, and she also has a daughter named Katie which happens to be that little girl with Carolynn.

Lincoln: That makes them easy targets for someone who wants to hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Carolynn Cutieson: Yes, we're okay, thanks to you.

Then, when Carolynn Cutieson and the other four girls saw who it was that saved them from The Dark Time Card and the clones of Kamen Rider Ghidorah and Kamen Rider Grand Ghidorah Ohma-Zi-O, their faces turned atomic red and their noses gushed out blood upon seeing the 20'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored Carolynn Cutieson: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Mirei Akamine: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Carolynn Cutieson, Mirei Akamine, Yurika Aoshima, Aino Momozono, and Maya Murasakino with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and

Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long violet hair with pink streaks, purple eyes, massive purple angel wings, she has on a pink two-piece bikini, and a greatsword.

Lincoln: (GASPS) Melanie Magicaira, Queen of The Magicairans of Planet Magicaira.

Nico: The only surviving Magicairan, and you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Melanie Magicaira, Queen of The Magicairans of Planet Magicaira, she's Lincoln's Guardian Angel from the planet of Magicaira in The Forbidden Zone. She was the Queen of the Magicairans who ruled the planet of Magicaira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over all forms of magic and all Magic Arts, and the ability to grow even stronger, but she was also born with angel wings, immense power over all forms of magic, the stars, elements, and all Magic Arts, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Melanie Magicaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers over all forms of magic, the stars, elements, all Magic Arts, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers over all forms of magic, the stars, elements, all Magic Arts, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Magicairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a blazing passion, and she swore to imprison him inside a magic prison with the powers of Magicaira.

Melanie Magicaira: And I knew Lincoln absorbed the souls of the male Magicairans, our planet's core and planet itself, and our planet's Sun to preserve their legacy.

Shanan: That's true, and Lincoln 2 of The Ebonwu Squadron told us, And are there more planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Melanie Magicaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Melanie Magicaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Melanie Magicaira with violet gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Melanie Magicaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Melanie Magicaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Magicairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Time Card of all its powers and absorbed the clones of of Kamen Rider Ghidorah and Kamen Rider Grand Ghidorah Ohma-Zi-O after we took them down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Rhonda Ruby saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Rhonda Ruby: My God, I was right that Lincoln's really grown into a 20'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Rhonda, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Rhonda Ruby: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian

Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Rhonda Ruby: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Allie Maxwell got out a tape.

Allie Maxwell: Okay, this tape I have here, this is from 1997 a week after the whole affair with The Fujishiro Family, I wound up getting invited to The Spotted Leopard by The Big

Claw Gang, I knew it was the hangout of Panther, Crowe, Shroud, Sally Gamble, Carla Claw, Mad Cat Max, Hex, Patch, and Chester, and Caleb's gone there three times in the past and only once back in 1985 to get Mom out of there, and when I told Leela and Peace about it, they told me not to go, they knew if I went in, Caleb would follow, but I'd gotten far in my investigations into Claw Dane Drake back in 1990, 1991, 1992, and most of 1993 ever since getting into high school and following Caleb's death in 1985, so I couldn't turn back.

Allie Maxwell put the tape in, and it played on the big screen and it showed New York in 1997, it's been a week since Caleb's last attack. Allie Maxwell was walking the city streets along with Leela and Peace Salyers who finished their classes.

Past Allie Maxwell: It's been a week since the whole Fujishiro affair, and I'm glad Caleb got those two bastards off the streets.

Then, Allie got out an invite: apparently, she'd been invited to The Spotted Leopard by The Big Claw Gang.

Past Allie Maxwell: Getting an invite to The Spotted Leopard was something unexpected.

Past Leela Salyers: You shouldn't go there, Allie, that's the hangout of The Big Claw Gang, and that's specifically where Panther, Crowe, Shroud, Sally Gamble, Carla Claw, Mad Cat Max, Hex, Patch, and Chester are at.

Past Peace Salyers: And Nekome, Ichiro, and even the boss, Claw Dane Drake, himself, head there as well. It may be a popular nightclub, but it's the hangout of the most powerful gang in New York, the very gang who finally overthrew The Syndicate in 1993.

Past Allie Maxwell: I know, but I have to head there. I'd gotten far in my investigations into Claw Dane Drake back in 1990, 1991, 1992, and most of 1993 ever since getting into high school and following Caleb's death in 1985, so I can't turn back now. If Drake shows up, I'll be ready to run before Caleb gets here.

Allie Maxwell said her goodbyes and headed out to get ready for tonight. Hours later, night had fallen on New York, and Allie Maxwell headed for The Spotted Leopard. But, Drake Maxwell was heading there to finally kill her and The Big Claw Gang, but before he could, he was grabbed by a shadowy figure and dragged back into the darkness.

Past Allie Maxwell: This place may be the most popular place for teens, but Caleb also saw it as the hangout of The Big Claw Gang, and a training spot for new recruits. (Sighs) I don't have the same guns Caleb has, so I need to rely on speed and timing if Drake shows up.

Suddenly, Allie ran into Patch and Hex.

Past Hex: I'm surprised you made it here, Allie. I thought for sure you would run into Drake or Caleb.

Past Allie Maxwell: Sarah, you know I'm not afraid of Drake, he's no longer the monster who ruined Caleb's life, nor am I afraid of Caleb, my scary vengeance-driven blood-crazed older brother scarred by despair, pain, hatred, tragedy, and darkness.

Past Patch: Allie, we know you're not afraid of those two, but Drake's still an absolute monster even despite losing his easy criminal life and Caleb, well we knew what happened to him.

?: And Caleb wasn't going to let this go in the slightest, we knew he hadn't changed at all.

Then, Carla Claw came out.

Past Allie Maxwell: Carla. Wait a minute, usually, Panther would be with you, same with Mad Cat Max with Patch, and as much as it'd gross me out, Shroud with Hex.

Past Carla Claw: (Snickers) Good one. Nah, they're with Crowe and Chester on their next heist. Anyways, my father would like to speak with you, Allie.

Past Allie Maxwell: Okay.

Allie Maxwell followed Carla Claw to an office, and she went inside, and there she was face to face with Claw Dane Drake, the boss of The Big Claw Gang.

Past Claw Dane Drake: Allie Maxwell, so at long last, we meet. Please, sit.

Allie Maxwell sat down.

Past Claw Dane Drake: I've already seen that you've been hard at work investigating me ever since the day you saw me, and when your mother saw me after a few decades.

Past Allie Maxwell: Mom told me about you in the past, and how my brother, Caleb, ran into Carla, Panther, and Sally Gamble back in the past. I would've thought Caleb would let go of the pain that he carried in his heart back in the late 70s and during the 1980s, but I was wrong.

Past Claw Dane Drake: You shouldn't blame Caleb for that, it was Drake Maxwell who caused this from the beginning. He may have proven to be a violent individual, but here's the difference between us and The Syndicate: we kept our business in the shadows and kept our criminal activities secret whereas Drake was nothing more than a thug who ran rampant in the streets and causing so much trouble, it was bad for business. But, the sickest thing ever was what he did to your older brother, Caleb. He should've fought back against him, and showed him that he's the older brother not Drake.

Past Allie Maxwell: Caleb didn't fight, he was too nice, but Mom and I saw the pain in his eyes ever since middle school in the late 70s, and by the time Caleb was in his teens and in high school in the 80s, that pain only got worse and by the time he was in college, that pain left him with anger in his heart, but he kept it locked away in his heart. He feared if he let all of that anger out, he could take someone's life and he'd be no better than Drake. Looking back now, he should've told Mom about it, and because of his own silence and letting his own anger poison him, that led to his death at Drake's hand in 1985.

Past Claw Dane Drake: And his own future also fell into total ruin. Ever since the murders of Drake's bodyguards in 1985 on the last six days of Caleb's life, he'd been on a spiral of anger and depression and he would've killed some more of my soldiers if that stranger hadn't shown up on October 30th 1985.

Nico: Was he talking about...?!

Caleb Maxwell: Marcus Mackenzie, the vampire elder and former master of James Blunt.

?: YOU LITTLE SHIT!

?: DIE DRAKE!

BANG! SCREAM!

Suddenly, Carla Claw came in.

Past Carla Claw: Sir, we got trouble, Drake just got shot by Caleb right in the ass!

Past Allie Maxwell: He did what?!

They headed out, and they saw Drake Maxwell and he did indeed get shot in the ass literally by Caleb.

Past Allie Maxwell: (LAUGHING HYSTERICALLY) I always knew you'd wind up getting shot one day by Caleb, but not in the most humiliating way possible!

Past Drake Maxwell: When I get out of this, I'll rip your throat out for this, bitch!

BANG!

Suddenly, Drake turned around and saw Panther, Mad Cat Max, Shroud, Crowe, and Chester.

Past Crowe: Leave right now, Drake, or the next bullet will be through your heart.

Drake Maxwell was about to attack, but Caleb continued shooting at him like an animal out for blood and he ran off like the coward that he is as the video ends.

Nico: Well, that was pretty wild.

Allie Maxwell: I managed to find out that reason as to why Claw Dane Drake sent that invite, and Drake got caught by Caleb and shot in the butt before he was driven back to the alleys.

Lincoln: Still, with Caleb running loose and not showing any mercy to Drake again, Drake Maxwell could've been dead by then.

Cage Blunt: Sadly, that was due to some remaining contacts of his still running loose. But, I took care of them before Caleb could murder them, their blood may have tasted good, but those guys smell like the subway station and the alleys! Ugh!

Lola: Well, at least, they didn't smell like Lana!

Lana: What was that?!

Eli grabbed the two of them, and...!

KRABONK!

HE KNOCKED BOTH THEIR HEADS TOGETHER!

Lincoln: Thank you, Eli.

Lanaia: We should've done that long ago when those two get into an argument.

We got a shower, and then, Lincoln, Fem Sunstreaker, Street Urchin Cookie, Umi/Swap Uzi, Valerie/Swap V, Jackie/Swap J, Dina/Swap Doll, Laura/Swap Lizzy, Alison Techbelle, Bulma Techbelle, Nyannette Catbelle/Nekomimi A, and Nyanneena Catbelle/Nekomimi B are heading to Everbay Coast, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 20'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow

flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Fem Sunstreaker, Street Urchin Cookie, Umi/Swap Uzi, Valerie/Swap V, Jackie/Swap J, Dina/Swap Doll, Laura/Swap Lizzy, Alison Techbelle, Bulma Techbelle, Nyannette Catbelle/Nekomimi A, and Nyanneena Catbelle/Nekomimi B and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Fem Sunstreaker, Street Urchin Cookie, Umi/Swap Uzi, Valerie/Swap V, Jackie/Swap J, Dina/Swap Doll, Laura/Swap Lizzy, Alison Techbelle, Bulma Techbelle, Nyannette Catbelle/Nekomimi A, and Nyanneena Catbelle/Nekomimi B had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Street Urchin Cookie: Wow, we're here in Everbay Coast, it's so beautiful.

Lincoln: You said it, Street Urchin Cookie, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Fem Sunstreaker, Street Urchin Cookie, Umi/Swap Uzi, Valerie/Swap V, Jackie/Swap J, Dina/Swap Doll, Laura/Swap Lizzy, Alison Techbelle, Bulma Techbelle, Nyannette Catbelle/Nekomimi A, and Nyanneena CatbelleNekomimi B and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Fem Sunstreaker, Street Urchin Cookie, Umi/Swap Uzi, Valerie/Swap V, Jackie/Swap J, Dina/Swap Doll, Laura/Swap Lizzy, Alison Techbelle, Bulma Techbelle, Nyannette Catbelle/Nekomimi A, and Nyanneena Catbelle/Nekomimi B and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Fem Sunstreaker, Street Urchin Cookie, Umi/Swap Uzi, Valerie/Swap V, Jackie/Swap J, Dina/Swap Doll, Laura/Swap Lizzy, Alison Techbelle, Bulma Techbelle, Nyannette Catbelle/Nekomimi A, and Nyanneena CatbelleNekomimi B and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Fem Sunstreaker, Street Urchin Cookie, Umi/Swap Uzi, Valerie/Swap V, Jackie/Swap J, Dina/Swap Doll, Laura/Swap Lizzy, Alison Techbelle, Bulma Techbelle, Nyannette Catbelle/Nekomimi A, and Nyanneena Catbelle/Nekomimi B and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clone of Lord Volcandrake.

Anna Anyanova: Uh oh, is that...?!

Lincoln: A clone of Lord Volcandrake, Kaz's hypothetical Akuma.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Lord Volcandrake and he began absorbing him and assimilating Lord Volcandrake's intense fire powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Lord Volcandrake, and Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Fem Sunstreaker, Street Urchin Cookie, Umi/Swap Uzi, Valerie/Swap V, Jackie/Swap J, Dina/Swap Doll, Laura/Swap Lizzy, Alison Techbelle, Bulma Techbelle, Nyannette Catbelle/Nekomimi A, and Nyanneena Catbelle/Nekomimi B and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, and Fem Sunstreaker, Street Urchin Cookie, Umi/Swap Uzi, Valerie/Swap V, Jackie/Swap J, Dina/Swap Doll, Laura/Swap Lizzy, Alison Techbelle, Bulma Techbelle, Nyannette Catbelle/Nekomimi A, and Nyanneena Catbelle/Nekomimi B and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with

embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Fem Sunstreaker, Street Urchin Cookie, Umi/Swap Uzi, Valerie/Swap V, Jackie/Swap J, Dina/Swap Doll, Laura/Swap Lizzy, Alison Techbelle, Bulma Techbelle, Nyannette Catbelle/Nekomimi A, and Nyanneena Catbelle/Nekomimi B with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, Fem Sunstreaker, Street Urchin Cookie, Umi/Swap Uzi, Valerie/Swap V, Jackie/Swap J, Dina/Swap Doll, Laura/Swap Lizzy, Alison Techbelle, Bulma

Techbelle, Nyannette Catbelle/Nekomimi A, and Nyanneena Catbelle/Nekomimi B are in your harem, Linky.

Fem Sunstreaker, Street Urchin Cookie, Umi/Swap Uzi, Valerie/Swap V, Jackie/Swap J, Dina/Swap Doll, Laura/Swap Lizzy, Alison Techbelle, Bulma Techbelle, Nyannette Catbelle/Nekomimi A, and Nyanneena Catbelle/Nekomimi B showed the marks Lincoln made on the right sides of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Alecto Slytherin sent the clone of Lord Volcandrake, the hypothetical Akuma of Kaz after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into his chest, and I absorbed him and assimilated Lord Volcandrake's intense fire powers. Then, I sucked out every bit of energy from his soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely

powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were off to Lynn's Table.

Ice: (Scandinavian Accent) Have fun with Vanzilla.

Poromon: We will.

We left.

The mascots went to the garage and got into Vanzilla and they started it.

They were off.

Poromon: (Singing) I like driving in my car! (FART FART FART FART FART FART FART!) It's no kind of Jaguar! (FART FART FART FART FART FART FART!)

We got our table and our food.

Dana: Think they'll be ok?

Me: They'll be fine. They are here now.

We saw the van pull up.

The mascots got out.

Poromon: That was fun.

Poliwag: YEAH!

But then the van sputtered.

(CAR SPUTTERING) (LOUD FART)

And then...

LOUD CRASH!

VANZILLA FELL APART INTO A MILLION PIECES!

Me: Whoa!

We went out and saw Vanzilla REALLY broken into a million pieces.

Me: Whoa it really has been a long time since we used Vanzilla.

Lynn Sr. then bursted into tears!

HE WAS CRYING HYSTERICALLY!

Hook: May it rest in peace.

Lana then broke down crying too,

Lana and Lynn Sr. were crying hysterically.

Luna played taps on a trumpet.

Lori: Vanzilla literally was there for us.

Hook: What caused Vanzilla to fall apart like this?

Leni: It was totes horrible.

Lincoln: It broke down in the middle of a carwash.

Camie: Really?

Me: Oh yeah.

FLASHBACK - 2017

[At A car wash. Several drivers are angrily waiting for their turn.]

Driver #1: "Aw, come on, what's the holdup?!"

Driver #2: "I've been sitting here forever!"

[Vanzilla is inside the car wash, but unfortunately, the machines have gotten inside the vehicle, with the Louds getting brushed, sprayed with water, and covered completely in soap. Back to the present.]

FLASHBACK ENDS

Luna: [traumatized] "That was a long seven hours."

They revealed what happened.

Lori got badly burned from the scalding hot water from the car wash

Leni had her clothes all torn up

Luna accidentally drank a lot of soapy water to the point where she farts out bubbles

Luan had her braces busted off

Lynn had her ponytail torn off and her eyes badly irritated from the soap.

Lincoln was belching out lots of bubbles from drinking too much soapy water

Lucy was bleached from the soap

Laney had been scrubbed raw because of the scrubbers that she ended up getting a nasty scar on her back

Lana got so clean she hated it

Lola got chunks of her hair ripped out

Lisa got her glasses shattered and her fingers broken

Lily wasn't with them because she was at the library at the time

Lynn Sr. was mangled up by the scrubbers

Rita had her clothes shredded by the scrubbers.

Me: I'll never forget that. It took the combined powers of me, Sakura Haruno and Varie to get them out of there.

Nico: Holy shit!

Qin: Brutal!

Xenia: Harsh!

Ratchet: I can probably fix it up.

Ratchet tried his hardest. He fixed it up. But then...

CRASH!

It fell apart.

Patrick: Tartarsauce.

Ratchet: Well I did what I could do.

Poromon: We'll give it a burial.

Me: Yeah.

Lynn Sr.: (CRYING HYSTERICALLY)

Rita: Oh Lynn I know it hurts but it was time to get rid of the old van.

Me: Yeah Mr. Lynn. I don't know how long you had this van but it's time you got rid of the old Jalopy and move on.

Granny Smith: WHO ARE YOU CALLING A JALOPY!?

Me: I wasn't talking about you Granny Smith. I was referring to Vanzilla.

Granny Smith: Oh sorry J.D.

Aylene Applejack: Grandma Granny Smith really hates being called old. I still remember that.

Me: Yeah she does.

Lynn Sr.: (CRYING HYSTERICALLY!)

Me: I've never seen Mr. Lynn so broken up.

Lynn Sr. is literally in pieces, crying.

Mr. Grouse: Oh, puh-lease, he's such a drama queen. C'mon, Loud, drop the act!

[Lynn Sr. is crying while sucking his feet.]

SHEESH WHAT A BABY!

Mr. Grouse: Lynn come on it's time to give up the car

[Lynn Sr. continues weeping as he pours tears into his mouth.]

ENOUGH WITH THE WATER WORKS ALREADY!

Mr. Grouse: For Pete's sake, Lynn, suck it up!

[Lynn Sr.'s eyes inflate then squirt out tears.]

GEEZ!

Mr. Grouse: Lynn...

[Lynn Sr. is wailing, and pouring his tears like a fountain.]

Mr. Grouse: Lynn...

[Lynn Sr. is sobbing like a faucet.]

Me: Mr. Lynn for Pete's sake... have some dignity.

Poliwag pat him on his back with his tail.

Poliwag: There there.

Me: Geez and I thought Lou Gubrious and Lisa Simpson's Akuma were big crybabies.

Nico: No kidding. How long has Mr. Lynn had that van?

Me: Oh gosh I remember seeing it back when I first moved in back in 2016.

Rita: Lynn has had that van ever since his dad gave it to him. It was passed down from his grandfather before his dad.

Me: Wow.

Nico: And now, it's gone

Me: Yeah.

The Loud kids came and comforted their dad and Lana too,

Mr. Krabs: Boy I remember crying that much when I thought I lost me millionth dollar to Ol' Bluelip.

Lily: He was a giant bluelipped clam that I caught.

Me: Yikes.

Taro: That is rough.

Me: Yeah. Huh?

I saw a Mega Ninetales nuzzling his leg.

Me: Taro you have a friend with you. It's a Mega Ninetales.

Taro: Hey where did you come from?

Me: Cute little one.

Taro: Are you lost?

Me: I think it's one of Dark Gale's work.

Taro: Lets see.

He used telepathy and gasped!

Taro: This Mega Ninetales is my sister Kaya. She's a full fledge kitsune.

WE GASPED!

Me: WHOA! That is cool!

Nico: Wow!

Me: Lets help her then.

Taro: Kaya do you know me?

She used Will O Wisp on Horsea But she put her clone in front of her

The blue flames hit and blasted the clone.

Me: WHOA!

?: Lynn.

Me: What the?

We saw a wisp form into Vanzilla.

Me: (GASP) MR. LYNN LOOK!

Lynn Sr.: (GASP) Vanzilla!?

Vanzilla spirit: Thank you for giving me the best years ever. It's time for me to move on though. You should move on too. For me.

Lynn Sr.: (Sniffles) I will. (HUGS THE SPIRIT)

Vanzilla Spirit: Goodbye Lynn. I'll always be with you.

Vanzilla went up to car heaven.

Me: Wow!

Nico: Didn't expect that.

Me: Me neither.

Poromon:...what just happened?

Lucy Loud: It was a will-o-wisp. They are the spirits of those that passed.

Poromon: Oh!

Me: Yeah.

Xenia: Lets help Kaya though.

Me: Okay.

I snapped my fingers and she reverted back. She was a girl with red hair, red eyes, fox ears, fire angel wings, Mega Ninetales on her forehead and had the kitsune and donbrothers symbols on her arm as a cutie mark and had nine fire fox tails coming out of her butt.

We wrapped her in a blanket and took her inside. Our food was ready.

She woke up to see Horsea's smiling face.

Kaya: (Groans) Huh? A Horsea?

Horsea: You hit my clone!

Maria picked her up.

Kaya: What smells so delicious?

Lincoln: You're in my dad's restaurant Lynn's Table.

Me: We got you some food too.

Kaya: Oh thank you.

Taro: Are you okay sis?

Kaya: (GASP) Taro!

She hugged him.

Kaya: Glad you're okay.

Taro: Me too.

Me: You were turned into a Mega Ninetales by Dark Gale.

Kaya: Oh man. I was battling this Pink Hitotsuki when that happened.

Me: That was Jo turned into Kijinoki.

Sononi: She was busted out of the Noto Prison by Anti-Monitor earlier.

Me: Yeah.

Kaya: Oh man. That was crazy.

Me: We just battled her recently.

Taro: It's true.

Lyra Heartstrings: Yeah we sure did. Also we battled all the Hitotsuki's back in 2023 and it was amazing.

Me: We lived all the Donbrothers adventures and it was awesome as we battled all the Hitotsuki one by one.

Nico: Every last one.

Kaya: Oh wow. What about the Noto Council?

Sonoi: They are gone too.

Me: In the M.O.E. Actually.

Qin: yeah.

Lyra Heartstrings: It served as both a warmup for my ambassador missions and to get ready for them too.

Sononi: It sure was.

Lola: Yeah that was so awesome!

Kaya: I can see you had a lot of fun.

Me: We did.

Poromon: What ranger color are you?

Kaya: I am the Orange Donbrother and I go as Don Kitsuneflame.

Me: Fitting for you as Mega Ninetales and as that.

Kaya: It sure is.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her red and orange clothes and a fire sword and Taro gave her a Donbrothers morpher.

Kaya: I look great.

Me: You sure do.

Flywheels: So, car heaven huh?

Me: Yep.

Lynn Sr.: That's right.

Poromon: At least we have Vanzilla 2.0.

Me: Yep.

We ate a good meal and later paid for it and went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Poromon put a grave.

(FUNERAL BELL TOLLS)

RIP Vanzilla

A true vehicle to the end

Me: Never be forgotten.

Laney: Yep.

Qin: Sorry guys.

Laney: It's okay.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa,

Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Hawk and Hank, the meathead buttfaces of Hazeltucky, and they've finally come out into the open and they are now completely out of their minds! When we saw it, we knew it meant trouble.

Lincoln: So, you two murderous buttface meatheads have finally shown yourselves at last.

Lincoln had a deathly serious look in his eyes!

Me: They're finally out!

Nico: Our least favorite meathead buttfaces.

Eli: It's time.

Lincoln: Now, I can get payback for Cillia Cyberdark's murder all those years ago.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Hawk and Hank, the meathead buttfaces of Hazeltucky, and they've finally come out into the open and they are now completely out of their minds!

EVERYONE GASPED!

Nebula Lanaia: Those two buttface meatheads from Hazeltucky who are responsible for destroying Halloween in Royal Woods in 2016, the murder of Cillia Cyberdark, and for all of the horrendous acts they committed against you, Lincoln?

Lincoln: Yes.

Dana: (GULPS) And he's seriously out for blood. Lincoln's got that serious look in his eyes when he went after Killjoy Huggins for Kaara Koaki Meiru's murder and for Lorelai Symphonia Arendelle's murder.

Nebula Lanaia: And that look in his eyes means blood's about to be spilled once again.

Lincoln: And that's not all, I'm going to show everyone in Hazeltucky that Hawk and Hank were and always will be heartless brutes.

Suddenly, Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window, and it showed Hawk and Hank fuming with rage, but then, they were groaning in pain, and then, we saw the barbell tattoos on their backs glow read, but this time, it had flames surrounding them.

Me: What's that?!

Lincoln: (Smirks) Phase 2 of my specially enhanced Min's Egyptian Virility Drain Curse.

Suddenly, we saw Hawk and Hank growl in pain as hot fire coursed through their veins that started glowing red, and then, they fell to their knees and their muscles: both upper and lower body and nether regions started re-growing again to enormous proportions and they also gained regained their twelve-pack abs and massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, and their pants were left as tattered shorts yet again, but then, they suddenly grew into gigantic 150'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

The viewing window closes.

Lincoln: This is what I call Phase 2 of my specially enhanced Min's Egyptian Virility Drain Curse, now I'm going to permanently suck out their extremely massive muscle mass, extremely massive levels of virility, extremely massive levels of testosterone, and extremely massive levels of massive physical upper body and lower body strength.

Me: Render them weak, then we trash them. Perfect.

Nico: A perfect dose of karma times infinity. Alright, team, let's get to Hazeltucky, this is where we finally get rid of those buttheads, Hawk and Hank, once and for all!

Lincoln: Hazeltucky's going to run red with the blood of those two brutes, this is where I get justice for Cillia Cyberdark's murder!

Nico: Right. I forgot about her death

Me: I haven't.

Qin: Me neither.

The previous group came.

10,000 Volt Ghost: Can me, Spymaster, Samon Shakekisutanchin, Hank Scorpio, Dayu, Salami Swami, Kerbero Gangan, Zavok, and SkullMeramon go with you guys?

Nico: Yes you all can come.

Qin: Yeah.

Lola: Yep.

Wind Man: Nico, which gene-slammer do you think you'll meet next?

Nico: Earth Elemental next from Magic the Gathering.

Lola: Wow!

Qin: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa,

Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Malacath, Daedric Prince and Patron God of The Orcs from The Elder Scrolls, and he's come back for revenge on us again. When we saw it, we knew it meant trouble.

Lincoln: Oh God, speaking of brutes, we got big trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Malacath, Daedric Prince and Patron God of The Orcs from The Elder Scrolls, and he's come back for revenge on us again.

Lorelai Leviathan: This must be what Logan meant, he and the others were the ones who brought the evil Daedric Princes, the ones you absorbed last year, back from the dead, Lincoln. Well, looks like we'll be taking care of another brute.

Lincoln: After we get rid of those two brutes from Hazeltucky.

Nico: I hope this also sends a warning to the other villainous Daedric Princes. Alright, team, let's go, this is the final time we ever have to deal with Hawk and Hank.

Lincoln: Royal Woods and Gotham Royal York's rage and fury will send those two buttfaces straight to The Black Abyss for good, and once we get done with them, you're next, Malacath, Daedric Prince and Patron God of The Orcs.

Lorelai Leviathan: So, my brother and his other goons were the ones responsible for this, this is unforgiveable.

Malacath, you're dead.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Hazeltucky to destroy Hawk and Hank and send them to The Black Abyss once and for all, and once we get rid of those buttfaces, Lorelai Leviathan and Lincoln are going to destroy Malacath and send him to The Black Abyss after Lincoln absorbs him.

We were off.

We arrived.

Me: Here we are. Hazeltuckey.

Nico: The rival city of Royal Woods before it became Gotham Royal York.

Xenia: Yep.

Spymaster: Lets call Skinner.

Me: Good idea.

We did so.

Skinner: I'm writting all your names on the detention list in my mind.

Me: Skinner we're not in school anymore.

Skinner: Sorry force of habit.

Livewire: Let's get Kinnikuman in on this

Me: Good idea.

Qin: Yeah!

Nico: Awesome!

Ice: And I know Dana is going to become like me for this.

Dana: Awesome idea too.

Dana then fired a beam of ice and entombed herself in ice and then it glowed and Dana came out as DANA ICE!

Dana was ready for fun!

Skinner: I actually missed this. Punishing troublemaking delinquints.

Hank Scorpio: I can see that.

Bart: He missed punishing people like me too.

Skinner: (LAUGHS) Yeah you're right Bart.

Nico: (LAUGHS) Yeah good times.

Bart: Yeah especially for pulling Homer's pants down and showing Homer's butt to the world.

Homer: WHY YOU LITTLE!?

Homer Stangled Bart

Ren Krawler: Ah, good memories.

Linehalt: You said it

Lily tazed Homer and he let go.

Me: Yeah.

Bart: Ow. Besides we dealt with jerks like these before. Look at Homer. He is one.

Homer: CHOKE ON YOUR CANDER!

HE STRANGLED BART AGAIN!

Lincoln fired waves of lightning and electrocuted Homer.

He let go of Bart but was badly burned.

Lincoln: Sorry Homer.

Homer: Aw it's okay. I just missed doing that to Bart.

Salami Swami: Anyone want Salami?

Me: We just got finished with lunch about half an hour ago.

Lynn Sr.: Yeah. (Stomach growls) Oh man I haven't eaten.

Salami Swami: Okay. Whoa Lynn are you alright? You look like you were crying.

Me: Oh Salami Swami can I tell you?

I beckoned him.

Me: (Whispers) He lost Vanzilla today. The mascots went to Lynn's Table with it and it shattered into a million pieces and was completely totaled.

Salami Swami: Oh no.

Chompy Mage: And we learned that car heaven exists.

Lightning McQueen: Yeah it does. It's a crazy story.

Varie: Yeah.

Zavok: May Vanzilla rest in peace

Me: Mr. Lynn has had Vanzilla for a long time.

Lori: Dad literally has.

Lucille Loud: (Scottish Accent) Aye. Our dad has been like that too now.

Me: I know they didn't have cars back in the 17th century in Scotland. They must've used carriages and horseback riding too.

Lucille Loud: Aye that's true lad. We got around all the time back then now.

Lincoln: Yeah. It's true.

Me: Was your dad the same way too Lucille? Did he have a carriage like Vanzilla?

Lucille: Aye. He had a carriage called Carriage McLoud.

Me: Wow. Runs in the family even after 403 years.

Qin: Amazing.

Merida: (Scottish Accent) Been the same for us too now. But it was mostly Horseback lads.

Me: I can see that.

Camie: What year does Brave take place?

Me: Some between the 9th to 12th centuries.

Laney: So sometime during the Crusades.

Nico: Yeah.

Me: Wow.

Poromon: I made a grave.

Zavok: Oh man. That is sad.

Nico: Yeah.

But then...

SLASH!

An icicle slashed Lori across her arm and she screamed in pain!

Lori: (SCREAM)

Me: WHOA!

Lori had blood coming down her arm.

Me: What the?

I saw the icicle.

Me: An Icicle in the middle of Summer?

Nico: Where did that come from?

Lincoln: I think I know! From Dana's Akuma, FairyCryo! The Hypothetical Akuma of Dana and a master of ice and cold and snow and she is a deadly and ruthless fairy with a heart as cold as ice. She was made because of the treatment Lori gave her brother and vowed to kill her.

WE GASPED!

He showed a sketch of her and she looked like a snowflake fairy.

Larry Koopa: That's cold!

Elsa: I would get along great with her.

Me: Another ice cold Akuma.

Nico: I know.

Varie got Lori's arm healed up.

Varie: There you go.

Lori: Thanks Varie.

Varie: You're welcome.

Nico: Wait I see her.

We saw a big snowflake with a fairy. It was FAIRYCRYO!

FairyCryo: (Menacing Tone) I will kill you for what you did to a sweet guy like Lincoln!

Me: WHOA! You need to chill out! No pun intended.

FairyCryo: Maybe you can die with her!

I fired waves of fire and blasted her!

Me: I don't die easily!

Taskmaster: Dana? Is that you?

FairyCryo: Of course it's me! You got a problem with that!?

Me: Actually we do. When you are like this you are not yourself.

Dana: I would never be this cruel.

Me: Yeah you're starting to sound like FlutterCruel is and it makes me want to get into a pissing contest with you!

FairyCryo: Oh yeah!? Maybe I should kill you here and be done with it for defending that bitch Lori!

Me: Hey! She is not like that anymore! Dark Chase Young was to blame for all that!

FairyCryo: I don't care! Now move so I can kill her!

Me: No!

FairyCryo: What the fuck did you say to me!?

Me: You heard me! I am not going to move. You touch her and I will burn you!

FairyCryo: You wouldn't dare!

Me: Try me!

Skinner: You need to calm down!

Homer: Yeah what he said!

FairyCryo: SHUT UP FATSO!

Homer: WHY YOU LITTLE!?

He strangled her!

I used my magic and got him off her.

Me: Homer let us do the talking.

Homer: Oh right.

I fired waves of fire and blasted FairyCryo!

Me: Jeez and I thought Ice Angel of Lost Galaxy had a nasty disposition!

Skinner charged at her and knocked her down.

She got up.

FairyCryo: My turn!

She threw sharp icicles and I flared up my fire aura and evaporated them.

I fired waves of energy and fire and blasted her and we sealed her into the Book of Vile Darkness!

Me: Whew!

Dana: I feel so disgustingly violated!

She grabbed her tongue and poured soap on it and washed her mouth with a toothbrush!

Me: YUCK!

King Stefan: Violated?

Me: Like her Akuma made her feel like somebody she is not.

Qin: Yeah.

King Stefan: Oh I see.

Me: Yeah.

We heard the malevolent laughter of Hawk and Hank and they were smashing and wrecking all of the homes and all of Hazeltucky!

Me: Now, they've finally done it, now they've gone too far.

Lincoln: Time to end their act.

Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a massive viewing window for all of Hazeltucky to see and they saw every last one of Hawk and Hank's crimes: the destruction of Halloween in Royal Woods back in 2016, the murder of Cillia Cyberdark, and finally, all of the horrendous acts they committed against Lincoln.

When all of Hazeltucky saw it, they went mad with rage!

Hazeltucky Citizen: I CAN'T BELIEVE THOSE TWO! SO, ALL THIS TIME, THEIR INNOCENCE WAS ALL A FAKE! THAT'S IT! EVERYONE, LET'S GET THEM!

The citizens of Hazeltucky formed an angry mob and were joined by all of Gotham Royal York who also formed an angry mob.

Nico: When did all of Gotham Royal York form into an angry mob?

Anna Anyanova: We did that as soon as Lincoln's premonition came.

Lincoln: And they too were tired of what those two brutes have done. Now, let's get going before they try to make a break for it.

Suddenly, the spirits of The Loud Family and all of Royal Woods appeared and they attacked Hawk and Hank with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and landed, and it pissed off Hawk and Hank!

Me: Hello, meatheads, long time no punch!

POW!

I PUNCHED HAWK AND HANK IN THE STOMACH!

Hawk: You little! We're gonna squash you like the bug that you are!

Hank: And all you Royal Woods assholes are going to die with him! HAZELTUCKY RULES!

SLASH!

LINCOLN SLASHED THEM IN THE CHEEK WITH HIS GOLD-ARMORED DRAGON CLAWS!

SkullMeramon: "Long time no punch"? They intrude in our rescues every day!

Me: Not physically but through magical purposes.

Lincoln: (Deathly calm voice) Stop talking right now. You two brutes still make me sick as ever, you destroyed Halloween in Royal Woods back in 2016, you committed tons of horrible acts against me, my family, my friends, all of Gotham Royal York's citizens, and against all of Hazeltucky, and you also crossed The Moral Event Horizon when you murdered Cillia Cyberdark, one of my Guardian Angels! It's now all too clear that you two were never ever going to be rehabilitated! Fine, you want to be treated like the filthy animals that you are, as you wish!

Suddenly, the red barbell surrounded by flames on Hawk and Hank's backs glowed even more!

Hank: OUCH! Why are these tattoos burning us?!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the massive pecs, legs, arms, and backs of Hawk and Hank and he began sucking out their extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

At the same time, Hawk and Hank began shrinking in height and muscle mass as their newly regained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, Hawk and Hank were back to their normal height and were sucked dry of their newly regained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone and were thin as rakes and the barbell tattoos disappeared, and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

Hawk: W-what did you do to us?! We're now...weakling nerds!

Lincoln: That was nothing. For months, I've done that to you thanks to my curse and I increased my curse's strength ever since Cillia Cyberdark's return, but since this is the final time we're gonna be dealing with you two, I decided to do that one last time and suck you both permanently dry of your newly regained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone. They stopped and came back.

Nico: Oh sorry.

Samon Shakekisutanchin: Have some Salmon!

He shoved Salmon down their throats.

Nico: Nice!

Me: Hey jerks! REMEMBER THIS!?

I become a hideously gruesome and horrific monstrosity loaded with blood, guts, body parts, tentacles and more. I was a fusion of every single horrific monster from the movie THE THING! The monsters were from the 1982 and 2011 movies and the 2002 Video Game. Lightning flashed behind the monstrosity and flames from the Netherworld flickered around it and it scared the stinkers so bad that it made them soil their pants 3 times!

Nico: WHAT THE FUCKING HELL!?

Kate Lloyd: WHOA MAN! That was really fucking good!

Poromon: Yay!

THEY RAN BUT THERE WAS A FORCE FIELD THAT BLOCKED THEIR PATH!

I reverted back.

Me: Back in 2016 we scared the shit out of you!

Ymir: THAT WAS FRIGHTENING!

Me: So was this! Hit it Luna!

I FORMED A MASSIVE CORN MAZE OF HORRORS!

[Luna is playing on her organ]

Luna:

"When darkness falls on the house of Loud

Around every corner, new terror abounds

You don't want to lose your head! Ha ha ha!"

You can run, but you can't hide

They know that you taste better alive
I don't think that they've been fed
In a long, long time
Every corner, every floor
Watch out, they ain't herbivores
Ghastly ghouls out for blood
Sorry, bud
You got tricked
You got tricked
You got punked and pranked with a spooky twist
Before you wet your pants, better get out quick
Tricked, tricked, tricked
You got...tricked
Beware of fangs and bloody fur
A Loud House chainsaw massacre
There's no chance that you'll get out
Ghosts writing your eulogy
Heads are rolling literally
So, who needs their mommy now?
Spilling guts on the floor

Clean up on aisle four

Why you running off so soon?

Sorry dude

You got tricked

You got tricked

You got punked and pranked with a spooky twist

Before you wet your pants, better get out quick

Tricked, tricked, tricked

You got...tricked

[During the montage, the Loud Sisters scare the stinkers with everything they throw at them. Luan brings Mr. Coconuts to life, Lisa and Lily act rabid, Lori acts like she's been feasting on Rita, Lynn turns on her chainsaw, Lola appears like a corpse, Lana acts as her ghost, Leni walks around blindly under her dress with Geo rolling in his ball with the fake head still on, Laney was stirring a monster filled pot and cackled like a real witch, Varie was in her dark side mermaid form and she terrified the stinkers by snarling and hissing and spraying the stinkers with water that smelled really horrible, I had my eyes covered by my hair and I start to change. I become a hideously gruesome and horrific monstrosity loaded with blood, guts, body parts, tentacles and more. I was a fusion of every single horrific monster from the movie THE THING! The monsters were from the 1982 and 2011 movies and the 2002 Video Game. Lightning flashed behind the monstrosity and flames from the Netherworld flickered around it and it scared the stinkers so bad that it made them soil their pants 3 times, and everything else in the maze terrifies them to the point where the sounds of their screams catches the attention of everyone in the town and their screams and the stinkers run into Lucy who is blocking the exit]

Lucy: "The crimes you have committed this night shan't go unpunished. You reap what you sow."

[She slashes a rope with her scythe, dumping a bucket of blood on them, making them scream]

Hank: "Blood!"

Hawk: "I'm gonna puke!"

Hank: "If you're gonna puke, I'm gonna puke!"

A tentacle with a scary flesh flower covered in blood and slime appears in front of their faces and tentacles come out and slap their faces and the stinkers vomited all over the ground.

[As they run out screaming, Lucy gives a small smile of satisfaction]

Poliwag: That was fun!

Lynn Sr.: WOW! That was intense! I can't believe I missed that on Halloween!

Xenia: Yeah!

Taro and Kaya: AVATAR KITSUNE FLAMEBLAST!

They fired waves of intense fire and blasted them down.

Me: AWESOME! Now for the fun part! Taro, guys you are going to love this! (SNAPS FINGERS)

Out came a massive and powerful tank with a powerful laser cannon!

Me: Say hello to the Donbrothers Legacy Avatar Cannontank! This uses the powers of all the gears of Donbrothers from over the course of 50 years and fires all their powers as a deadly concentrated super blast.

Nico: WHOA! That is cool!

Taro: Awesome!

Haruka: It's a tank!

Sonoza: (to Hank and Hawk) You both are screwed now!

Nico: Lets test it out!

They concentrated and reigned in the powers of their Pokemon forms and they transformed and blasted the jerks all over!

Lincoln went wild on Hawk and Hank as he punched, kicked, and slashed at them like a wild beast, and he left scars on them.

Then, Lincoln held out his left hand and fired ten massive balls of fire at Hawk and Hank, and they collided and exploded as they hit them, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik

Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT HAWK AND HANK AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT THEM AND THEY GOT BURNED!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF HAWK AND HANK

TO NO END! NOW, THE BATTLE TO FOREVER END THE TERROR OF HAWK AND HANK WAS ON!

Lincoln, Dana, Nico, and I and the rest of us went after Hawk and Hank and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Hawk and Hank, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Becky, Nico, and I and the rest of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this really pissed Hawk and Hank off even more, and we also shattered The Monitor Orbs on their foreheads and we not only gained a massive power boost, but those two wound up in serious pain.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Hawk and Hank and we all found ourselves not only in Heaven, but also, in space.

Lincoln did one final powerful energy slash that hit Malacath hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Malacath was on his last legs.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Malacath and he began absorbing him and assimilated Malacath's Super Strength, Nigh-Invulnerability absorbed by his True Invulnerability, Broadsword-mastery, Axe-mastery, Warhammer-mastery, Sword-mastery, Immortality, Luck manipulation, Fear-Inducement, and Semi-Emotional manipulation, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Malacath and he also sucked out all the energy remaining in his soul and he was sent to The Black Abyss and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Lorelai Leviathan's new body, clothes, weapons, jewelry, Third Eye, 100 massive and long black wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded red gems behind the gold rings behind her head, one-hundred large black and red planets orbiting around her legs, one-hundred smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Lorelai Leviathan: It's over for you, Malacath, and to this we say good riddance. Thanks for helping me get rid of Malacath, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Lorelai.

Me and Nico: Our pleasure, Lorelai.

Suddenly, Lorelai Leviathan wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lorelai Leviathan's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Lorelai Leviathan sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lorelai Leviathan: And that's it for my brother's contingency plan, but his other cronies are still out there.

Me: That's for sure, but we'll take care of them as well and piss off Alecto Slytherin even more. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Sapphire,

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Sapphire.

Catherine Diamantis: There's only one person who matches this: Sarah Sapphire, Avatar and Gene-Slammer of Gem-Knight Sapphire, and you guys are going to love meeting her, Sarah Sapphire, Avatar and Gene-Slammer of Gem-Knight Sapphire, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of sapphire gems and crystals. She's known as The Sapphire Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Sarah Sapphire came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of sapphire gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of sapphire gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Sarah's parents and her little sister, Serena, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: Oh man...! So, you weren't the only one who lost your parents and little sister to Zarya Kendrick.

Lincoln: Yep, Sarah lost her parents, and her sister, Serena, when Zarya Kendrick killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She doesn't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Killer Croc: Hawk's head tasted yummy.

Xigbar: I bet he did.

Baron Mordo: Those are two threats from Royal Woods down.

Me: Yep.

Koragg: The question is, what will be the High Mage's fate?

Deadpool:...there are some things we're better off not knowing.

Turtle: You're probably right

Nico: That's another one of Lincoln's guardian angels and his enemies dead.

Me: Yep.

Nico: Yep. Great job today everyone.

Lynn: (To the viewers) And good riddance to bad rubbish.

Me: Yep.

We went to Lynn's Table to celebrate

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Hawk and Hank are finally gone!

Anna Anyanova: That's for sure. Those two finally got what they deserved.

Cillia Cyberdark: And we exposed their crimes and their act to all of Hazeltucky, now that's what I call karma.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Time Card, but tomorrow, I got a feeling we're going to take on the dark version of The Power Card, this thing was really strong and really gave Sakura a tough time along with causing trouble at the zoo at Readington, but she took it down in a tug-o-war and captured it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on.

THE END

Another awesome chapter done.

See you all next time.

REVENGE OF THE BAGRA ARMY

Piper's day to shine

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw two planets: one was a black and red horror planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male vampire angels who were not only natural born fighters and night hunters, but had powers over powers over blood, darkness, and have all of the powers of the vampires times infinity, and the ability to grow even stronger and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, no one would dare set foot there because their blood is infinite-times more potent than a regular vampire's and if they get bit they would be like them forever, but they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Then, Lincoln saw the next planet: it was a scary forest horror planet only lit by the full moon and its Sun in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male werewolf angels who were not only natural born fighters and night hunters, but had powers over powers over blood, darkness, and have all of the powers of the werewolves times infinity, and the ability to grow even stronger and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, no one would dare set foot there because their blood is infinite-times more potent than a regular werewolf's and if they get bit they would be like them forever, but they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Two more planets in The Forbidden Zone, but they're planets of supernatural horror times infinity, the first planet you saw is Vampiraira, a scary black and red planet of blood and vampires in The Forbidden Zone that was inhabited by powerful vampire angels called The Vampirairans, the males were not only natural born fighters, but had powers over blood, darkness, and have the powers of the vampires times infinity, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Vampirairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Whoa, Lucy and the other Goths of Darkness would love it there. And the second?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) The second planet is Werewolfaira, a scary forest horror planet of blood and werewolves only lit by the full moon and its Sun in The Forbidden Zone that was inhabited by powerful werewolf angels called The Werewolfairans, the males were not only natural born fighters, but had powers over blood, darkness, and have the powers of the werewolves times infinity, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Werewolfairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: That's scary.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) And no one would set foot on Werewolfaira not unless you want to be ripped apart and devoured, but if you survive by getting bit, you'd get turned into a Werewolfairan yourself and their Werewolfairan blood is infinite-times more potent than a regular werewolf's and when you get bit and turned into a Werewolfairan, you remain one...(DRAMATIC ECHOING VOICE) FOREVER!

Lincoln: And the same goes for Vampiraria?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Exactly, and a Vampirairan's blood is also infinite-times more potent than a regular vampires, and if you get bit by a Vampirairan, you remain a Vampirairan...(DRAMATIC ECHOING VOICE) FOREVER! No cure has ever existed for those bit by a Werewolfairan and Vampirairan.

Lincoln: Wow.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off first to Planet Werewolfaira once inhabited by The Werewolfairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Moon and The Sun is infinite-times hotter and brighter than The Sun and the amount of solar and lunar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city and it was a scary forest planet.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Werewolfaira, this place is just like many werewolf movies we've seen.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Werewolfaira and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a dark blue gem surrounded by werewolves and angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of dark blue souls came out numbering in the septillions: they were the septillions of souls of the ancient male werewolf angels of Planet Werewolfaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male werewolf angels of Planet Werewolfaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over all forms of blood, darkness, bestial rage, the full moon, the powers of the werewolves times infinity, and the ability to grow even stronger, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and dark blue aura with werewolves and the full moon surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over blood, darkness, bestial rage, the full moon, the powers of the werewolves times infinity, and the ability to grow even stronger and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Werewolfaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Werewolfaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Werewolfaira's Sun and Moon and he sucked them in and absorbed them into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male werewolf angels of Planet Werewolfaira have merged with me, and I also absorbed their planet's core, Sun, Moon, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) We're not done yet. Now, it's off to Planet Vampiraira.

Then, Lincoln headed to Planet Vampiraira once inhabited by The Vampirairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Moon and The Sun is infinite-times hotter and brighter than The Sun and the amount of solar and lunar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city and it was a scary planet of blood and vampires.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Vampiraira, this place is just like many vampire movies we've seen.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Vampiraira and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a blood red gem surrounded by werewolves and angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of blood red souls came out numbering in the septillions: they were the septillions of souls of the ancient male vampire angels of Planet Vampiraira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male vampire angels of Planet Vampiraira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over all forms of blood, darkness, blood rage, the powers of the vampires times infinity, and the ability to grow even stronger, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blood red aura with vampire bats and drops of blood surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over blood, darkness, blood rage, the powers of the vampires times infinity, and the ability to grow even stronger and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Vampiraira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger.

Then, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa, since when did he get this much more wild?!

Then, he kissed all of them passionately on the lips, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate?!

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow along with how you became that much more wild and passionate.

Lincoln: I will. (Smirks Seductively) Now, then.

We were literally stunned, amazed, and struck with total awe at Lincoln's brand-new evolution, and when the girls in Lincoln's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing just how much hotter and sexier their hulking wolf hunk of a future husband has become.

Me: OH MAN! Lincoln, h-he's...! He's...!

Nico: He's evolved even further!

Loud Family: UNREAL! So incredible!

Girl Jordan: (Swooning) My God! As if Linky couldn't get more hotter and more handsome and sexier.

Lily the Mermaid: (Swooning) He just proved us wrong, now our hulking wolf hunk of a husband has become even more hotter, more handsome, and even more seductive and sexier than ever.

Paige: That explains what happened...!

Yes, you're right, Paige.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) When Lincoln absorbed Planets Werewolfaira and Vampiraira along with the souls of the male Werewolfairans and Vampirairans and their planets' Suns and Moons into his body, Lincoln evolved from a True Alpha Werewolf-Vampire-Cyborg Hybrid into a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid, and he'd also gained another extreme increase in his already infinite and abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects. Werewolfairans are also very strong sexual beasts same with Vampirairans, but infinitely times stronger than a regular werewolf and regular vampire.

Nicole: That explains why the barrier in Lincoln's room was even more stronger than ever last night.

Lincoln holstered his massive greatsword on his back and powered down and his new body, clothes, jewelry, Third Eye, larger brown wolf ears, 999,999,999,999,999,999,999,999,999,999 massive and longer brown wolf tails, large gold halo and large Yata no Kagami mirror with sun ring-shaped frame with embedded gems behind the large gold halo behind his head and four large orbiting gold rings on each corner with four large Yata no Kagami mirrors with sun ring-shaped frames with embedded gems on each corner behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999,999 large planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999 smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized planets orbiting around his wrists and ankles and enormous white angel wings and

999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings are permanent.

Lincoln: That was definitely what I call a rush of power.

Luna: No kidding.

Nebula Lanaia: Plus, you now have a thick brown goatee under your chin, and with the facial stubble on your jawline, that's even more hotter and manlier than ever.

Lynn Sr.: She's right, champ. I couldn't even grow a beard or a goatee for years.

Lori: You'll literally need to get your tuxedo fixed again, Lincoln, now that you're 30'11" in height. (Smirks) And I hope it show off your now even more massive hulking upper and lower body muscles and twelve-pack abs to your harem since they can't keep their hands off you.

Anna Anyanova: (Embarrassed) Lori...!

Luna: Well, she's right about that, Anna.

Lanaia made a massive mirror and Lincoln saw himself.

Lincoln: Whoa! I can't believe it, I evolved even more and I grew even taller, and even more muscular and stronger than ever. Plus, I now have a thick brown goatee under my chin and I still have the facial stubble on my jawline, but that works out fine along with the hair on my fur-covered forearms and the chest hair on my tan-fur covered pecs. (Flexes his massive arms and his massive biceps bulged even more with more veins forming) This is still really incredible. (Smirks) I can't wait to break Alecto's head open when we finally get after that jerk.

Piper woke up to see Vulpix staring at her

Vulpix: Morning Piper!

Piper: Oh morning Vulpix.

Vulpix: Time for breakfast!

Piper: Oh be right there.

She went and got dressed and went to the table and we were having pancakes and steak and eggs.

Me: Morning Piper.

Piper: Morning guys.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was King Drasil, and he's on File Island.

Lincoln: Actually, scratch that, I just found someone I can test this newly evolved form on!

Nico: Oh man, that's King Drasil!

Marcus Damon: He's another of our enemies other than Kurata, but he at least has honor and is not like that genocidal lunatic.

Me: So, he's going to be put in The M.O.E.

Lincoln: But, he's not going down without a fight, so we're gonna need to take him down and out before we send him to Vypra. Alright, now let's finish breakfast and head over to File Island.

Nico: Right.

We finished breakfast, and we headed out to File Island to help Cayenne unlock her Rainbow Power and take down King Drasil and send him to The M.O.E.

Camie: It sure is.

Qin: You got that right.

Lana: I'm excited for this.

Nico: Me too.

Me: This will be fun.

Lana: I'll say! Especially when I get to eat my akuma.

Some of us got green around the gills from that remark.

Qin: Sick!

Nico: Swampfire, I want to thank you, Mad Treant, and your teams for coming

Swampfire: No problem Nico. This is gonna be awesome and fun.

Ymir: What is it like on the planet Methanos?

Swampfire: It's a swamp planet full of poisonous air and it's why we smell bad. Also we live in plant homes and like swimming in the swamp muck. It's fun.

Ymir: I see.

Me: We've been in many kinds of inhospitible environments before though.

Snorlax was being carried by a hoverbed built for the heaviest of Pokemon.

He was snoring.

Snorlax: (SNORING)

Nico: Snorlax, who in particular do you belong to?

Snorlax: (Snoring) Huh? Oh I belong to Beth Loud of the Loud Rabbits. (Snoring)

Beth Loud was snoring as she was sleeping on Snorlax's massive belly.

Beth Loud: (Snoring) Huh? Yeah we love to sleep.

Nico: Good to know.

Qin: Yeah.

Lola: Boy we sure have a lot of sleepyheads.

Varie: We sure do.

Ash: I know.

Me: Lincoln how do you feel about not having to deal with those asshole meatheads Hawk and Hank anymore?

Lincoln: Pretty good.

Nico: I know how you like punishing them on rescues. But it's time to move on

Lincoln: You're right. Now that they are gone we never have to see them again.

Me: I know. Just a few minutes ago we started receiving fruit baskets with apology notes up the ass!

Jared: (Eating Fruit) Full of really good fruit too.

Nico: We accept their apologies.

Me: Awesome.

Qin: Yeah.

Poromon: Those pranks we did on them were really funny!

Camie: And J.D. turning into the Thing like that was epic!

Ymir: And how you guys scared them like on Halloween back then was amazing!

Kate Lloyd: That was so fun!

Tsuyoshi: That tank you made counts as a vehicle, right?

Me: It does.

Tsuyoshi: That is cool!

Taro: That tank you guys made was really awesome!

Cybertron Scattershot: Boy it sure was! That was the most awesome ever!

Me: Glad you guys liked it. But you thought that was fun, many more to show you guys later on.

Nico: Nice!

Me: Just wait till you see what I have in store for the Kiramagers shortly.

Stewie: I want to ride in it! I want to see if me and Brian can use it to destroy an unwanted store again.

Taro: Stewie, I think it's best if the tank is used for villains like Zedd. If you want a tank, you can ride in Brawl.

Brawl: He's right. I'm always available to do that.

Stewie: That works just fine too.

Brawl: Thanks.

Meg: They blew up a supermarket in Quahog long ago and it was awesome.

Me: I can tell.

Lola: Yep.

Brawl: But I'm always up for that.

Qin: Yeah.

2003 Donnie: It's safe to say the the upcoming monsters probably lost their human minds

Me: We'll be ready in case they come.

Qin: Yeah.

Ed: I'll go Edzilla to smash them

Eddy: Whatever works for you lumpy.

Qin: Cool.

Lincoln: Okay, guys, we're in for one explosive fight, we're here on File Island to help Cayenne unlock her Rainbow

Power and take down King Drasil and send him to The M.O.E.

We had all of TLPS and The MOE with us.

Vypra: This will be interesting.

Dark Spicer: Yeah!

Me: What the!?

Qin: WHOA! What was that!?

Laney: I think it's that! LOOK!

We saw 5 headed turquoise hydra dragon!

WE GASPED!

Nico: WHOA MAN! That's one of them! Hydra!

Shanan: WHOA MAN! She's a Biryuzovyyian Hydra from the planet Birquoise IX. They are deadly turquoise hydras with aqua blue fire that can burn anything with intense heat and have amazing fire powers.

Me: WHOA! That is deadly!

2003 Mikey screamed like a little girl

She fired a massive beam blast of intense blue fire from her mouths and we dodged it and it hit the ground and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

IT EXPLODED WITH INCREDIBLE POWER!

She fired more blasts at us and we dodged them and more explosions blasted off!

KRABBBBBBBBBBOOOOOOOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOMM!
KRABBBBBBBBBOOOOOOMMMMM!
KRABBBBOOOOOOOOOOOOOOOMMMM!

Massive towering walls of blue fire blasted out all over!

Me: WHOA! She is intensely strong!

Ed turned into Edzilla!

Edzilla: Ed smash!

He went at her and grabbed her and smashed her down!

Me: Nico get the serum ready!

Nico: Right!

Me: CHAKRA CHAIN RESTRAINTS!

I used big chakra chains and held her down with them!

Nico: WHOA! COOL!

Kushina: Nice work J.D.!

Me: Thanks!

Nico: Okay Hydra stop!

He injected her with the serum!

She roared and it worked! The serum kicked in and she reverted back. She was a girl with black hair with purple highlights and had purple eyes.

Nico took out a blanket and wrapped her in it.

Edzilla: ED IS STRONGEST THERE IS!

Me: YEAH!

We brought the girl over to us.

Me: She'll be okay.

Girl: (Groans)

She looked at us.

Girl: What happened?

Me: Really long story. Are you okay?

Girl: I think so. But wait... you're...

Me: Team Loud Phoenix Storm.

Lucy Ravenluna: Oh wow! I'm Lucy Ravenluna. You cured me? How?

2003 Donnie: We found the cure for it in the crystals.

Me: We should explain.

We did so.

Lucy Ravenluna: Wow that is intense!

Shanan: Yeah you were turned into a creature called a Biryuzovyyian Hydra from the planet Birquoise IX.

She showed her a hologram of it.

Lucy Ravenluna: Oh man! So that's the creature I was turned into?

Me: Yep.

Qin: At least you're back to normal.

Nico: What's the last thing you remember?

Lucy Ravenluna: I was getting ready to go to a Gothic Mystic Convention to show my powers at it. Then I was knocked out and captured. Everything went black after that.

Me: The High Mage held you prisoner in the Underground City.

Sydney: Yeah we were prisoners there too.

Nico: Yeah.

Sydney: Do you remember my Quarry form?

Lucy Ravenluna: I do Sydney and I'm just glad you're all safe and cured. High mage locked us away while you guys all got out.

Me: Well the High Mage is gone now. We don't know what happened to him but we think he is dead.

Vypra: We don't know who it was that did it.

Me: What is your family like Lucy?

Lucy Ravenluna: Well I come from a family of mystics. We use light, dark and elemental magic of all kinds and use our powers to help the world.

Me: Amazing!

Brittney: That sure is cool.

Ulrich: As for the monster who ordered you to be mutated, leave him to me.

Me: Yeah.

Lucy Ravenluna: Thank you.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new pitch black clothes.

Lucy Ravenluna: Wow I look amazing.

Me: You sure do.

But then we smelled a VERY FRUITY scent.

Me: Hey smell that?

We smelled it and it smelled like ALL THE FRUITS!

Me: Wow smells like fruit punch.

Lola: It sure does.

Poromon sniffed it.

Poromon: Boy that is amazing.

Qin: It sure is!

Varie: Where's it coming from?

Lana: I think from that!

We saw a Mega Regigigas!

Me: A Mega Regigigas! WHOA!

Xenia: Cool!

Me: It's not alone! Look!

We saw a Mega Scolipede too!

Me: And a Mega Scolipede! Whoa!

Nico: Where did they come from?!

Me: Must be 2 of Dark Gale's handiwork.

Mai Takatsukasa: And I know who the Mega Regigigas is. It's my sister Moriko. You wouldn't believe how strong she is.

Me: WHOA!

Yusuke Godai: Lets see.

He used telepathy and gasped!

Yusuke: The Mega Scolipede is my sister Yamiko! You would like her.

Me: Cool Lets go help them.

We went over.

Mai Takatsukasa: Sister calm down.

Yusuke Godai: It'll be okay.

Mega Regigigas fired waves of coconuts and they hit Nico on his head with them!

BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK!

Patrick: DAHAHAHAHA! THAT GUY GOT HIT ON THE HEAD WITH 13 COCONUTS!

Nico: OW! Patrick that guy was me!

Patrick: Oops sorry.

Nico: MAN WHY AM I ALWAYS GETTING HIT WITH STUFF!? WHAT NEXT A WATERMELON!?

KRASPLAT!

Nico then got smashed on his head with a giant watermelon!

Nico: I HAD TO OPEN MY BIG MOUTH

Mega Scoliede used Sludge Bomb on Horsea but she put her clone in front of her.

SPLAT!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOMMMMM!

The bomb exploded on the clone.

Horsea: HA!

Me: Okay then.

I snapped my fingers and they reverted back.

Moriko was a girl with magenta hair and blue eyes and had rainbow angel wings and a symbol that looked like Kamen Rider Gaim fruit basket with a bowl of fruit with Helheim Fruit included and the symbol of the Fruit Basket lockseed on it on her forehead and the same symbol on her arm

Yamiko was a girl with blond hair and green eyes and had black angel wings and had Mega Scolipede on her forehead and had the Kuuga symbol with the year 2000 and the Kuuga mask on it on her arm as a cutie mark.

We wrapped them in bankets and brought them over to us.

Lucy Ravenluna: You guys must have to deal with all this a lot.

Me: Yeah we sure do but it's fun.

Moriko woke up to see Horsea's smiling face and Nico's stern gaze.

Moriko: (Groans) What hit me?

Yamiko: I feel like I was clobbered all over by N·Daguva·Zeba times 10.

Moriko: A Horsea?

Horsea: You hit my clone!

Nico: But you hit me with 13 coconuts and a watermelon! WHY I OUGHTA...

Me: Whoa whoa whoa take it easy there Tarzan.

Mai Takatsukasa: Are you all right sis?

Moriko: Mai!

She hugged her!

Moriko: I'm glad you're okay. Then that means?

Mai Takatsukasa: Yes Kougane and Yggdrasil are dead.

Me: Yep.

Yusuke: Good riddance.

Yamiko: Yusuke!

She hugged him too!

Me: You both were turned into a Mega Regigigas and Mega Scolipede by Dark Gale.

Moriko: I see. I was battling this wierd plant girl. She had all kinds of powers over nature and was RANTING AND RAVING about wanting to kill people for abusing nature.

Shanan: (GASP) That was Petasos! She is one of my enemies when I helped the Sailor Soldiers with killing Queen Beryl. She's an Edenian with a nasty disposition.

Moriko: Oh man! That is amazing.

Yamiko: Yeah! Also I was killing N·Daguva·Zeba earlier.

Me: He must be running around and causing trouble. We'll have to face him on a rescue soon.

Poromon: Your rider names?

Moriko: I am known as Kamen Rider FruitOmega. I have all the powers of the Lockseeds and my power is stronger than al the powers of the Gaim Riders combined times 20.

We were amazed.

Me: Whoa that is awesome!

Yamiko: It sure is. I go as Kamen Rider Stag. I'm the Stag Beetle Rider for Kumon.

Me: Wow that is cool!

Nico: It sure is.

Rarity: Lets get you some new clothes darlings.

The Fashion Brigade gave them both new clothes.

Moriko's was magenta and she had an earth sword.

Yamiko's were yellow and she had a Kuuga Sword

Yamiko: We look amazing.

Me: You sure do.

Nico: We're not done yet.

Lincoln: (Sensed for King Drasil) AHA! Gotcha, I just spotted King Drasil, he's 20 yards away, and he's fighting someone, and this one's overflowing with pure hate on the level of The Orichalcos.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see a black-haired male with red eyes full of hatred, he was dressed in black clothes, and he had The Orichalcos symbol on his forehead and he's fighting King Drasil and trying to kill him.

Lincoln: Figures, the next of Dartz' conspirators is none other than George Geh.

Gloria Geh: So, he's fighting my younger brother.

Nico: Right, time to clean this mess up.

We then took off to take down King Drasil and send him to The M.O.E. and send George Geh to The Black Abyss.

We were flying, and we saw King Drasil fighting George Geh, one of the ten conspirators who helped Dartz in his plan to unleash The Orichalcos 10,000 years ago.

Me: There's King Drasil.

Gloria Geh: And look, there's my brother, George Geh, one of the ten conspirators who helped Dartz in his plan to unleash The Orichalcos 10,000 years ago.

Gloria Geh: Agreed.

We landed.

Marcus Damon: Hey, your highness. It's been a while!

Me: Wow!

I used my data eyes and analyzed King Drasil.

Me: Amazing! You're a fully operated and sentient artificial intelligence system!

King Drasil: Subject: James Dean Knudson, that is correct. I was programmed to rule the Digital World through the servers of the network and command all Digimon to protect it.

Me: Like the main Central Processor Unit chip. The Heart of a computer.

King Drasil: Correct.

Me: Very amazing.

King Drasil: Subject: Marcus Damon, you have achieved many things since we last met.

Marcus Damon: I sure have.

Gloria Geh: George Geh, it's been 10,000 years since we killed you and your friends the day you helped Dartz unleash the evil forces of The Orichalcos.

Me: YEAH ESPECIALLY AFTER ALL THE SHIT SHE AND HER FAMILY WENT THROUGH!

Lincoln fired a blast of Orichalcos Darkness at George Geh and it hit him, and then, Lincoln began sucking out all of George Geh's excessive negative energy and hatred along with all of Logan Leviathan's powers of The Orichalcos and his powers of Divine Serpent Geh and it flowed into Lincoln as his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his

At the same time, Lincoln also began sucking out George Geh's soul. Then, as soon as Lincoln was done, George Geh was left as a desiccated husk who had the life sucked out of him, and Lincoln sucked out all the remaining energy of George Geh's soul and banished him to The Black Abyss forever.

(To King Drasil) And now, for you, King Drasil.

Suddenly, Lincoln was surrounded by an immense fire aura with phoenixes flying around him.

Lincoln: (Speaking in Chinese) 以一千个熊熊烈火的强度从天而降，以百万个地狱的愤怒燃烧哦，烈火的强大凤凰！让我的火之歌对这些祸害这片土地的邪恶可憎之物带来神圣报应的火焰，并用美德之火净化和净化它! Lincoln sang The Song of the Phoenix and then massive fireballs rained down from the skies and transformed into powerful phoenixes, and they hit King Drasil and he got burned badly.

Suddenly, Lincoln was surrounded by an immense water aura with mermaids swimming around him.

Lincoln: (Speaking in Chinese) 傳說中可怕的美人魚啊，從渾濁的深淵深處崛起，為强大的元素戰士服務。將血腥大屠殺帶給這隻黑暗的怪物。讓我的歌聲傳達出那個被怪物撕裂的人的正義，這個怪物恐嚇了我最親密的朋友之一! Lincoln sang The Song of The Thunderbird and lightning struck from the Heavens and they formed into powerful Thunderbirds and they hit King Drasil and electrocuted him hard.

Suddenly, Lincoln was surrounded by an immense wind aura with Sylphs flying around him.

Lincoln sang The Song of The Wind and numerous Sylphs appeared and they flew at The High Mage and they blew him around in a powerful tornado and he was being blown all over the place!

Suddenly, Lincoln was surrounded by an immense lava and rock aura with golems flying around him.

Lincoln: (Speaking in Chinese) 從地球的岩石中升起，變成岩石和地球上强大的魔像，蹂躪在土地上製造恐怖和邪惡的黑暗勢力，消滅這種邪惡的憎惡！讓我的歌聲成為你的力量工具，來消滅這個可怕的敵人! Let my song be your instrument of might for bringing an end to this terrible foe!)

Lincoln sang The Song of The Golem and there was a rumble and earthquake and then, it formed into huge mountains of rock and then, they formed into golems and they smashed King Drasil with incredible force.

Suddenly, Lincoln was surrounded by an immense light aura with fairies flying around him.

Lincoln: (Speaking in Chinese) 從天空、天堂和太陽上照射下來，釋放出自然之光和仙女之光，向這個恐嚇世界的可怕敵人發動攻擊！讓我的歌聲帶來善良的力量，淨化這片土地，結束這邪惡可怕的醜惡行徑! Let my song bring forth the shadows of the night and unleash your revenge on this abomination!)

Lincoln sang The Song of Darkness and darkness wisps appeared and they went at King Drasil and they blasted him with the forces of darkness.

Maria Ying Xiao: That was truly amazing! Using The Atavism of The Elemental Maiden to give him a beatdown, Lincoln.

Suddenly, Lincoln was surrounded by an immense golden yellow aura with sunlight and light and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use The Atavism of The White Wolf of Amaterasu again!

Lincoln: (Speaking in Japanese) 太陽の光と天界に呼びかけ、この恐ろしい悪の忌まわしい存在を倒し、永遠の破滅の地へと送り届けます。祝福された者の魂が蘇り、地獄の民に永遠の罰を与え、彼らを永遠に冥界の闇へと送る强力な狼の姿をとりますように。私の歌が天界の審判をもたらし、この忌まわしい存在を永遠の安息の地へと送り届けますように。(I call upon the light of day and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send them to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and formed into white wolves with glowing golden yellow markings and they ran at King Drasil and attacked him with fierce fury.

Juru: WHOA!

Me: Say hello to the Crystalia Kiramai Omega Jewel Cannon! It fires a massive and intensely powerful blast of rainbow energy that is a 100,000,000 times more powerful than anything Yodonheim can dish out. Including Emperor Yodon.

Rarity: My goodness! That cannon is breathtaking darlings!

Nico: AWESOME!

Eli: That is cool!

Juru: It sure is!

Me: Me and Juru drew it and I used my powers to make it happen.

Yusuke: YEAH!

Nico: Awesome!

Yusuke Godai: Like old times?

Yamiko: I've got 24 years to make up for it.

Ymir: (Confused) Huh?

Me: Kamen Rider Kuuga came out in the year 2000. First series to come out since it was halted because of a hiatus that lasted from 1989 to 2000.

Ymir: I see.

Yusuke and Yamiko: BUGS OF KUUGA BLAST!

They did so.

Me: Hold still.

I pressed some buttons on my device.

In the year 3000 the zord launched a massively powerful new cannon to us through a portal to us.

It arrived and attached itself to the Vortex Cannon! It was a more powerful cannon with 20 cannons on a stand!

Me: Say hello to the Quantum Tachyon Time Force Superlaser Cannon. This packs more power than the Vortex Cannon and has enough power to destroy all the mutants in one fell swoop times 100,000,000.

Wes: WHOA!

Jen Scotts: WOW! That is awesome!

Nico: J.D. is on a roll!

Eric: If this is used to destroy a target, this should be used on Lord Zedd

Me: It is and I needed to test it.

Eric: Good enough for me.

Me: Yep.

Wes: Lets do it!

They locked it on target!

Wes: FIRE!

Wes: WOW! Venommark is going to be screwed big time!

Me: Yep! And it will be used on him too.

Nico: Good.

Me: Yep.

King Drasil got up and he was on his last legs.

Poliwag slapped him with his tail.

Manaphy headbutt him.

Horsea squirted ink and blinded him.

Jirachi summoned anvils and they bashed him all over.

Tentacool fired laser blasts.

Skitty slapped him all over with his tail.

Nico: NICE!

Lucy Ravenluna: Let me have a shot at him.

Me: Go for it.

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF INTENSE POWER!

Nico: WHOA!

Brittney: The Blue-Flame Laser Convergence Blast! That is a spell a true master of the mystic arts can do!

Dante: That was intense!

Nico: WHOA!

Me: Yeah! That was awesome!

Lucy Ravenluna: YEAH!

Cayenne: And now, it's time for you to pay for your crimes. I am the posh star of Peppers and bringer of spicy beauty. My cutie mark comes to life, my spicy generosity will bring love and joy for my duty!

CAYENNE PEPPERS AND JEWELS SWIRLED AROUND HER!

Cayenne raised her greatsword into the air, and A MASSIVE AND INTENSE POWERFUL SURGE OF INTENSE AND POWERFUL ENERGY AND MAGIC WAS FELT!

Nico: WHOA!

Me: INCREDIBLE!

She then had her Cutie Mark change into many rainbow peppers, and her massive angel wings had intense rainbow fire on them.

Suddenly, we heard a loud howl, and we saw an army of 50'0" tall massive musclebound werewolves heading right for us.

Me: Crap! Werewolves!

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of werewolves, and he began absorbing them and he assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite, Scratch, and Bodily Fluids, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of King

Drasil, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 30'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 14'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, ROT IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit King Drasil hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and King Drasil was on his last legs and he was really really mangled.

Now, to tie you up. (ECHOING VOICE) GRAND CROSS PRISON!

Lincoln fired ten super-heated spheres of light arranged in a cruciform syzygy and they fired beams of light that formed into a prison and imprisoned King Drasil and he was then sent to The M.O.E. We cheered as we holstered our weapons and powered down.

Me: WHOA! That was so cool, Lincoln! You made your own variation of Lucemon's Grand Cross!

Nico: I had no idea you could also create variations of the techniques of the Digimon!

Lincoln: I already had an idea on how that happened.

Lincoln 2: (Through Lincoln's Rainbow Thunderbird and rainbow animals on his forehead) This is due to your transformation against Dark Chase Young and your evolution this morning, now you also can use variations of the powers you assimilate along with elemental variations of said techniques and powers.

Me: That is cool!

Lily: That's actually so amazing! And after what happened today with George Geh and Logan Leviathan yesterday, I am so tempted to drown Daniel Dexia, Adrian Aristeros, Shiloh Shunoros, Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora in a maelstrom of water!

Lola: Tell me about it, they're still as crass, bad-tempered, cold-blooded, blackhearted, hate-filled bastards who have no morals, no respect, and no sense of decency. I'm tempted to throw a giant fireball at them and burn them alive!

Lincoln: Now, now, we'll deal with them on Nico's rescue along with our main target. Plus, this is also going to anger Alecto Slytherin even more.

Lucy Tavenluna: What do you think is happening to the High Mage right now?

Deadpool:…there are just some thing you're better off not knowing.

Me: Yeah Wade is right. Some things are best left not said.

Deadpool: A thank you.

Lola: Yeah.

Ed: Yeah!

LOUD FART!

Eddy: Nice one Lumpy!

Ed: Sorry.

Nico: Nice job Chatot!

Chatot: Thank. That was fun.

Poromon: Want some beer?

Chatot: Oh no thank you. But do you have any rum?

Me: Ooh like to drink it pirate style.

I got out some rum for him and drank it.

Chatot: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

Chatot: (Singing Drunk) SIXTEEN MEN ON A DEAD MAN'S STOMACH! YO HO HO AND A BOTTLE OF RUM! (BELCH)

We laughed hysterically!

Nico: That is funny!

I reverted him back.

Chatot: Never get tired of that.

Me: Nope.

Nico: It's now time for bonding.

Me: Oh right! Time for the traditional Ambassador Mission bonding sessions.

Hirayuki: Really?

Me: Yep this is a second part of our missions. After the ambassador missions for the year are done we do a bonding session.

Hiroyuki: Oh wow.

Lily: Yep.

Pacifica: Also while that's going on, me, Laney, Lana and the mascots are going to do something awesome.

Laney: We're going to build the largest ever Log Mansion and rub it in the faces of Pacifica and Lori's so-called parents.

Lori Northwest: Yep and we're going to have all the people welcome and make sure douchebags like them are NEVER welcome.

Hiroyuki: Specifically, it's bonding time for me and Laney

Laney: That's right. along with Laura Wynn and Misty Tredwell.

Nico: Yep.

Hiroyuki: Cool!

Nico: Yeah.

Swampfire: That is a great time for us too.

Nico: Oh, Swampfire, what do you like to do in your free time?

Swampfire: Oh I like patroling swamps to make sure no evil swamp clans live there. Remember the Gunderson clan?

Me: Yeah.

Swampfire: I make sure none of them are around.

Ymir: Gunderson Clan?

Me: They were an evil hillbilly swamp clan that lived in Skunk Swamp not far from Scratchy Bottom Campgrounds that I defeated years ago. They caused a lot of mayhem and destruction after I beat them in wrestling.

Laney: Yeah you thought the Hatfields and McCoys were known for causing a lot of problems, these guys made them look like children in comparson.

Ymir: Oh man! That's terrible!

Camie: Yeah no kidding.

Nico: Now for the Anothers

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Piper Willowbrook.

Piper Willowbrook: Another Me? Sweet!

Lincoln: We'll have to see who it is.

Eli: Whoa, and one of The Anothers is The Avatar of The Power Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Me: Yep.

Qin: So we got Another Mad Treant, 9 Chicken Sandwiches of Hell, Stinky (Moomins), Raw Sewage Sandwich, Stinky Toilet and The 12 Disgusting Sandwiches of Putridity.

Laney: Yep. And Swampfire, Snorlax, Pig Pen (Charlie Brown), Mr. Stenchy, Batrax and Coco are up.

Qin: Cool!

Me: I'll eat the 9 Chicken Sandwiches from Hell.

Lana: And I'll eat the 12 Disgusting Sandwiches of Putridity.

Many of us got green around the gills.

Nico: THAT IS GONNA BE DISGUSTING!

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln morphed the tips of his999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

Lilo: (to Mr. Stenchy) Sorry we haven't brought you along lately, Mr. Stenchy.

Mr. Stenchy: Aw no worries. But this will be fun.

LOUD FART!

He released a fart that smelled horrible!

Me: OH GOOD GOD! Now I see what he's called that. His farts smell worse than Lori's.

Lori: I HEARD THAT!

Nico: Nasty. Oh there they are!

We saw Another Chicken Sandwiches of Hell, Stinky (Moomins), Raw Sewage Sandwich, Stinky Toilet and The 12 Disgusting Sandwiches of Putridity.

Nico: YEAH!

Qin: This will be good.

Me: Chow time!

Lana: YEAH!

Another Stinky: (In a girls voice) It sure will be fun.

They reverted back and were the gene-slammers of Infernal Flame Vixen and Infernal Flame Banshee!

Nico: Veronica and Mandy Flamebird!

Veronica Flamebird: Good to see you Nico.

Mandy Flamebird: Same here.

Me: The Infernal Flamedancer Twins!? That is so cool! I heard you girls destroyed an entire organization running a massive illegal experimentation operation single-handedly. It specialized in turning people into animal hybrids like how Zorndyke would have done.

Mandy Flamebird: That's right!

Veronica Flamebird: That was intense. Also we rescued many of the creations there and it was cool.

Me: Wow! By the way girls are the rest of the Anothers friendly or hostile?

Mandy Flamebird: Friendly but the Another Piper is having some problems.

Me: Like what kind?

Veronica Flamebird: You'll have to see it to believe it.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: THE ONION OF AGONY SOIL YOUR MACAROON!

Qin: YEAH!

Maria: Time for backup! (TURNS DIAL) FARTS AND STENCH COMEDY 6!

She summoned Acid Breath, Zombo the Clown Ghost, Kerchak, Captain Gravyhead, Circuit Gurumar and Demon Thunder

Me: YEAH!

I was eating the Another 9 Chicken Sandwiches of Hell.

Lana was eating Another 12 Disgusting Sandwiches of Putridity.

Nico and many of the group turned green!

Nico: OH I THINK I'M GONNA BE SICK!

Lana finished and belched!

LOUD BELCH!

I finished too.

Lana: Just the right amount of raw sewage!

Nico then THREW UP!

LOUD PROJECTILE VOMIT ATTACK!

HE THREW UP OL FACEFULL STYLE ALL OVER ME!

Me: AW SICK! NICO!

Nico: Sorry.

Luna Loud: Puke tsunami! (FAINTS)

FWOMP!

Jumbas: (laughs) Experiment 254 is stinky, eh?

Me: He sure is! He is cute but he is stinky.

Maria washed and cleaned me off.

Me: Ahh. Thanks Maria.

Maria: Anytime.

Nico: And now, we wait

Me: Yeah.

Pleakley: I personally love Mr. Stenchy's stench

Me: I can tell.

Erika (Pokemon): It reminds me of the Essence of Gloom that I made.

Jessie: OH GOOD GRIEF! THAT WAS THE WORST THING WE EVER SMELLED!

James: I COULDN'T GET THAT SMELL OUT OF MY NOSE!

Meowth: MADE ME THROW UP FOR DAYS!

Me: GEEZ!

Horsea: That bad, huh?

Jessie: IT WAS AWFUL!

Erika: Here.

She showed the bottle and opened it.

Then the mascots smelled it and then...

THEY SCREAMED LIKE LITTLE GIRLS AND THE SMELL BURNED THEIR NOSES!

Poromon: OH MAN! THAT IS HORRIBLE!

Poliwag: THAT IS DISGUSTING! SMELLS LIKE ROTTEN CHUM!

Manaphy: OH YUCK!

Horsea: SO DISGUSTING!

Jirachi: OH YUCK! WHAT A STENCH!

Tentacool: THAT IS NASTY!

Hippowdon: HOOWEE! WHAT A STENCH!

Me: (Sniffs) OH GOOD GOD! OH MAN! That smells like Lori's farts times 10!

Lori: IT WAS MY SHOE!

Horsea hugged Maria.

Maria: That is nasty!

I put the cap back on.

Me: That is lethal Erika.

Lana: I like it.

Erika laughed.

Apple Bloom: LOOK OUT!

We ducked and a bowling ball flew over us and then...

CRASH!

Girl: OW!

We saw that it smashed right into Another Piper's face!

Then we saw an anvil smash onto her foot!

SMASH!

Me: WHOA MAN!

SNAP!

A Bear trap clamped onto her butt!

Me: OH GOOD GOD! WHAT THE FUCK HAPPENED!?

Another Mad Treant came.

Me: Oh the Anothers are here.

Another Mad Treant: (In a girls voice) Our friend here has the worst ever luck ever.

She reverted back and it was the Avatar of The Power Card.

Lincoln: Penny Power! Wow!

Penny Power: Good to see you Lincoln.

Nico: Care to introduce us?

Anna Anyanova: Sure this is Penny Power, Avatar of The Power Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of superhuman strength, power, physical might, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Power Clow Card, and the magic of Clow Reed. She's The Power Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend

Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Penny Power is a master of the powers of The Time Clow Card and she's a powerful master of superhuman strength, power, physical might, and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Thea Time came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, power, physical might, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Power Card, and the magic of Clow Reed, and over time, Lincoln gained even more superhuman strength, power, physical might, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Power Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by giving them a massive beatdown with her superhuman strength, and they got sent to the hospital for a month.

Me: HOLY CRUD!

Nico: WOW!

Penny Power: Yep.

Nico: And your friend?

Another Piper: Someone who is really in pain.

Piper Willowbrook: (GASP) That voice.

She reverted back and was a younger version of Piper. But she had bruises and injuries all over and her arms and legs were REALLY MANGLED UP, she had teeth missing, her wings were broken with feathers missing and had bloody cuts and scratches and more and had black eyes.

Piper: (GASP) Regina!

Me: GOOD GOD! WHAT THE FUCK HAPPENED TO HER!?

Regina Willowbrook: I was cursed with terrible bad luck because of Tazma.

Me: That bitch!

We went over and got the bowling ball off her and got the anvil and bear trap off her.

We looked her over and saw that most of her bones in her body were broken.

Varie: I'm calling for medical transport for her.

Kaito (gets out Zi O gear): Did Swartz promise you anything?

Zocks (gets out Zero One gear): Because we can grant it instead.

They got weapons from said riders.

Penny Power: No he didn't. Because he got mashed by a bunch of anvils that came for Regina.

Sakura Knudson: That explains where all those anvils came from. Ouch!

Me: No shit!

Sougo (gets out Zi O II Ridewatch): We dealt with others cursed like you

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz (Gets out Vulcan Ridewatch): But we can get you out of this!

Sougo became ZI O II while Geiz got VulcanArmor

Brittney: Just leave this to me.

She used her magic and fired a beam of energy and it removed the curse from her.

Brittney: There.

No bowling balls or anything came.

Regina: Thank you. (FAINTS)

FWOMP!

Me: Lets separate you girls.

We did so.

A Medical Transport came and loaded Regina in.

Me: Okay.

Nico: (GETS OUT MAD TREANT'S RIDEWATCH) LETS GET ANGRY!

May: (GETS OUT STINKY TOILET'S RIDEWATCH) SHUT YOUR FILTH INFESTED FUCKTRAP!

Me: Colorful language.

Universe 666 May: (GETS OUT STINKY'S RIDEWATCH) STINKS DOESN'T IT!

Maria: (GETS OUT 12 DISGUSTING SANDWICHES OF PUTRIDITY RIDEWATCH) THESE ARE THE GROSSEST EVER!

Snorlax: (GETS OUT 9 CHICKEN SANDWICHES OF HELL RIDEWATCH) These sandwiches are spicy!

They used the powers of Mad Treant, 9 Chicken Sandwiches of Hell, Stinky (Moomins), Raw Sewage Sandwich, Stinky Toilet and The 12 Disgusting Sandwiches of Putridity and blasted the Anothers all over!

Me: YEAH!

Horsea: Yeah!

Then Golem Monster (Winx Club), Falkon, Dr. Warpnik, Rock Gothlington, Rocky (Kirby) and Baron Rock came.

Me: WHOA!

Nico: Nice team Golem Monster!

Golem Monster: Thanks Nico.

Me: Rocks's team next.

Rocks: You got that right!

Then a rumble was felt and out of the ground arose Earth Elemental from MTG!

Me: WHOA!

Xenia: Earth Elemental!

Nico: Cool!

Earth Elemental: (In a girls voice) It sure is!

Nico: Terra Elemental! Wow!

She reverted back.

Terra Elemental: Good to see you Nico. I got this.

She fired waves of earth, rock, mud, boulders and all that and smashed the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Rocks: It's actually fitting

Terra Elemental: It sure is,

Me: Same here.

Nico: Yep and nice job.

Terra Elemental: Thanks.

Snorlax: Do you have any good memories of Nico"

Terra Elemental: I sure do. When me and Nico went to the cheese factory and Nico ate all their garlic cheddar cheese and he was farting up a storm.

WE LAUGHED HYSTERICALLY!

Me: That is funny!

Nico: I couldn't help it! That was good cheese!

Lola: Funny!

Nico: Yep.

Nico hugged her.

Nico: I've missed you.

Terra Elemental: Same here.

We went back home

Nico: J.D. did the same thing as well, and it was really strong.

Me: Big time, but I not only captured The Power Card, but I also got a good workout.

Swampfire: And it's not going to be easy capturing The Dark Power Card.

Lincoln: No, it's not, it's in the hands of the clones of 11-Tailed Wolf, Lord Wolfblood, Lord Elemenangel, and Sir Darkferno, the hypothetical Akumas of Eli, me, and J.D.

Me: JUMPING BUTTBURPS! This is gonna be real intense!

We got a move-on, and then, we spotted our target: the clones of 11-Tailed Wolf, Lord Wolfblood, Lord Elemenangel, and Sir Darkferno and Lincoln fired an energy blast that hit them that forced The Dark Power Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Power Card and he began sucking out all its power and physical strength and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Power Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Power Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Power Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clones of 11-Tailed Wolf, Lord Wolfblood, Lord Elemenangel, and Sir Darkferno.

We turned to the clones of 11-Tailed Wolf, Lord Wolfblood, Lord Elemenangel, and Sir Darkferno who roared at us and fired blasts of fire, moonlight, blood, and elements, but Lincoln absorbed them.

Lincoln: Alright, let's get them.

Robin Hood went after the clone of clones of 11-Tailed Wolf, Lord Wolfblood, Lord Elemenangel, and Sir Darkferno, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit them, then he attacked them with the blades on his bow leaving scars on them, and he fired arrows at them that transformed into many arrows with leaves surrounding them and they got hit all over the place.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at the clones of 11-Tailed Wolf, Lord Wolfblood, Lord Elemenangel, and Sir Darkferno and he proceeded to brutally smash them hard into the ground with his massive godly superhuman strength, slashed at her with his gold-armored dragon claws and his massive greatsword, and he fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THE CLONES! HE WAS REALLY GOING APESHIT ON THEM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT THE CLONES WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED BLASTS OF HEAVENLY LIGHT THAT HIT THEM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of the pain you're going to experience before Lincoln absorbs you.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the clones of 11-Tailed Wolf, Lord Wolfblood, Lord Elemenangel, and Sir Darkferno and he began absorbing them and assimilated all of 11-Tailed Wolf's immense destructive powers over the elements, Lord Wolfblood's immense werewolf powers and unbridled savagery, Lord Elemenangel's immense elemental powers of fire, water, earth, wind, dark, light, lightning, crystal, stars, ice, wood, metal, and lava, and Sir Darkferno's immense powers over fire, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones of 11-Tailed Wolf, Lord Wolfblood, Lord Elemenangel, and Sir Darkferno and he also sucked out all the energy remaining in their souls and the clones faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Power Card and Lincoln absorbed the clones of 11-Tailed Wolf, Lord Wolfblood, Lord Elemenangel, and Sir Darkferno.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long sapphire blue hair, blue eyes, massive blue angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, sapphire blue sleeveless strapless top, sapphire blue skirt with Gem-Knight Sapphire, white bridal gloves, sapphire blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Sapphire, she has a greatsword, and with her are the twelve girls.

Lincoln: (GASPS) Sarah Sapphire, Avatar and Gene-Slammer of Gem-Knight Sapphire.

Sarah Sapphire: That's right, and I got the girls away from the clones of 11-Tailed Wolf, Lord Wolfblood, Lord Elemenangel, and Sir Darkferno and The Dark Power Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: But, we took care of The Dark Power Card when I sucked out its powers and absorbed the clones of 11-Tailed Wolf, Lord Wolfblood, Lord Elemenangel, and Sir Darkferno. (To Sarah Sapphire) And it's so good to see you again, Sarah.

Sarah Sapphire: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Sarah Sapphire had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Sarah Sapphire was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Sarah Sapphire: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Sarah Sapphire's waist and hugged her, and Rhonda Ruby is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sarah Sapphire: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 30'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or

massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Sarah Sapphire, Avatar and Gene-Slammer of Gem-Knight Sapphire, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of sapphire gems and crystals. She's known as The Sapphire Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Sarah Sapphire came to Royal

Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of sapphire gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of sapphire gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Sarah's parents and her little sister, Serena, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Sarah.

Lincoln with his massive muscular arms still wrapped around Sarah Sapphire's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Sarah Sapphire: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Sarah Sapphire with sapphire crystals on the gold lightning bolts and sapphire links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Sarah Sapphire: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Sarah Sapphire.

Sarah Sapphire had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Sarah Sapphire's waist, and he leaned down to her face and kissed her on the lips, and with Sarah Sapphire's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Rhonda Ruby had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Sarah Sapphire: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The twelve girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the twelve girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the twelve girls are Ellen from Alien Quest Eve and Kunoichi Zero, Kunoichi Kaen, Kunoichi Enrai, Tiequan, Fotia, Leprechaun, Tomo, Johanna, Miss Safety, Lemonade Alpha, and Queen of Mane from Last Origin.

Lincoln: Oh whoa, it's Ellen from Alien Quest Eve and Kunoichi Zero, Kunoichi Kaen, Kunoichi Enrai, Tiequan, Fotia, Leprechaun, Tomo, Johanna, Miss Safety, Lemonade Alpha, and Queen of Mane from Last Origin.

Nicole: Uh oh, Travis and Red were right telling the boys to run and hide, these are voluptuous girls!

Lincoln: That makes them easy targets for someone who wants to hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Ellen: Yes, we're okay, thanks to you.

Then, when Ellen and the other eleven girls saw who it was that saved them from The Dark Power Card and the clones of 11-Tailed Wolf, Lord Wolfblood, Lord Elemenangel, and Sir

Darkferno, their faces turned atomic red and their noses gushed out blood upon seeing the 30'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom in the center behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom and four large orbiting gold Yata no Kagami mirrors on each corner with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon

Ellen: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Queen of Mane: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ellen, Kunoichi Zero, Kunoichi Kaen, Kunoichi Enrai, Tiequan, Fotia, Leprechaun, Tomo, Johanna, Miss Safety, Lemonade Alpha, and Queen of Mane with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw two girls appear: one was a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, long midnight black hair, blood red eyes, vampire fangs, massive black angel wings, she has on a black two-piece bikini, and a vampire greatsword, and the other was a beautiful werewolf girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, brown hair, brown wolf ears on her head and brown wolf tail coming out of her butt, yellow eyes, wolf fangs, massive black angel wings, she has on a grey two-piece bikini, and a wolf claymore.

Lincoln: (GASPS) Valeria Vampiraira, Queen of The Vampirairans of Planet Vampiraira and Winona Werewolfaira, Queen of The Werewolfairans of Planet Werewolfaira.

Nico: The only surviving Vampirairan and Werewolfairan, and you know them, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, the black-haired girl is Valeria Vampiraira, Queen of The Vampirairans of Planet Vampiraira, she's Lincoln's Guardian Angel from the planet of Vampiraira in The Forbidden Zone, a scary planet of blood and vampires. She was the Queen of the Vampirairans who ruled the planet of Vampiraira and she's also far more powerful than her own people: in addition to being a natural born fighter, a skilled night hunter, and having immense power over blood, darkness, and have the powers of the vampires times infinity, and the ability to grow even stronger, but she was also born with angel wings, immense power over blood, blood rage, darkness, the powers of the vampires times infinity, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and there's a reason why no one would ever set foot there, not only is it a horror planet, but a Vampirairan's blood is also infinite-times more potent than a regular vampire's, and if you get bit by a Vampirairan, you remain a Vampirairan (DRAMATIC ECHOING VOICE) FOREVER! Originally, that's what everyone thought, but Valeria left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Valeria Vampiraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers over all forms of blood, blood rage, darkness, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers over blood, blood rage, darkness, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Vampirairans, and he was already born with immortality and invincibility and his vampire powers grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a blazing passion, and she swore to drain him dry of all blood and leave him cursed as a Vampirairan forever.

Nicholette Torrington: And the brown-haired wolf girl is Winona Werewolfaira, Queen of The Werewolfairans of Planet Werewolfaira, she's Lincoln's Guardian Angel from the planet of Werewolfaira in The Forbidden Zone, a scary planet of blood and werewolves. She was the Queen of the Werewolfairans who ruled the planet of Werewolfaira and she's also far more powerful than her own people: in addition to being a natural born fighter, a skilled night hunter, and having immense power over blood, darkness, and have the powers of the werewolves times infinity, and the ability to grow even stronger, but she was also born with angel wings, immense power over blood, the full moon, bestial rage, darkness, the powers of the werewolves times infinity, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and there's a reason why no one would ever set foot there, not only is it a horror planet, but Werewolfairans tear apart any intruder that sets foot there and devours them, and if you get bit and survive, that's also worse because a Werewolfairan's blood is also infinite-times more potent than a regular werewolf's, and if you get bit by a Vampirairan, you remain a Werewolfairan (DRAMATIC ECHOING VOICE) FOREVER! Originally, that's what everyone thought, but Valeria left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Winona Werewolfaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers over all forms of blood, the full moon, bestial rage, darkness, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers over blood, bestial rage, the full moon, darkness, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Werewolfairans, and he was already born with immortality and invincibility and his werewolf powers grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a blazing passion, and she swore to rip him apart and devour him, or worse, bite him and leave him cursed as a Werewolfairan forever!

Winona Werewolfaira: And I knew Lincoln absorbed the souls of the male Werewolfirans, our planet's core and planet itself, and our planet's Sun and Moon to preserve their legacy.

Valeria Vampiraira: Same when Lincoln absorbed the souls of the male Vampirairans, our planet's core and planet itself, and our planet's Sun and Moon to preserve their legacy.

Shanan: And thanks to that, Lincoln evolved even more this morning, and he's now known as a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid.

Winona Werewolfaira: Well, we knew about him being a True Alpha Werewolf-Vampire-Cyborg Hybrid, and when he absorbed our planets, Suns and Moons, and the souls of the male Werewolfairans and Vampirairans, he was going to evolve into a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid.

Valeria Vampiraira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln first pinned Valeria Vampiraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,998 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Valeria Vampiraira with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

And then, Lincoln pinned Winona Werewolfaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,998 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Winona Werewolfaira with dark blue gems on the gold lightning bolts and dark blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental

Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped them up as he sat on the couch and he kept them close to his body as they took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Winona Werewolfaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 30'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around their waists even more and brought them closer to his body even more and they really felt how much stronger he really is.

Valeria Vampiraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot both Werewolfairans and Vampirairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Power Card of all its powers and absorbed the clones of 11-Tailed Wolf, Lord Wolfblood, Lord Elemenangel, and Sir Darkferno after we took them down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Sarah Sapphire saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Sarah Sapphire: My God, I was right that Lincoln's really grown into a 30'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Sarah, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Sarah Sapphire: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Sarah Sapphire: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Valeria Vampiraira got out a videotape, but it had a fire aura surrounding it.

Caleb Maxwell: What's that?

Winona Werewolfaira: This is a video from three years ago, when we were in town and we were at our gym with Lincoln, but bad news: we faced harassment from Artie and Trent.

Valeria Vampiraira: And Lincoln really lost it big time and exploded like Lola when she was doing her audition for The Cutest Kid Contest, and he beat the snot out of them!

Valeria Vampiraira put the tape in, and it showed Lincoln, Valeria Vampiraira, and Winona Werewolfaira along with the rest of his Guardian Angels and harem in their gym.

Past Winona Werewolfaira: You're really pushing yourself, Lincoln. Good, with all that training, you will be ready to take on more stronger villains.

Past Lincoln: Thanks, Winona.

Suddenly, they heard a noise and the alarm sounded, and their footage showed who it was that did it: Chandler's former goons, Artie and Trent.

Past Valeria Vampiraira: Oh great, it's Chandler's former goons, Artie and Trent!

Past Winona Werewolfaira: Let's get those jerks.

They went out, and saw Artie and Trent!

Past Winona Werewolfaira: I should've known you fuckers would come back for more. Ready to get your teeth punched out again?!

Past Artie: Screw you, werewolf bitch! You're gonna pay for ruining Chandler!

Past Trent: You and every last Loud and all of Gotham Royal York will all perish in flames!

Past Lincoln: You two barbarians and Chandler caused me and my friends enough pain for the last time! I have had it with you two! (ENRAGED SCREAM) I'M GONNA RIP YOU TWO APART LIMB FROM LIMB!

Lincoln let out an angry scream as his white hair turned into living white fire, his teeth turned into fangs, and his skin turned red, and he ran after Artie and Trent who were running like cowards, but they got to a dead end, and then, Lincoln flew at them screaming like an angry demon, and he really beat the shit out of the both of them in a massive fight cloud!

Then, when the dust settled, Lincoln was still panting with rage and sweating like crazy, but he took a deep breath and cooled down, and Artie and Trent, they were in really bad shape: they had their teeth broken, they had black eyes, and broken arms and legs!

Past Lincoln: Let's get their parents and tell them what happened.

They called their parents and when they heard what those two barbarians tried to do, they took them to the hospital, and after a few months, they would be released, but not back into their parents' custody, instead they were taken by the police and they were also disowned as the video ends.

Me: Oh man, I remember that day three years ago, those two jerks tried to blow up the gym and get revenge on us, but in the end, you beat them real bad.

Nico: Plus, they also got disowned as well, sheesh!

Lincoln: Artie and Trent were just as barbaric as Dark Chandler, and they were never going to change at all, and three years later, they got turned into gold statues for good along with Dark Becky, Dodge, and the Dodgeball Bullies of Great Lakes City.

Ronnie Anne: Those two jerks and Chandler caused so much trouble in school back then, and worse, Killjoy Huggins permitted it if it meant getting rid of Lincoln.

Superintendent Chen: Which is what prompted me to help in any way I can. Ever since the murder of Kaara Koaki Meiru and the public murder of Lorelai Symphonia Arendelle right in front of Lincoln's eyes, Killjoy Huggins went too far, he broke his oath as principal, and I swore to put an end to that monster's reign of terror.

Eli: I'm just glad he's out of Principal Huggins and gone for good, what a stain on Michigan.

Anna Anyanova: And Dark Chase Young's gone for good, along with Dark Sebastian and those two Satanic groups, The Order of The Dark Universe and The Dark Church of Malphas, along with the demon himself.

We got a shower, and then, Chandler Henderson and Penny Painapp are heading to Orange Ocean, but this won't be easy since Alecto Slytherin's sent another clone of a hypothetical Akuma after them, but Lincoln's heading there already to absorb it.

Chandler: This is really relaxing going to Orange Ocean.

Penny Painapp: You said it.

Chandler and Penny Painapp swam in the waters and they even had a fun volleyball match. But, then, they saw the clones of Sir Flaresun of Remnant and Sir AuBerglot of the Golden Kingdom of El Dorado, and they were heading right for Chandler and Penny Painapp.

Chandler fired a blast of fire at them and they got hit and burned, but that pissed them off big time.

Suddenly, Lincoln appeared and he unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Thunderbird Buffalo Vampirairan Werewolfairan Mythological Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Thunderbird Buffalo Vampirairan Werewolfairan Mythological Seraphim God Phoenix God Archangel Justice, and he clashed at the two knights.

Lincoln: You two head back home, I'll keep them busy!

Lincoln attacked the clones of Sir Flaresun of Remnant and Sir AuBerglot of the Golden Kingdom of El Dorado with his massive greatsword and they got hit and slashed at many times until he disarms them both and his greatsword absorbs their swords.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the clones of Sir Flaresun of Remnant and Sir AuBerglot of the Golden Kingdom of El Dorado and he began absorbing them and assimilated all of Sir Flaresun of Remnant's powers of solar fire and magic and Sir AuBerglot of the Golden Kingdom of El Dorado's power over gold and light, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones of Sir Flaresun of Remnant and Sir AuBerglot of the Golden Kingdom of El Dorado and he also sucked out all the energy remaining in their souls and the clones faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

Lincoln holstered his massive greatsword on his back and headed back home.

Me: Lincoln, you did awesome saving Chandler and Penny Painapp.

Penny Painapp: I can't believe Alecto Slytherin sent them after us.

Yuna Kamihara: It wasn't just him. We found out Daniel Dexia, Adrian Aristeros, Shiloh Shunoros, Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora also did this.

Lincoln: They double-crossed Alecto, and they put the Seal of The Orichalcos on the foreheads of the clones, and they knew they couldn't fight me, so they targeted Chandler and Penny Painapp to kill them and trap their souls in cards with The Seal. That's why I came immediately.

Luna: Those jerks, I knew they'd be at it again.

Nico: Well, either way, they're still finished.

Lincoln: That's for sure, with everything The Doom Riders of The Orichalcos Darkness had taught me, their brothers don't stand a chance.

Lynn: This is just when we faced off against Dartz' minions years ago, thank goodness you didn't use The Seal of The Orichalcos, otherwise, it would've been a mess!

Lori: Big time, I still couldn't forget when you went out at night and had your first midnight snack, and that was when

Adriana fed you her potent vampire blood and a few nights later.

Luna: And that was when Rudina fed you her potent werewolf blood, you made a bigger mess when you slaughtered a gang of Flip's thugs and ate their hearts. (SHUDDERS)

Rita: Your brother's first night as a vampire-werewolf hybrid was absolutely messy. Sure, Lincoln had control, but when he goes wild, it's worse than Lola's sleepwalking rampages.

Lynn Sr.: Don't remind me, hon. (Shudders) And add on the fact that our five daughters possessed by Dark Chase Young's evil made it worse, and he made a mess of the training dummies in the gym and Flip's thugs five years ago.

Me: That explains the mess I saw!

Nico: GOOD GOD!

Later it was time for another awesome Skylanders adventure.

Me: I gave something special for this one.

Nico: Who's next?

Me: Broccoli Guy and the Evil Life Minions are next. And Syd Chang, Becca, Tree Hugger, Strawberry Sunrise, Stink Bomb, Grilla Drilla, Bumble Blast, Zoo Lou, Plant Man and Sting Chameleon are coming.

Nico: Cool!

Qin: Sweet!

We went in and it activated and we saw we were on a PLANET MADE OF CHEESE!

Me: A Cheese Planet!

Nico drooled.

Nico: CHEESE!

Nico dove into a huge pile of cheese wheels and ate them all.

BUZZSAW EATING NOISES!

WE LAUGHED HYSTERICALLY!

Me: Nico loves his cheese!

Grilla Drilla: How is this part of the adventure with Broccoli Guy?

Me: I wanted to make it fun because Broccoli guy is a living stalk of broccoli and you know what goes good on Broccoli? Nacho cheese sauce.

Qin: That's right.

Nico: My cheese!

Me: Nico we still have bad guys to thrash here.

Nico: Oh right.

Nico came back.

Eli: I sense them 400 yards ahead.

Me: Lets go.

We flew.

Nico saw the landscape and it was an amazing cheese world.

Nico drooled at the sight of it.

Nico: CHEESE!

Nico couldn't help but eat the cheese!

WE LAUGHED MORE!

Me: Nico sure loves his cheese.

We landed and we were facing BROCCOLI GUY! But it wasn't just him. We saw the Evil Life Minions: Evil Ent Minion, Evil Plant Dragon, Evil Missile Minion and Evil Ninja Minion!

Broccoli: Kind of Ironic you all made it here.

Evil Ninja Minion: (Dark Voice) SILENT BUT DEADLY!

Evil Plant Dragon: (Dark Voice) (Spanish Accent) FRUIT PUNCH!

Evil Ent Minion: (Dark Voice) DROP THE HAMMER!

Evil Missile Minion: (Dark Voice) (Jamaican Accent) LOCKED AND LOADED! HAHAHAHA!

Me: We're ready for you!

Jared: And I like eating my broccoli raw!

Syd Chang: Why is it ironic?

Broccoli Guy: Because we're on a cheese planet and Nico is munching on a lot of cheese.

Me: What can I say? Nico loves cheese. He can't eat enough of it. The guy is a true cheesehead all in capital letters.

May: That's right!

Broccoli Guy: I can see why.

Jamesdean5842: You know the funny thing is, in Broccoli Guy's quest on Skylanders Trap Team, when he completes it he turns white and resembles cauliflower.

Me: Really? Wow!

Jamesdean5842: I know. Crazy huh and broccoli and cauliflower are both part of the same family in vegetables.

Lisa Loud: He's right on that. Broccoli and cauliflower both belong to the Brassicaceae family.

Eli: Yep.

Syd Chang: So you wanna fight now?

Broccoli Guy: Lets dance!

Stink Bomb: (NINJA FLUTE) CLEAR THE AIR!

Grilla Drilla: IF THERE'S A DRILL THERE'S A WAY!

Bumble Beast: THE PERFECT SWARM!

Zoo Lou: (African Accent) NATURE CALLS!

Becca: Lets do it!

Syd and Becca fired leaves and blasted them all over!

Strawberry Sunrise: I bring the Joy of Fruits made from my heart and my love of the Bounty makes people free. My Cutie Mark comes to life my Heart shines as Free as can be!

STRAWBERRIES SWIRLED AROUND HER!

She fired Strawberry Bombs and they hit Broccoli Guy and exploded all over with fruit juice!

The Evil Life Minions went at Tree Hugger.

She was meditating.

Tree Hugger: Far Out. I'm the Hip Master of Nature and Harmony with love and my love of nature and chakras is my power. When my cutie mark comes to life, my Kindness of Nature will topple evil's tower!

LEAVES, NATURE AND THE SEVEN CHAKRAS SWIRLED AROUND HER

She had the symbols of Chakra swirl around ehr and they fired waves of energy and rainbows and blasted them all over the place!

Qin: YEAH!

Broccoli Guy: Hey, author. Was that part about my alternate skin necessary?

Jamesdean5842: Sorry just stating the facts. After all it happened.

Broccoli Guy: Oh. Right.

Me: Yeah. So is this!

CHEESE MAGISWORD!

Me: NACHO CHEESE DELUGE!

I fired a massive wave of nacho cheese sauce and drenched him!

KRASPLAT!

Broccoli Guy: Oh thanks a...

Nico: CHEESE!

Nico came at Broccoli Guy like how Zig goes after Marina!

Broccoli Guy: Uh oh.

Nico: MUST HAVE CHEESE!

NICO WAS CRAZY FOR CHEESE!

Me: He's in Full Cheese Nirvana!

Lincoln: Just like how we have Full Heat Nirvana!

Nico jumped Broccoli Guy and licked him clean!

SLURP!

Nico: (SLURPING)

Broccoli Guy: EW!

Nico: CHEESE!

Me: Told you he loves cheese!

Broccoli Guy: I see it now!

Me: Just imagine if this was a world made of butterscotch and broccoli pizza. Shaggy and Scooby would like it but Ed would not.

Nico licked him.

Broccoli Guy: YUCK! Why?

Me: Ed is severely allergic to Butterscotch. He gets all swollen and breaks out itching in nasty swollen hives.

Broccoli Guy: (Skeptical) Seriously?

Me: Yeah I know it's crazy and the irony on that when we found out about it is he thought it was his favorite food. Gravy!

Ed: He's right on that.

Broccoli Guy: That is crazy! Ed really should see a doctor about all that.

Yang: That's what Motor Ed said to us when I had my battle.

Ed: Oh guys I forgot to mention this. When I was with all those cats I forgot to tell you that the reason I'm allergic to cats is because my aunt has one and it makes me sneeze.

Edd: Oh my! I remember you said that during the Report Card incident.

Eddy: I had no idea it was that bad Ed.

Ed: Yeah.

Leni: Oh you poor big lug.

Broccoli Guy: Crazy huh?

Nico: CHEESE!

Me: Nico easy there! We got to finish this!

Nico: Huh? Oh right sorry.

Nico came back.

Becca: We get your point.

Nico: (Blushes in embarrassment) Sorry guys.

Me: No worries. Come on guys! Lets show teamwork!

Broccoli Guy: Two can play that!

Syd Chang, Becca, Tree Hugger, Strawberry Sunrise, Stink Bomb, Grilla Drilla, Bumble Blast, Zoo Lou, Plant Man and Sting Chameleon: LIFE OF FRUIT MEGABLAST!

They fired waves of fruit and energy.

Broccoli Guy, Evil Ent Minion, Evil Plant Dragon, Evil Missile Minion and Evil Ninja Minion: EVILS OF LIFE MEGABLAST!

They fired waves of darkness and energy and fruit.

The blasts collided and a struggle ensued and then our blasts overpowered theirs and then it hit them and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

They were down!

BROCCOLI GUY AND EVIL LIFE MINIONS DEFEATED!

Fluttershy: Now time to go to your new home before Nico eats you.

Fluttershy held up a green trap and a green vortex appeared.

Broccoli Guy: Oh boy, what's gonna happen to Broccoli GUUYYYYYYY?!

He got sucked into the trap and was locked in it.

BROCCOLI GUY TRAPPED!

Fluttershy: (Giggles) Now you are with me from now on.

Broccoli Guy: "Ya know what, I'm cool, I'm fine with whatever really."

Me: Would you rather have Nico lick you because you're covered in cheese or smell like mustard inside the trap?

Broccoli Guy: Be stuck in here and you're right it does smell like mustard.

Me: Weird huh? Better than smelling Sulfer and sulfur smells like rotten eggs.

Broccoli Guy: Surprised I did a combo of my own.

Me: I know. That was cool!

Qin: It sure was.

Fluttershy: Now for the rest.

She held up 4 black traps, one for each of the Life Minions and she held them up and 4 green vortexes appeared and sucked them in.

Evil Ent Minion: No me still ready to SMAAAAAAAASH!

Evil Plant Dragon: I still have to BLASSSST!

Evil Missile Minion: I'm still locked and LOADEEEEEED!

Evil Ninja Minion: I will be BAAAAACCCK!

They got sucked into the traps and were locked in them!

Evil Ent Minion: Hey let me out!

Evil Plant Dragon: This is wrong!

Evil Missile Minion: Yeah we will be back!

Evil Ninja Minion: I said that!

EVIL LIFE MINIONS TRAPPED!

Fluttershy: Now you have to listen to me as the Princess of the Life Skylanders and Kindness.

Evil Ent Minion: I could use a change.

Evil Plant Dragon: Me too.

Evil Missile Minion: I'm cool mon.

Evil Ninja Minion: Same with me.

Becca: Another great job.

Syd: You said it mom!

We left the simulator and cheered.

Nico: (LOUD BELCH) I'm still hungry for cheese!

Me: Nico I think you've had enough for one day.

Nico: Me had enough cheese? NEVER!

We were at the park in the middle of the city.

Piper: It's bonding time!

Me: Yep.

Laney made a shadow clone.

Misty Tredwell: We're excited for this.

Laura Wynn: Yeah!

Laney, The Mascots, Pacifica & Lori Northwest and Lana were standing on a patch of land.

Lana: You ready guys?

Laney: Lets get to work!

Poromon: CUTIE BUILDERS AWAY!

THEY GOT TO WORK AND MAN WERE THEY GROWING TREES AND MAKING THEM INTO A HUGE HOUSE FAST!

Laney: Remember when the 3 of us met you?

Me: I think that was at the end of 2023.

Hiroyuki: That's right. And that was so fun.

Misty Tredwell: It sure was. You guys became the very first Ultraman team to be recruited.

Hiroyuki: Yeah no kidding.

Me: Ultraman has been on 5 years longer than Kamen Rider and 9 years longer than Super Sentai. One of the longest running series in Japan.

Eli: Yep.

Nico: Since 1966.

The log Mansion was getting bigger and bigger and more amazing than ever!

Zarya: Looking good, guys!

Laney: Thanks!

They were building and building and building fast!

Wedge: Mind if some of us Transformers help out?

Laney: Sure!

They got to work with them and helped too.

Misty Tredwell: That makes me the only MOE member to get an Ambassador mission

Hiroyuki: That is true and you are also in the redemption squad.

Misty Tredwell: That is also true.

I put my hand around Misty's waist.

Misty Tredwell: The reason for that is because J.D. saved me from my despair too. He resurrected my little brother Toby.

Me: Yeah Misty was hurting inside because of what she went through because of Sayer and I saved her by resurrecting her brother.

Hiroyuki: Wow so selfless. That is amazing.

Shockwave: The Constructicons can help too

Lori Northwest: Thanks!

They got to helping as well.

Minutes later the mansion was complete! It was loaded with all kinds of awesome log furnture and more and all the stuff perfect for a mountaineering lumberjack.

Olivia Boone: This would be a cabin my ancestor would be proud of!

Qin: He sure would!

Lori Northwest: Now for the fun part!

They opened a viewing window and it showed the Northwests in their cell.

They saw us.

Pacifica: Hello Mom and Dad!

Lori Northwest: Well well well. How the mighty have fallen.

Preston Northwest: What is the meaning of this!?

Priscilla Northwest: What are you calling us from here?

Pacifica: To show you this! Mine and Lori and Dipper's new mansion!

THEY SAW THE MANSION AND IT WAS A MASSIVE 520,000 square foot mansion and it was really breathtaking!

Pacifica: Say hello to the Pines-Northwest Estate. And this is going to be a mansion where EVERYONE Is welcome. Everyone except you rotten monsters!

EVERYONE CHEERED FOR US!

Priscilla and Preston were shocked and horrified! But then they all flipped the bird at them and then they growled in rage and yelled out NASTY OBSCENITIES AND MORE AND IT WAS HORRIBLE! And to add even more insult to injury, she announced to the whole world that her so-called parents were pure evil and did all kinds of horrible atrocities! All of America and the world now wants their heads mounted on a pike. The window closed.

Me: Sheesh! Lets go check it out.

We went in and it was AMAZING!

Me: WOW!

Nico: What a pad!

Daphne Blake: You guys did a great job! It's just as amazing as my mansion!

Allie Wilde: It sure is! Wow!

It had an amazing stone fireplace, furniture made of great logs and leather and more and there were fur rugs and more. It also had a perfect kitchen made for making pancakes and all kinds of great food and plenty of wood for it to last through the winter and more.

And it had enough rooms to house more than 40,000 people!

Camie: Wow! This is what I call an amazing log mansion!

Ymir: It sure is!

Laney and the group sat down.

Laney: I also settled the score with Dark Chandler

Hiroyuki: You sure did! That kid before he turned good was a heartless jerk!

Girl Jordan: Yeah and he broke my heart long ago!

Zenia Zenn-La: I know. That was awful.

Laney: But we also got rid of one of my brothers enemies and helped his guardian angels out big time.

Hiroyuki: You sure did. That was awesome.

Qin: Yep.

Xenia: Boy this place is big enough to be a hotel and an apartment complex.

Laney: That's what it is too.

Xenia: Cool!

Wheeljack: Nice job, Wedge!

Wedge: It wasn't just me. It was all of us.

Wheeljack: Awesome.

Poromon: We helped too. That was fun.

Me: It sure was. Well done guys.

Nico: Now Preston and Priscilla are the most hated parents and people in the world. One of them.

Me: They sure are.

Then a butterfly landed on my nose. It was a pretty blue one.

Me: Ooh wow.

Poromon: A butterfly!

Me: Pretty.

I held it on my finger.

Me: Where did you come from?

We looked and saw a beautiful sight in the living room. It was a Mega Xerneas!

Me: Whoa! A Mega Xerneas!

Nico: How did it get here?

Me: Goes wherever life goes. Must be one of Dark Gale's work.

Stacy Storious: And I know who this one is. It's Irenia. She is the sister of Isaac A.K.A. Kamen Rider Solomon. But she hates her brother with a merciless vengeance.

Me: I don't blame her. He was horrible.

I went over to her.

Me: It's okay.

I gave her an apple and she ate it.

She nuzzled my face.

Nico: Just like Xerneas. Only attacks when provoked.

She offered Horsea a ride on her back

Horsea: Okay.

She pranced and Horsea loved it.

Horsea: Wee!

Me: See she's gentle. The Pokemon of Life is always gentle.

Qin: Yeah.

Applejack: (LAUGHS) She sure is. Xerneas also reminds me of the Great Seedling.

Me: The Great Seedling?

Applejack: Oh it's the Spirit of the Harvest. She looks like Xerneas and many ponies all over Equestria have been trying to catch it. She grows harvests on farms all over Equestria.

I looked it up and showed that it was an autumn leaf color deer creature with green eyes and had antlers with leaves, berries and apples growing off of them.

Me: Wow! I didn't a creature like that existed.

Brittney: Me neither. That is cool.

Applejack: Legends say that if you catch it your harvests will grow through rain, sleet, snow and the harshest of weather no matter what.

Me: Wow!

Horsea loved Mega Xerneas.

Me: Awesome.

Horsea: That was fun.

Mega Xerneas looked at me like she wants to revert back.

Me: I understand.

I snapped my fingers and she reverted back. She was a girl with blue hair and blue eyes and had rainbow angel wings and a symbol of Kamen Rider Solomon with the Nirn symbol of life on her forehead and on her arm as a cutie mark.

We wrapped her in a blanket and brought her over and put her on the sofa.

Me: There.

Then a bunch of butterflies came and landed on her.

Me: Wow!

She woke up to see Horsea cuddling up to her

Irenia: Huh? Aww you liked the ride I gave you?

Horsea: You knew?

Irenia: I sure do. Nature always tells me everything.

Me: You are one with nature and more. All these butterflies you have are beautiful.

Irenia: I love all nature like my friends and family.

Fluttershy: We have so much in common.

Me: You sure do. Also Irenia you were turned into a Mega Xerneas by Dark Gale.

Irenia: I know. I was looking for my brother so we can have a little talk.

Xenia: I see.

Poromon: Your Rider name?

Irenia: Oh I'm not a Kamen Rider. I help the Kamen Riders whenever needed.

Stacy Storious: She is a member of my team. Like me we help the Kamen Riders whenever needed.

Poromon: Oh sorry. Force of habit.

Me: No worries. Also Irenia we never fought your brother during Megan's missions.

Megan: No we didn't. But Storious will make his return.

Me: Yeah.

Megan: Maybe we can fight Isaac on one of the rescues and let you talk it out with him. You want to kill him don't you?

Irenia: Yes I do. (Crying) Because he hurt so many people I know and love.

I pat her back.

Me: I know it hurts. I know. But Storious was a greater threat. I think Storious killed him before you could. I don't remember.

Touma: Actually he dies after his plans to summon the Almighty Book and remake the world fail and he is turned to dust by a Megid.

WE GASPED!

Me: Oh man! Now I remember!

I pulled out my Wonder Ride Book for Wonder Almighty.

Me: This books power was too much for him.

Rarity: Lets get you some newclothes darling.

The fashion brigade gave Irenia new blue clothes and a life sword.

Irenia: I look amazing.

Me: You sure do.

The cabin was now open. Lots of people loved it.

Lucy put on her jumpsuit and it was black.

Birdbrain: Figured you'd put one on.

Lucy Ravenluna: Yeah knew it was coming.

Qin: Yeah.

We returned home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold

Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was our old enemy, MegaDarknessBagramon, he's back from the dead and he wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crap! We got big trouble!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's our old enemy, MegaDarknessBagramon, he's back from the dead and he wants revenge on us.

EVERYONE GASPED!

Piper: Lord Bagra's back?! Oh boy!

Mikey: I knew he'd return, now we can take care of him for good.

Suddenly, Lincoln saw four figures with him: it was The Vexicons.

Lincoln: I'm afraid it won't be easy, he's also got The Vexicons with him.

Arkayna: The Vexicons are also there with him?! Crud.

Emerald: We'll send them to The Masters of Evil.

Zarya: That's a good idea.

Me: I agree, Zarya.

Lincoln: MegaDarknessBagramon has the strength and power of 20 Super Ultimate Level Digimon, and he was a really tough opponent, but we'd gotten stronger and evolved even more in the past two years, and we've grown more powerful in numbers. Plus, we have a massive armada of Digimon in the 10s of millions.

Nico: You said it, Lincoln, that monster's going to be in for the shock of his lifetime. Alright, team, let's get to The Digital World, MegaDarknessBagramon's time is done!

Lincoln: This will be the final time we ever deal with him.

The previous group came.

Riddler: Riddle me this: can me, Shade, Puff, Weather Wizard, Ragdoll, Killer Croc, Xigbar, Baron Mordo, Koragg, and Turtle go with you guys?

Tecna: (British Accent) Good entrance with that one.

Nico: And the answer is this one. Yes you all can come with.

Riddler: Great!

Shade: We saw that amazing log cabin! That is amazing!

Ragdoll: It sure is!

Killer Croc: Yeah!

Me: Glad you liked it.

Threatpack: Nico, which Gene Slammer do you think you'll meet next?

Nico: Lightning Dragon from Magic the Gathering next.

Me: WHOA! That is gonna be cool!

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Hircine, The Daedric Prince of Hunting from The Elder Scrolls, and he's come back for revenge on us again. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Hircine, The Daedric Prince of Hunting from The Elder Scrolls, and he's come back for revenge on us again.

Gloria Geh: This is no doubt George's doing, Lincoln. Well, looks like we'll be taking care of The Father of All Man-Beasts.

Lincoln: After we get rid of MegaDarknessBagramon and send The Vexicons to The Masters of Evil after we rough them up.

Nico: You said a mouthful. Alright, team, let's go, this is the final time we ever have to deal with MegaDarknessBagramon.

Lincoln: It's time we send that monster straight to The Black Abyss for good, and once we get done with him, you're next, Hircine, Daedric Prince of Hunting and Father of All Man-Beasts.

Gloria Geh: My brother and his other goons were the ones responsible for the resurrections of the other evil Daedric Princes, this is unforgiveable. Hircine, you're dead.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to The Digital Realm to destroy MegaDarknessBagramon and send him to The Black Abyss once and for all, and once we get rid of that monster and send The Vexicons to The Masters of Evil, Gloria Geh and Lincoln are going to destroy Hircine and send him to The Black Abyss after Lincoln absorbs him.

We were off to the Digital Realm

We arrived in front of the castle of Lord Bagra.

Me: Bagra Castle.

Qin: Wow. Just as dark as I remember.

Camie: Scary place.

Ymir: No kidding.

Shade: Lets call Fixer.

Me: Good idea.

We did so.

Fixer: Ready for action.

Me: Awesome.

Piper Willowbrook: I'll never forget how we took down each of MegaDarknessBagramon's forces little by little.

Me: Yep. Like I learned over the years. In chess, to get to the king, one must first go through the pawns.

Nico: Yep.

Me: I can't remember who we faced in that order in order to do so.

Triggerhappy: Let's bring out Omnimon.

Me: Good idea. In fact we're going to need a MASSIVE army of Digimon to help with this. We're going up against a Digimon that has the power of 20 Super Ultimate Level Digimon in him.

Nico: Yeah he put up one helluva fight when we battled him before.

Qin: He sure did.

Piper Willowbrook: I know.

Camie: That was intense from what I heard.

Poromon: And Officer X was there!

Weather Wizard: He brought his van with him

Me: He sure did.

Poromon: That was an intense chase!

Qin: That guy was more whacko than an electric eel in a barrel full of piranhas!

Sandy Cheeks: (LAUGHS) That is definitely something I would say!

Qin: Yeah!

Fixer: I'm working on something to use against Bagra

Inque: What is it?

Fixer: A Digimon Power Stripping Cannon. This will strip him of his powers and reduce him down to the power of an In Training Digimon and we'll blast him into oblivion.

Me: Nice!

Qin: Wow!

Xenia: Cool!

Lola: Yeah!

Darkwing: It doesn't really matter whether he's powerful at the moment. He's still going down

Me: That's right. We beat him before and we can do so again.

Qin: Yeah.

Lola: This time he's going to the Black Abyss.

Universe 666 May: Where he belongs.

Koragg: And Poromon will be helping too.

Zhuqiaomon: And us too.

Me: Yep.

?: Don't forget about us too.

We saw a HORRENDOUSLY MASSIVE ARMY OF DIGIMON! There was over 900 billion Digimon of all levels!

Me: HOLY SHIT!

Mikey Kudo: You all came!

Neptunemon: Like we would ever miss this.

Venusmon: We had enough of MegaDarknessBagramon to last a lifetime.

Me: Not sure how long that is in Digital World terms but I'm sure it's a while.

Merukimon: Yeah but this will be good.

SaberLeomon: We're ready for this.

Poromon: I think that equals the same

Me: Hmm. Yeah.

Qin: You're right.

Then we heard a Phoenix cry.

Me: Whoa it's not the entrance is it?

Nico: No! LOOK!

We saw a HUGE FLAMING PHOENIX IN THE SKY!

Me: WOW! What a Phoenix!

Lincoln: Oh wow! That's Piperria the Inferno Phoenix Maiden! The Hypothetical Akuma of Piper Willowbrook and she is a master of intense fire. She is an angel of fire that can turn into an intensely hot phoenix made of pure fire! She has fire powers that are amazingly hot and more! She was made because of Tazma hurting those she loves and vowed to kill that monster.

WE GASPED!

Me: Tazma is one coldhearted bitch!

Nico: No kidding. Thank goodness she is not worth killing.

She landed and turned into an angel with fire wings and had intense fire powers.

Lincoln: She can change forms too.

He showed a sketch of her and she was an angel and Phoenix in one.

Me: WHOA! Cool!

She came up to us.

Piperria: Good to see you all here.

Me: Same here Piper. A Phoenix and an Angel. Both are awesome.

Piperria: They sure are.

Breakdown: You're our kind of Akuma

Piperria: I sure am!

Me: That is awesome! And the Phoenix is awesome too.

Piperria: Where is Tazma.

Me: Right there.

I teleported and grabbed the Tazma from her world and stripped her of her powers and blasted her into oblivion and into the Black Abyss.

Me: That was easy.

Piperria: It was. Thanks.

Me: Good riddance.

Turtle: Piper? Is that you? Sorry force of habit.

Piperria: Yes it's me.

Nico: Good.

Me: Yep.

Fixer: Can you please calm down?

Piperria: After you beat me.

Me: Okay then.

I fired waves of water and drenched her.

Fixer fired laser blasts and blasted her all over.

Piperria: My turn.

She fired a massively incredible blast of fire and we absorbed it and I fired energy blasts and knocked her down and out.

Me: There.

We heard the malevolent laughter of MegaDarknessBagramon and The Vexicons and they're causing havoc in The Digital Realm.

Me: He's still the same as ever.

Nico: What a monster!

Lincoln: And The Vexicons are causing havoc as well. Still the same as ever.

Me: Lets.

Suddenly, the spirits of all The Digimon and The Mysticons appeared and they attacked MegaDarknessBagramon and The Vexicons with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and Then..

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and landed, and it pissed off MegaDarknessBagramon and The Vexicons!

Me: Hello jerkfaces! Remember us?

MegaDarknessBagramon: YOU!

Nico: I should've known you'd show up here yet again, MegaDarknessBagramon.

Me: Too bad you don't have your forces with you anymore.

Galatea Gemina: But, then, we find out you also have The Vexicons with you!

Arkayna Goodfey: And plus, we separated Necrafa from the monster she became centuries ago and sent The Undead Lich Queen and leader of The Spectral Hand to The Black Abyss.

Piper Willowbrook: And we took down Tazma Grimm as well and sent her to Vypra.

Emerald Goldenbraid: Now, it's your turn.

Zarya Moonwolf: Oh, by the way, we're not the same as we were years ago when we went after you.

Willa: Who cares! You ruined our fun!

Kasha: Now, you're gonna pay!

Dark Eartha: You will all be smashed into the ground!

Mallory: And wiped from the face of The Earth!

Alexander Avalon whacked Mallory in the head with his staff and kicked her hard into the other Vexicons.

Me: Nice one!

MegaDarknessBagramon: You think you all can take me down?

Me: That's right!

MegaDarknessBagramon: You and what army?

Me: Us and THIS ARMY!

All of the Digimon came!

Venusmon: You are finished Bagra!

Baron Mordo: And by "knock", we mean bust down

Me: We're going to destroy you for good!

Piper stood ready!

Piper Willowbrook: You remember me!?

MegaDarknessBagramon: I haven't forgotten. That's why I brought back your old friends.

Edward: I'll take that as a yes.

Me: Good. Lets dance!

I teleported and punched him in his face and knocked him down.

Me: (ECHOING) BLAZING HELIX!

I fired a massive helix blast of fire and smashed him down with it in a massive and powerful fiery explosion.

Nico: (Echoing) SUPREME CANNON!

Nico fired a blast of energy with Omnimon's power and it slammed into MegaDarknessBagramon and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

He was blasted down with incredible force!

Lincoln, Piper, Nico, and I and the rest of us went after MegaDarknessBagramon and The Vexicons and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at MegaDarknessBagramon and The Vexicons, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Piper, Nico, and I and the rest of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this really pissed MegaDarknessBagramon and The Vexicons off even more, and we also shattered The Monitor Orbs on their foreheads and we not only gained a massive power boost, but those two wound up in serious pain.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his massive white angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind his head and a massive halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit MegaDarknessBagramon and The Vexicons and we all found ourselves not only in Heaven, but also, in space.

A figure came and it was CREEPOX from episode 7 of Megaforce!

Creepox was the mantis like-powerhouse of Warstar who is one of the four secondary antagonists of Power Rangers Megaforce and the main antagonist of its first arc.

Creepox wants to destroy the Earth and squash humanity underfoot with brutal force. He is also obsessed with taking down the Red Ranger by himself, whom he comes to see as his main rival. He is primarily sent down to Earth to explore it unnoticed. One day he bumped into Troy, the Red Ranger, stating that the two will duel one day.

Later, Creepox decided to deal with the Red Ranger personally while his monster Dragonflay deals with the other Rangers. Seeing that the Red Ranger is pretty good, he decided to return to the Warstar Spaceship, just to give the Red Ranger time to improve for another encounter. As a result, he left Dragonflay to his doom, making Creepox's attack a failure.

Later still, Creepox decided to take out all of the Rangers, while still maintaining a grudge against Troy. During this mission, he revealed he could attack by blasting powerful Meteor Shots. He proved strong enough to endure most of the Rangers attacks and weapons. He was eventually, and initially, destroyed by Troy. He was enlarged by Vrak, and the Zombats. While enlarged, Creepox could now blast electric attacks from his pincers, in addition to his signature Galaxy Meteor Shots. After being pummeled by Creepox, Gosei gave the Mega Rangers, care of Troy, the ability to form the Ultra Gosei Great Megazord, which defeated Creepox with its Victory Charge Ultra Mega Strike.

Troy Burrows: Creepox!

Lily: Syd Chang, Becca, Tree Hugger, Strawberry Sunrise, Stink Bomb, Grilla Drilla, Bumble Blast, Zoo Lou, Plant Man and Sting Chameleon. We went to a Cheese planet and battled Broccoli Guy andthe Evil Life Minions there. While the fighting was going on Nico stuffed his face to his hearts content with cheese!

THEY LAUGHED HYSTERICALLY!

Thieftron: Nico sure loves his cheese!

Kristoff: He can't eat enough of the stuff!

---

Enchantress was next.

Enchantress (to Ilana): Pacifica, Laney, Lana and the Mascots built the largest ever log mansion. They rubbed it in the Northwests' faces in prison

Ilana: They sure did and WOW! You should have seen what it looked like! It was a massive 540,212 square foot mansion and it was much bigger than the Northwest Mansion. Also to add so much insult to injury, Pacifica announced to everyone that unlike her so-called parents she is not going to follow their so-called ancestral terms but rather let all people in and welcome them like all members of the family and make them all feel right at home. And she also renounced the old traditions of the family.

Nebula Man: Her so-called parents saw this from their prison cell and HOLY CRAP! They were massively pissed beyond belief!

Ets: They sure were and they were screaming insults and obscenities like you wouldn't believe and it was harsh and horrible! But they had it coming for everything they did.

Rainbow Dash: And to add even more insult to injury, she announced to the whole world that her so-called parents were pure evil and did all kinds of horrible atrocities! All of America and the world now wants their heads mounted on a pike.

Comet Thunder: It's hard to imagine they were that terrible!

Enchantress: Like Comic Book Guy would say: WORST! PARENTS! EVER!

Sprite Thunder: You got that right! They make Peter Griffin look like a chump!

Thunder Rainbow Zoom: That is for sure! Also during that time it was Hiroyuki, Laney, Misty Tredwell, and Laura Wynn's bonding time.

Enchantress: Ah yes time for the traditional Ambassador Mission bonding sessions.

Thunder Rainbow Zoom: Yep. Laney made a Shadow Clone for the log mansion part. Also we met a Mega Xerneas gene-slammer! Her name is Irenia and she is Isaac A.K.A. Kamen Rider Solomon's sister. She hates her brother with a vengeance.

Enchantress: I don't blame her one bit.

Scootaloo: Me neither.

Rodney: That was really awesome!

Pyris: It sure was!

Black Spider: Which was your favorite out of all those?

Jenny: Hard to say. But I liked the one where We battled Olegmon in the Gold Land. That was fun.

Count Vertigo was next.

Count Vertigo: (to Courtney) Piper's Akuma is a HUGE FLAMING PHOENIX. What can she do?

Courtney: You should see what she can do! Her name is Piperria the Inferno Phoenix Maiden. She is an angel of fire that can turn into an intensely hot phoenix made of pure fire! She has fire powers that are amazingly hot and more! She was made because of Tazma hurting those she loves and vowed to kill that monster.

Solar Man: Yeah she was horrible! J.D. blasted Tazma from her world and killed her and banished her to the Black Abyss!

Froze: No kidding!

Starlight Glimmer: Tazma was a horrible monster from what I remember. Malvaron hates her just as much as she does.

Moonlight Glimmer: She is a really unpleasant girl. But J.D. said the Prime Universe version of her is not worth killing anymore. Necrafa was the worst threat.

Starlight Glimmer (G5): You got that right! And now she is destroyed forever.

Count Vertigo: What about Necrafa who was separated from her?

Cozy Glow: Getting better little by little. It's going to take a long time for her.

Lincoln and the girls fired waves of energy and elements that formed into said Digimon, and they smashed into DarknessBagramon and exploded, and The Vexicons got caught in the explosion and hit hard!

Fixer: Time to use my invention on you!

He fired it and it fired a massive energy blast and stripped him of his power! He devolved into Yaamon.

Impmon: WHOA! That was crazy!

Me: He's now Yaamon. Wow!

Lincoln and his harem: And now, this is where you finally meet your end once and for all, MegaDarknessBagramon! DIGIMON FINAL SMASH: SHINING JUSTICE STRIKE!

Lincoln and his harem first slashed at MegaDarknessBagramon cutting him into tiny pieces and they finished by firing a massive Kamehameha which wiped him out, and he was sent to The Black Abyss.

Then, Lincoln spotted The Vexicons trying to sneak away.

Me: Where do you think you're going!?

Lincoln then fired rainbow energy blasts that tied them up and he kicked them into a portal sending them to The M.O.E.

We cheered as we holstered our weapons and powered down, and we went to the gym at Lynn's Table.

Nico: And that is the end of MegaDarknessBagramon once and for all.

Me: And we also sent The Vexicons to Vypra.

Lincoln: After Alexander took them down a peg. (Shudders) But, I also didn't expect Caleb, Tyler, Alexander, Allie, and Marlene to use a Lola Loud-Style temper tantrum beatdown. Next time you five do that, you guys are washing Lana and Lynn's dirty and stinky clothes for two weeks.

They freaked out!

Caleb Maxwell: NOT THAT! NOT THAT! It was bad enough dealing with the smell of Drake's clothes after we kicked him and Dad out when I was still blind by anger back then in 1984, but dealing with Lynn and Lana's stinky, dirty, sweat-stained clothes, I'd rather drink out of a toilet in Jersey than do that!

WE TURNED GREEN AND ALMOST BARFED!

Lincoln: Okay, that's gonna give us nightmares. Alright, now there's one last thing to do and one last loose end to tie up, Hircine, Daedric Prince of Hunting.

We turn our attention to Hircine who's still trying to get out, but couldn't.

Hircine: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU ALL!

Gloria Geh: Okay, that's it, I've had it up to hear with you! Now, it's time for you to pay.

Suddenly, Gloria Geh's red eyes turned neon red, and she was surrounded by a black and red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, serpents, phoenixes, and angels, and as she approached Hircine, she left black and red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, leviathans, phoenixes, and angels with every step.

We were literally stunned, amazed, and struck with total awe at Lincoln's brand-new evolution, and when the girls in Lincoln's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing just how much hotter and sexier their hulking wolf hunk of a future husband has become.

Girl Jordan: (Swooning) My God! As if Linky couldn't get more hotter and more handsome and sexier.

Lily the Mermaid: (Swooning) He just proved us wrong, now our hulking wolf hunk of a husband has become even more hotter, more handsome, and even more seductive and sexier than ever.

Hircine: (Inside Lincoln's body) My duty is now done.

Hircine was sent to The Black Abyss after his task was done and the newly evolved Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

Very well, may you finally rest in peace.

Lincoln holstered his brand-new hulking massive greatsword on his back and powered down and his new body, clothes, jewelry, Third Eye, larger brown wolf ears, 999,999,999,999,999,999,999,999,999,999,999 massive and longer brown wolf tails, large gold halo and large Yata no Kagami mirror with sun ring-shaped frame with embedded gems behind the large gold halo behind his head and four large orbiting gold rings on each corner with four large Yata no Kagami mirrors with sun ring-shaped frames with embedded gems on each corner behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999,999,999 large planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999,999 smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized planets orbiting around his wrists and ankles and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings are permanent.

We cheered as we holstered our weapons and powered down and Gloria Geh's new body, clothes, weapons, jewelry, Third Eye, 100 massive and long black wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded red gems behind the gold rings behind her head, one-hundred large black and red planets orbiting around her legs, one-hundred smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Gloria Geh: It's over for you, Hircine, and to this we say good riddance. Thanks for helping me get rid of Hircine, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Gloria.

Me and Nico: Our pleasure, Gloria.

Suddenly, Gloria Geh wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gloria Geh's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Gloria Geh sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Gloria Geh: And that's it for my brother's contingency plan, but his other cronies are still out there.

Me: That's for sure, but we'll take care of them as well and piss off Alecto Slytherin even more. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Sardonyx, Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Sardonyx.

Catherine Diamantis: There's only one person who matches this: Serena Sardonyx, Avatar and Gene-Slammer of Gem-Knight Sardonyx, and you guys are going to love her, Serena Sardonyx, Avatar and Gene-Slammer of Gem-Knight Sardonyx, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of sardonyx gems and crystals. She's known as The Sardonyx Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Serena Sardonyx came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of sardonyx gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of sardonyx gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Serena's parents and her little sister, Sarah, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: Oh man...! So, you weren't the only one who lost your parents and little sister to Zarya Kendrick.

Lincoln: Yep, Serena lost her parents, and her sister, Sarah, when Zarya Kendrick killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She doesn't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Me: I agree!

Fixer: My invention worked!

Ebon: It sure did!

Me: YEAH!

Bronze Kneecap: And Bagra's gone for good.

Black Spider: Damn straight!

We saw the clouds of darkness vanish forever. The Digital World was forever freed.

Count Vertigo: Where should we celebrate?

Tar Pit: Here in the Digital World, of course.

Me: Good idea!

Qin: Yeah!

Nico: Great job today everyone.

Piper: (To the viewers) Now my missions are all done and complete. Bagra will never hurt anyone again.

Me: Good riddance.

We went to a great restaurant and had a great meal.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, MegaDarknessBagramon is finally gone!

Anna Anyanova: And another Mysticon has had her big day. So far, Zarya and Piper have done their big days. But I got a feeling, the next Mysticon that's up is Emerald Goldenbraid, and it's against 2012 Shredder!

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln in an orange speedo and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Power Card, but tomorrow, I got a feeling we're going to take on the dark version of The Mist Card, this thing gave not only Sakura trouble, but it almost got Tory hurt real bad! This'll be one dangerous mission tomorrow.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on.

PERMANENT FALL OF THE SHREDDER

THE END OF THE TERROR OF THE SHREDDER

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a superhot planet of fire and phoenixes in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior Phoenix Angels who were not only natural born fighters, but had immense powers over fire, flames, the fires of The Eternal Phoenix, immortality, rebirth, resurrection, reincarnation, and life nourishment, and the ability to grow even stronger and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilizationin The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and they imprisoned themselves inside a well where their souls remain imprisoned to this day, but they had a vision: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Hououairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Hououaira, a superhot planet of Phoenixes and Phoenix Fire in The Forbidden Zone that was inhabited by powerful warrior Phoenix Angels called The Hououairans, the males were not only natural born fighters, but had immense powers over fire, flames, the fires of The Eternal Phoenix, immortality, rebirth, resurrection, reincarnation, and life nourishment, and were given incredible powers, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Hououairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and they imprisoned themselves inside a well where their souls remain imprisoned to this day, but they had a vision: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Hououairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Lincoln: So, they had a vision of me coming who would absorb the souls of their male Hououairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into my body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix. That's really powerful.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Hououaira once inhabited by The Hououairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun is infinite-times hotter and brighter than The Sun and the amount of solar and lunar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city and it was a superhot planet of Phoenix Fire and Phoenixes.

Lincoln landed on the planet and he was already sweating and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Planet Hououaira, but man, it is hot!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Hououaira and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with an orange and red gem surrounded by phoenixes and angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of orange and red souls came out numbering in the septillions: they were the septillions of souls of the ancient male Phoenix Angels of Planet Hououaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male Phoenix Angels of Planet Hououaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over fire, flames, the fires of The Eternal Phoenix, immortality, rebirth, resurrection, reincarnation, and life nourishment, and the ability to grow even stronger, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and orange aura with phoenixes and phoenix fire surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over fire, flames, the fires of The Eternal Phoenix, immortality, rebirth, resurrection, reincarnation, and life nourishment, and the ability to grow even stronger and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Hououaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Hououaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo

behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Hououaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf

ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male Phoenix Angels of Planet Hououaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger.

Then, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Uh oh, looks like someone's now really REALLY aroused.

Then, he kissed all of them passionately on the lips, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate?!

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then.

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another one The Infernairans terrorized! Damn.

J.D. 2: I remember Planet Hououaira all too well, I have gone there before, and the Hououairans were honorable warriors of the fires of The Eternal Immortal Phoenix.

Me: I can't believe there was a planet of Phoenix Angels in The Forbidden Zone, wow!

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) That's right, J.D.

Lincoln: And Lincoln 2 told me they had a vision: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Hououairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Nico: In other words, they saw you would come and absorb the souls of the male Hououairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into your to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix, which is us! That's a powerful vision!

Eli: I'm starting to think the inhabitants of The Planets of The Forbidden Zone all had the same vision of Lincoln coming to absorb the souls of the male warrior angels of these planets, absorb the planets and the cores, and their Suns into his body to preserve their legacy.

Arpina Infernaira: You know, you're right, Eli. Ever since my former people's rampage across The Forbidden Zone, the other planets have had that vision, and they knew Lincoln's going to end my former people's rampage for good.

Me: That is for sure.

Ymir: By the way J.D. can you show us what you saw when you met Gari and friends?

Me: I sure can.

I showed the dream like a movie projector

(DREAM FROM CHAPTER 1310)

I was in a cave in my spirit form and saw another vision into the past. It was 1,000 years ago and it was before Princess Luna turned into Nightmare Moon. I saw a young filly girl named Gari light a candle.

Gari: I still remember it like it was yesterday, though it was countless moons ago. After he was defeated, not much of our once beautiful home was left. And the two brave ones that stood up for us all ruled Equestria from then on. One day, the younger one, saddened by our daily struggles, proposed to form a new colony where all of us would grow strong and happy. But the elder one forbade it, for she felt that would divide and shatter the weakened kingdom forever. Nopony knows that we are still here, smiling beneath the moonlight while remembering our dear mother, for we will forever be... her children of the night.

She described that after Discord was defeated eons ago by Princess Celestia and Luna, the land of Equestria was broken and a lot of children lost their homes and Luna decided to form a colony where the children of Equestria would be happy under Luna's care. But Princess Celestia denied her request and she feared that it would divide Equestria after such a devastating battle took place.

Me: Oh man. That's terrible. But I have a feeling I am about to see something.

Then I saw Princess Luna singing a beautiful song.

Princess Luna: (Singing)

Come, little children, I'll take thee away

Into a land of enchantment

Come, little children, the time's come to play

Here in my garden of shadows

(Luna had a beautiful voice and she had her eyes glow as she sang)

Follow, sweet children, I'll show thee the way

Through all the pain and the sorrows

Weep not, poor children, for life is this way

Murdering beauty and passions

(She flew down and beams of light shined on orphaned fillies.

Hush now, dear children, it must be this way

Too weary of life and deceptions

Rest now, my children, for soon we'll away

Into the calm and the quiet

(The children were floating and flying with Princess Luna into the light of the moonlit night and I followed her into the night over the mountains and the lands and it was one of the most amazing sights I had ever seen.)

Come, little children, I'll take thee away

Into a land of enchantment

Come, little children, the time's come to play

Here in my garden of shadows

Me: Wow. I wonder where she is taking them.

I flew with them over the mountains. I saw that they were flying over the Wolf Moon Mountains and I saw that there was a hidden and beautiful moonlight mansion.

Me: Wow. What a beautiful mansion. And it's right here in the Wolf Moon Mountains on the other side of Equestria.

I saw that Princess Luna was reading to them and all that and it was beautiful.

Me: Wow. Princess Luna is such a great mother to them. Just like Snowdrop.

(ENDS)

Ymir: WHOA! So that's how that happened.

Nico: That is amazing. So that's where it lead you to them.

Me: Yep.

Nico: Wow.

Gari: That was amazing.

Emerald woke up to see Dondozo staring at her

Dondozo: Morning Emerald! Time for breakfast!

Emerald: Oh be right there.

She went and got up and went to get dressed and she went to the table.

Me: Morning Emerald.

Emerald Goldenbraid: Morning guys.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was our old enemy, Tengu Shredder, he's back for revenge and he's on the volcanic planet, Ikras.

We all saw it, and we were pissed off, but none so more than me!

Me: Shredder, you son of a bitch!

Lincoln: I can't believe it, Tengu Shredder's back! Then, that means for Emerald Goldenbraid's big day, the person we're facing is none other than 2012 Shredder!

Me: I should've known. Now, I can make both of those pieces of shit pay with their miserable lives for everything they've done!

My rainbow eyes had raging white, golden yellow, and blue heavenly flames in them: the flames of holy justice!

Lincoln: Whoa! J.D.'s going to transform just like I did yesterday after absorbing the two horror planets, Werewolfaira and Vampiraira and when I absorbed Hircine, Daedric Prince of Hunting!

Luna: This should be good, that bastard's not getting out of this alive! This time, we're taking that monster down once and for all! (SCREAMS AT THE TOP OF HER LUNGS) HE WILL DIE A TERRIBLE DEATH FOR EVERYTHING HE'S DONE!

THE PYROTECHNICS EXPLODED BEHIND LUNA!

Me: (Smirks) Got those ready for tonight's gig, Luna?

Luna: You know it. Besides that, you're ready for him now, and that little pest, DemiDevimon, better not try anything or he's getting my boot right to the ass.

Lincoln: I wouldn't worry about that, he tries anything, then he'll be in for one nasty surprise. Alright, let's finish breakfast and head to Ikras and get rid of Tengu Shredder.

Nico: Right, we can't fight him on an empty stomach.

We finished breakfast, and we headed out to Ikras to help Ymir unlock her Rainbow Power, and when I transform, we're sending Tengu Shredder to The Black Abyss which'll send a death threat to 2012 Shredder whom we're going to kill later on today.

We went to the ship and we were off to Ikras

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14333.1: We're on our way to the volcanic planet of Ikras and our mission there is to destroy the Tengu Shredder. We're going there to make sure that Oroku Saki the Tengu Shredder pays for 1,700 years of pain and suffering.

Lola: It sure was!

Qin: Yeah.

Nico: Rocks, I want to thank you, Golem Monster, and your teams for coming.

Rocks: No problem Nico and this will be fun.

Ymir: It sure will. But who is The Shredder?

Me: Oh you don't know about it. His name was Oroku Saki and he likes going by The Shredder. But this was the Original Shredder. 1,700 years ago in the year 300 AD he terrorized all of Japan. And ever since then he was the Ninja Tribunal and the Turtle Brothers archnemesis.

Ymir: Oh man!

2003 Leo: It's not pretty.

2003 Splinter: It's A primal force of malevolence that was and is the original Shredder.

Ancient One: No one knows what level of the dark depths spawned him, but…

A flashback begins.

Ancient One: [narrates] Back in the year 300 AD, in Yamato, [People run through the streets of a town, fleeing the green fires burning their homes.] the Shredder rose from some power stinking pit, in the form of a terrible tengu. [A giant Shredder being stomps towards the town.] A demon that had but one goal, to subjugate the world and to turn it into his own personal empire... [The Shredder Tengu begins slashing apart buildings with his razor sharp gauntlet.] …full of agony and destruction.

The Shredder Tengu laughs and then breathes green fire. Return to the present.

2003 Splinter: The Shredder Tengu spread his evil everywhere. He seemed unstoppable.

Flashback resumes. Shredder Tengu stands in the center of the town, laughing. Cut to a pristine Japanese palace.

Splinter: [narrates] But there were five great warriors in Japan at that time. [Hisomi-Shisho appears. He is in a dojo and opens his Tessen.] Their courage and their victories were legendary.

Hisomi uses his Tessen to slice through a thick wooden post several times, and then slices the cut pieces again as they fly up in the air.

Ancient One: [narrates] And you young pups [Hisomi smashes the stand with his foot.] have already had the honor of meeting them. Including the Great Team Loud Phoenix Storm and Nico here. There was Hisomi. [Cut to Chikara-Shisho, lifting two separate heavily weighted barbells. She sets them down and backflips halfway across the room.] Chikara.

Juto-Shisho jumps out from behind a pillar and flings several different weapons at a target hanging on the wall, hitting it every time.

Splinter: [narrates] Juto.

Kon-Shisho is shown next, holding a lance. He spins it and then flings it across the room. It zips through the fires of a dozen sconces, extinguishing their flames, before striking the center of a target.

Ancient One: [narrates] Kon. [Next appears Oroku Saki, wielding a sword.] And perhaps the most skilled and ambitious of them all, Oroku Saki.

Oroku Saki leaps at a thick dummy and slices it in half.

Ancient One: [A door slides open and all five of the warriors enter the Emperor's throne room.] So, these five great warriors were summoned before the Emperor, who informed them that they were the world's last hope.

The Emperor rises and turns, lifting his arms as a gesture for the curtains behind him to be opened. Behind the curtain stand five suits of armor, each a different color.

Splinter: [narrates] The empire's greatest craftsmen had forged armor for the warriors. Special armor engraved with protective spells and talismans of purity. [Forward to the warriors, all wearing their armor, astride horses.] Armor they would soon wear into battle against the evil Shredder Tengu.

The warriors ride towards a burning village. Standing atop a hill is the Shredder Tengu. He laughs and shoots bolts of magic, hitting and knocking all but Hisomi from their saddles. Hisomi leaps his horse over a blast and the other warriors run behind him. Hisomi quickly fires arrows at the Shredder Tengu.

Ancient One: [narrates] The warriors fought bravely.

The Shredder Tengu scoops up Hisomi and his horse and tosses them into a nearby lake. As the Tengu Shredder breathes green fire, Chikara charges him with a lance.

Splinter: [narrates] Despite overwhelming odds, they refused to give up. [Chikara leaps onto Shredder and stabs the side of his mouth. Shredder shrieks and flings his head back, causing Chikara to fall.] They had vowed to fight to the very end.

Kon throws a chain mace, striking Shredder Tengu in the center of the forehead with the metal spiked ball. Kon then runs to a nearby tree and circles it, wrapping the chain around its trunk. Shredder extends an arm and strikes the ground near the tree, then retracts the arm. Out of the dust, Oroku Saki appears, leaping onto the chain and running up it towards the demon.

Ancient One: [narrates] Saki's attacks were the most epic, the most damaging.

Shredder snaps the chain, causing Oroku Saki to fall, but he lands on the demon's leg. He jams his sword into the Tengu's leg, and when he withdraws it, magic flows out. Oroku Saki jumps up and slices the demon's stomach, then chest, and then leaps high to slice a horn from his helmet. As Oroku Saki comes down, he slashes with his sword and cuts off the Shredder Tengu's left arm. The Tengu falls on its back and Oroku Saki stands on its chest, poised for another blow.

Oroku Saki: I am Oroku Saki, demon. Let my name be the last sound you hear.

Ancient One: [narrates] It was he who finished the demon.

Oroku Saki slams his sword into the demon's chest. The green light goes out in the Shredder Tengu's eyes and the flames vanish from his mouth. Then the entire body dissolves into the ground, leaving Oroku Saki standing in the imprint of the demon's form. Cut to the palace, where thousands of cheering people have gathered. Inside, the throne room is packed with people as the five warriors stand before the Emperor's throne.

Splinter: [narrates] The Emperor held a great celebration and decreed that the warriors would be known as the Five

Dragons. There could be no higher honor.

Ancient One: [narrates] He awarded them their own banner, the three-toed sign of the dragon. [The Emperor walks down to the warriors and presents the banner to Oroku Saki, who bows.] But the celebration was premature. [A closeup of Oroku Saki's eyes show a red flame burning within, which then becomes the image of the Shredder Tengu.] Saki's battle with the Tengu had been fought on more than the physical plane.

Flashback to the scene just before Oroku Saki delivers the killing blow.

Oroku Saki: I am Oroku Saki, demon.

Tengu: There is greatness in you, warrior. I can make you a god among these insects. Every wish fulfilled; every dream made real. You could rule all, have all. Just allow me inside your soul and the world will be yours.

Splinter: [narrates] The demon's words ignited some dark part of Saki. He accepted the offer.

Ancient One: [narrates] Invisibly, the Shredder's evil spirit merged with Saki's, [Magic flows from the Tengu into Oroku Saki.] so that even as the warrior landed the final blow, the Tengu was only an empty vessel. The dark spirit of the Shredder had filled Oroku Saki - [Back to the Emperor's ceremony.] – and now he was host to the greatest evil the world had ever known.

The new Shredder lifts the banner and laughs. Outside, there is a solar eclipse.

Splinter: [narrates] Oroku Saki's betrayal plunged Japan into an age of darkness. [Oroku Saki climbs to the top of a hill which overlooks the palace.] The malevolent essence of the Shredder swelled within him and all around him. [Dark spirits follow Oroku Saki.] There seemed no limit to the evil of which he was capable of.

Oroku Saki begins firing his black magic at the palace, destroying buildings. On a mountaintop, reached only by a narrow stone bridge, sits a humongous palace surrounded by high walls. The Emperor's army flees before a horde of demons.

Splinter: [narrates] Having created an impenetrable stronghold, and his only true opposition destroyed, Saki became the most feared warlord of all. His name was spoken in whispers.

Oroku Saki stands atop a mountain, blasting all with his magic powers.

Ancient One: [narrates] And the name they all whispered was - the Shredder. [Cut to a sanctuary inhabited by monks. The four Dragons sit together in a garden.] The Dragons vowed to defeat the Shredder at all costs. They needed to increase their power, so they sought out mystical knowledge, [Kon reads a scroll and then levitates. The other three follow suit.] …the ancient spells and wisdom that would allow them to stand against the Shredder's might. They studied hard and learned much.

Cut to a snowy mountaintop. Kon stands before an old witch.

Ancient One: [narrates] The Dragons scoured the globe for masters of the mystic arts who would be willing to teach them.

The witch places her hands together and forms a glowing globe, which she then separates into two. Kon emulates her moves and also produces a globe, which he then separates into four. Juto stands on a hilltop beneath thick clouds and lightning.

Ancient One: [narrates] As their knowledge grew, so indeed did their power…

The hilltop overlooks a large body of water. At Juto's gesture, a whirling cyclone of water lifts into the sky. Using the witch's magic, he forms a glowing globe, and then there are suddenly two water spouts. Cut to Hisomi, standing atop a boulder in a forest clearing. All around him are trees, growing close together.

Ancient One: [narrates] …until finally, they became more than warriors, [Hisomi produces a glowing globe, and then his entire body is suffused in a glowing yellow light.] more than merely humans.

Hisomi runs, moving ever faster, his mystic energy pushing over trees in his wake until he finally stops. On to Chikara, who forms a glowing globe which becomes green. Standing before a huge boulder, she lifts the globe, which causes the boulder to rise from the ground. Pushing outward with both hands, she throws the boulder high into the mountains. Hisomi zips up to join her, following by a cyclone that turns into Kon, and finally a bolt of lightning reveals Juto.

Ancient One: [narrates] Beings of sheer power, but tempered by wisdom and purity of heart.

Wearing their armor and astride their horses, the four Dragons ride to a confrontation with the Shredder. They carry their banner with them.

Splinter: [narrates] And at last they were prepared to confront the Shredder once more.

The four Dragons ride across the stone bridge. Seated on a throne inside his palace, the Shredder is waited upon by handmaidens. Suddenly, the Dragons crash through the windows and walk towards him. The handmaidens flee.

Shredder: My old friends. Are you in such a hurry to meet your doom?

Kon: It is time to pay for your crimes, Shredder.

Shredder: You fools are the only ones that will pay. Pay with your pathetic lives.

He shoots bolts of magical energy at them, but the Dragons deflect the magic.

Ancient One: [narrates] This time when the Shredder attacked, the Dragons were ready.

Shredder shoots lasers from his eyes, but Kon forms a mystic swirling globe, which pushes against the lasers. The globe reaches Shredder and engulfs his body. He shouts as it lifts him and then slams him to the floor, where he lay unmoving as smoke rises from his body. He manages to rise on wobbly legs.

Shredder: Now you shall taste the terrible beauty of true power and you shall be destroyed.

Ribbons of black and red energy swirl around him and lift his body. All of the windows are blown out and the building reduced to rubble. Shredder unfurls his dragon form and flies high into the sky before diving back down at the four Dragons.

Splinter: [narrates] The Shredder manifested his dragon avatar, a foul monstrosity, his decayed spirit made flesh. [The four dragons press their hands together and are surrounded by mystic energy.] But the four heroes were prepared even for this. Their training allowed them to tap into the eternal energies of the astral plane, and they too manifested their dragon avatars. [The four warriors rise into the sky and their glow pushes aside the red swirling mist.] Dragons of purity and light and power, ready to fight in an epic battle of dragon against dragon.

The Shredder sits atop a crumbling tower, trying to blast the four dragons who fly around him. Chikara slams into him and knocks him from his perch and he plows into the ground. As the dragons land around him, Shredder rises up and knocks Kon and Hisomi out of the palace yard. Chikara goes to attack, but Shredder grabs her and throws her into a tower. The top of the tower is sheered off and nearly lands on Juto. He dodges and Shredder begins shooting flames in all directions, completely destroying his fortress. As he hangs in the air, the four dragon warriors attack, and while he is fighting off three, Hisomi flings a spinning metal weapon at him. The spikes hit the Shredder's right hand and sheers off his fingers before going through his wing. It then comes back around and slices through the other wing before taking off Shredder's left hand. Magic drains from the wounds, but Shredder pushes the magic down at Kon, who catches it in a glowing globe of energy, which he then fires back at Shredder. The other three Dragon warriors fire their energy at Shredder at the same time and though he struggles, he is soon overwhelmed. Reverting to his human form, Shredder plummets to Earth, his body punching a large hole into the ground.

Ancient One: [narrates] The four heroes had defeated the supreme evil.

Splinter: [narrates] But though he was defeated, the Shredder could not be destroyed. His dark magic was too great.

The four Dragons return to their human forms as they stand around the defeated foe.

Ancient One: [narrates] So the four heroes had to find a way to keep him and his evil contained forever.

Cut to the Shredder, without his helmet, awakening to find his body surrounded by good magic.

Shredder: What? What are you doing?

The shot pulls back to reveal the Shredder lying in a sarcophagus, with the four Dragons staring down at him.

Ancient One: [narrates] The dragon's power kept him helpless as they placed him in what they prayed would be his final resting place.

The sarcophagus lid is floated over the frame.

Shredder: I will return. This world will be mine! You will pay for this! You will…

The lid slams shut.

Splinter: [narrates] Since that fateful day, the Tribunal has kept a careful vigil over Shredder's helmet, gauntlet, and body. [The Lap of the Gods. Each Tribunal member is shown in full armor, standing watch.] For if these three artifacts ever were to come together, the Shredder could very well be revived.

Ancient One: [narrates] They knew the Shredder's evil would never die.

FLASHBACK ENDS

Splinter: They began training others. Those that could help them in their fight. Acolytes chosen for their potential and purity of heart.

Ancient One: The Tribunal taught an art of fighting with the power of the dragon at its core, which would become known as ninjutsu.

Splinter: And these immortals, the remaining Dragons, became known as the Ninja Tribunal.

Me: We fought the Utrom Shredder back in 2018. But he was just a fake for the real thing.

Leonardo: So there was a real Shredder.

Donatello: And the alien Utrom Shredder we fought was an imposter who was just using the name of the original demon Shredder to gain respect.

Raphael: And this original Shredder has all sorts of butt kicking magic powers that almost destroyed the Ninja Tribunal.

Me: Yeah.

Ymir: That is terrible.

Me: We teamed up with the Ninja Acolytes and the Ninja Tribunal and defeated the original Shredder himself back in 2023 and he was no match for us and the combined strength of our power.

Nico: That's right.

Joi: I'll never forget that.

2003 Mikey: Remember when we got to become dragons?

Me: That was so epic.

Eli: Yeah.

Nico: Yeah. I should know. I am a member of the Ninja Acolytes and helped them out.

Qin: Yeah.

Joi: Nico is a true friend.

Nico: Damn straight!

Me: But thanks to our combined power we destroyed the Shredder.

Ymir: My god. That is intense!

Me: It was.

Emerald Goldenbraid: But J.D. has a terrible vendetta that stemmed because of the Shredder. It was back on my day back in 2022.

Ymir: Why?

Me: Because the 2012 version of The Shredder killed his version of Splinter. Ever since then, I've harbored a massive and intensely powerful burning hatred and vendetta towards all the versions of the Shredder. Except for the 1987 version. I swore to destroy all the versions of The Shredder and end his reign of evil forever! I vowed to kill them all.

Nico: And here we go again…

Me: But the Tengu Shredder has no idea that I've gotten more powerful since then.

Qin: I know.

Meanwhile In the Anti Monitor's HQ in the Keyblade Graveyard, Tim Buktu walked into Leader's lab.

Leader: What brings you to my lab today, Tim?

Tim Buktu: Just checking on what you're doing. And you should know that 2012 Shredder's making his move today.

Leader: I see. That means Knudson's going to want revenge on him.

Tim Buktu: Why he tries to lead even after Nico became in charge, I'll never know.

Leader: Maybe because he wants to prove he can claim his leadership back even though it'll never happen.

A groan then caught Tim's attention. He saw the High Mage strapped to a table.

High Mage: (weakly) Please… help me…

Tim Buktu: (laughs) My, my, my, whatever have you been inflicting upon the poor High Mage?

Leader: Ha! Well, anything that merits the need for a living Petri dish

Leader held up an injector that contained a canister of green liquid. He then injected the green liquid into High

Mage and his eyes shot open in a green colour, making him gasp in agony.

Tim Buktu: Hard to believe you've only had him for a few days

Leader: I've had a lot of free time on my hands with everyone else pursuing their own vendettas. Lots of time for my experiments

Just then, High Mage gasped faintly and then fell unconscious

Tim Buktu: What just happened?

Leader: You know about Gamma Radiation, right?

Tim Buktu: That stuff that makes Hulk and She Hulk green and Red She Hulk Red?

Leader: It makes me green as well. So I have a lot of it in my possession. I've been experimenting with it on our guinea pig here to test it's viability as an alternative energy source. However, while it doesn't turn him green, it's clashed with his Y'Lyntian blood. And there have been side effects.

Tim Buktu: Such as?

Just then, High Mage woke up.

High Mage: YOU'RE GONNA REGRET THIS, STERNS! WHEN I GET OUT OF THIS, I'M GONNA TEAR OUT YOUR HEART AND FEED IT TO TIM BUKTU OVER THERE!

Leader: For starters, shear unrivalled aggression.

Tim Buktu: (smirks evilly) Such power and fury. Anti Monitor has long desired a super soldier of his own. And we now possess the means of delivering one to him.

Back with us…

Nico: Marble Pie, are you proud of Pinkie?

Marble Pie: I sure am. My sister has come a long way. And I couldn't be any prouder of her.

Pinkie Pie: I speak for her when she is shy.

Marble Pie: It's true. I'm just too quiet to speak up sometimes.

Nico: I see. That's understandable.

Qin: Yeah.

Nico: We all are proud of her.

Lincoln: I am too.

Fluttershy: I know how you feel

Marble Pie: You do?

Fluttershy: Oh yes I sure do. I'm quiet and shy most of the time.

Marble Pie: I see. I understand too.

Nico: Wow. That is understandable.

Lola: Yep.

Me: And Nico just so you know I am not trying to usurp your leadership. I'm just telling myself through how I feel.

Nico: I understand J.D. Thank you. Like you said, you are human like me and all of us.

Me: Yep.

Eddy:…no one here is saying you're trying to usurp Nico

Me: I know. But I just couldn't help but feel that someone was talking about me and making it say that I was.

Eddy: Oh.

Double D: I just hope your vendetta doesn't cause problems later on.

Me: Don't worry. Dark Orb Contamination is not going to affect us or me like that ever again.

Nico: Good to know.

Me: Yeah. Anyway yesterday was intense!

Piper Willowbrook: It sure was! Now Bagra will never terrorize the Digital World ever again.

Mikey Kudo: The war is over.

Davis: We're not out of the Digital Woods yet.

Me: Nope. The war may be over but the battle between good and evil still continues. Some of your enemies are still at large.

Nico: Yeah.

Qin: We'll be ready for them.

Piper Willowbrook: Yeah. But my Akuma was really awesome!

Nico: A phoenix and angel in one.

Ymir: Yeah! Also J.D. why don't you want to kill the 1987 version of the Shredder?

Me: Because that one has some honor in him and he is in the M.O.E.

Nico: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a really scary volcano planet.

Maria: We're here.

Me: Yep. So that's Ikras.

We engaged the landing and went down.

We got out and saw the surface.

Eli: WHOA!

Me: So this is Ikras! Wow!

Xenia: Scary!

Horsea was shivering.

Qin: Wow! It's hot here.

Me: Frightening place. Fitting for our battle here with Tengu Shredder.

Lincoln: Okay, guys, we're in for one explosive fight, we're here on Ikras to help Ymir unlock her Rainbow Power and send Tengu Shredder to The Black Abyss.

Me: Yep.

We had all of TLPS and The MOE with us.

Tea heard a Pokemon cry.

Tea: Look guys!

We saw a Mega Ribombee and Mega Shiny Butterfree!

Me: Whoa! Mega Ribombee and Mega Shiny Butterfree.

Tea: Aww you guys.

Mega Ribombee: This place is scary.

Mega Shiny Butterfree: Yeah.

She gave them apples.

Tea: Here.

Mega Ribombee: Thank you.

They ate them.

Tea: Want to come with me?

Mega Ribombee: We would be honored.

Mega Shiny Butterfree: Yeah!

Me: Cool!

Poromon: Yay!

Poliwag: You won't regret it

Me: Nope.

Qin: Hey look!

We saw another Mega Ribombee and a Mega Solrock and Mega Lunatone!

Me: Whoa! Another Mega Ribombee and a Mega Solrock and Mega Lunatone!

Lola: COOL!

Nico: Where did they come from?

Me: Must be 3 of Dark Gale's work.

Nico: That's strictly a coincidence.

Mega Ribombee: Because of me.

Philip: Lets see.

Philip and Shotaro used telepathy and gasped!

Philip: It's our sisters Melanie, Hilda and Yukari!

Shotaro: Wow!

Me: Lets go help them.

We went and did so.

Shotaro: Girls calm down. Lets talk this out.

They attacked us.

We dodged them.

Me: HA!

I fired waves of energy and blasted them.

I snapped my fingers and they reverted back.

Melanie was a girl with red hair and red eyes and fire angel wings and had Mega Solrock on her forehead with the Magma Dopant symbol and the W Symbol on her arm.

Yukari was a girl with blue hair, blue eyes, blue angel wings, Mega Lunatone on her forehead and had the Ice Age Dopant symbol and a blue W Symbol on her arm.

Hilda had red hair and orange eyes and fire angel wings and Mega Ribombee on her forehead and had the Heat Dopant Symbol and the W symbol on her arm.

We wrapped them in blankets and brought them over.

Me: There.

They woke up.

Hilda Hidari: (Groans) What hit me?

Yukari Hidari: I feel like I was smashed to pulp by Kamen Rider Eternal.

Melanie Hidari: Yeah me too.

Philip: You girls okay?

Shotaro: Yeah.

Girls: BROS!

They hugged them.

Melanie Hidari: We're glad you're safe!

Yukari Hidari: Whoa where are we?

Me: You're on the Volcanic planet of Ikras. It's a long story. Also you three were turned into a Mega Ribombee and a Mega Solrock and Mega Lunatone by Dark Gale.

Hilda HIdari: Oh man! We were fighting the Eternal Dopant. He put up an intense fight.

Me: WHOA! That is a new one.

Bridget Branley: The one that made all those Dopants in NEVER is one of our archenemies.

Lola: Yeah it's true.

Nuju: Yeah they put up a really good fight.

Yukari Hidari: I can see that.

Poromon: What are your Rider names?

Melanie Hidari: Oh I'm Kamen Rider Magma. I use the powers of volcanoes, fire and lava.

Yukari Hidari: I am Kamen Rider Ice Age. I use the powers of ice and extreme cold

Hilda Hidari: And I am known as Kamen Rider Heat. I use intense powers of fire.

Me: Cool!

Nuju: Your brothers and I battled NEVER in Japan in 2022 and they put up a great fight.

Bridget Branley: NEVER is now in the M.O.E. And the Redemption Squad.

Nico: It's true.

Me: I gave their leader a new heart because he needed one.

Yukari Hidari: Oh man! But you died!

Me: No I didn't. Immortality and invincibility has its perks.

Rarity: Lets get you some new clothes darlings.

The Fashion Brigade gave them new clothes. HIlda and Melanie had red clothes and Yukari had blue clothes. They got their rider belts too.

Yukari Hidari: We look awesome.

Me: You sure do.

Nico: Nice!

Nuju: Yep. Also your brothers are my brothers too.

Yukari HIdari: That makes you our brother too.

Melanie Hidari: Yeah.

Me: Cool

Nico: Are we forgetting something?

Me: I think it just found us!

We saw a Fiery Lava Otter Creature!

Me: WHOA! That's Magmanodon!

Shanan: WHOA! She's a Fuegonian Lavaotter! They are otter like creatures that come from the planet Fuegon and they live and swim in lava!

Nico: Whoa that is hot!

Xenia: Yikes!

2003 Mikey screamed like a little girl.

Me: Okay then.

She fired a massive blast of fire from her mouth and we absorbed the fire!

She then fired a massive shower of fireballs at us and we absorbe them too!

Nico: WHOA! HOT!

Ed turned into Edzilla!

Edzilla: ED SMASH!

He fired blasts of fire from his mouth and blasted her.

I fired waves of water and blasted her.

She was weakened.

I loaded a serum injector.

Me: CHAKRA CHAIN RESTRAINT!

I held her down with Chakra Chains and injected her.

She reverted back and was a girl with white hair and yellow eyes.

We wrapped her in a blanket and brought her over.

Girl: (Groans) Man that hurt bad.

Me: Are you okay?

Girl: I think so. I feel like I got smashed by a meteor.

Edzilla: (to her) ED IS STRONGEST THERE IS!

Qin: YEAH!

Me: What's your name?

Meg Verra: Meg Verra.

Shanan: The High Mage turned you into a Fuegonian Lavaotter.

She showed her a hologram of it.

Meg Verra: Is that what I was turned into?! Oh man!

Sydney: But it's good you're okay. We found a cure and saved you.

Me: Yeah. What can you tell us about yourself?

Meg Verra: Well I'm from a family of Volcanologists and we go around the world to study the Earth's volcanoes.

Nicole: Awesome to meet a fellow volcanologist.

Sydney: Do you recognize me?

Meg Verra: I sure do Sydney. I'm glad you and the others are alrght.

Nanette: We sure are.

Me: Well what were you doing before when you got turned into that?

Meg Verra: I was studying Yellowstone when I was hit and knocked out.

Me: You never saw it coming.

Deadpool: You don't want to know what the High Mage is going through. Trust me.

Me: Yeah it's for the best.

In Anti Monitor's HQ...

In the main room, Anti Monitor was currently calling someone

He called someone on the telephone.

Anti-Monitor: Hello? Yes I can hold. (Humming) Ah. Tell me the progress of the search for the Anti Life Equation. (listens to the other person talk) Mm-hm. Uh-huh. And I assume the others are assisting as well?

Just then, Tim Buktu walked up to his master to inform him for his new project.

Tim Buktu: Master, if I do say so myself, I have made the most intriguing discovery. It appears that-

Anti Monitor: Not now! Please continue. No, no one important.

Hearing this made Tim Buktu scowl frustratingly and took his leave through the exit, where Leader was waiting.

Leader: Did you speak with our liege about our little… enterprise?

Tim Buktu: He was…otherwise engaged.

Leader: Ah on the phone.

With us...

Meg felt her boobs.

Meg Verra: I'm back to normal!

Me: Yep.

I formed a mirror and she saw herself.

Meg Verra: It's a miracle!

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new clothes, a black shirt and blue pants and shoes.

Meg Verra: I look great.

Me: You sure do.

Nico: We're not done yet.

Me: Nope. Now we got part of an old vendetta of mine to fulfill.

Lincoln: (Sensed for Tengu Shredder) AHA! Gotcha, I just spotted Tengu Shredder, and he's fighting someone, and this one's overflowing with pure hate on the level of The Orichalcos.

Lincoln: Figures, the next of Dartz' conspirators is none other than Daniel Dexia.

We were flying, and we saw Tengu Shredder fighting Daniel Dexia, one of the ten conspirators who helped Dartz in his plan to unleash The Orichalcos 10,000 years ago.

Me: There's that fucking monster, Tengu Shredder.

Me: You brought all that on yourself after 1,700 years!

Lincoln fired a blast of Orichalcos Darkness at Daniel Dexia and it hit him, and then, Lincoln began sucking out all of Daniel Dexia's excessive negative energy and hatred along with all of Daniel Dexia's powers of The Orichalcos and his powers of Orichalcos Dexia and it flowed into Lincoln as his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of

large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

At the same time, Lincoln also began sucking out Daniel Dexia's soul. Then, as soon as Lincoln was done, Daniel Dexia was left as a desiccated husk who had the life sucked out of him, and Lincoln sucked out all the remaining energy of Daniel Dexia's soul and banished him to The Black Abyss forever.

(To Tengu Shredder) And now, for you, Tengu Shredder.

Suddenly, Lincoln was surrounded by an immense golden yellow aura with sunlight and light and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use The Atavism of The White Wolf of Amaterasu again!

Lincoln: (Speaking in Japanese) 太陽の光と天界に呼びかけ、この恐ろしい悪の忌まわしい存在を倒し、永遠の破滅の地へと送り届けます。祝福された者の魂が蘇り、地獄の民に永遠の罰を与え、彼らを永遠に冥界の闇へと送る强力な狼の姿をとりますように。私の歌が天界の審判をもたらし、この忌まわしい存在を永遠の安息の地へと送り届けますように。(I call upon the light of day and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send them to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and formed into white wolves with glowing golden yellow markings and they ran at Tengu Shredder and attacked him with fierce fury.

Me: I never get tired of hearing that!

Me: Let me try.

Suddenly, I was surrounded by an immense orange energy aura with flames and phoenix fire with phoenixes surrounding me as flames crackled all around.

Me: (Speaking in Japanese) 私は天の火と永遠のフェニックスの炎を呼び、この恐ろしい悪の忌まわしい存在を倒し、永遠の破滅の地へと送り届けます。祝福された者の魂が蘇り、地獄の民に永遠の罰を与え、彼らを永遠に冥界の闇へと送る强力なフェニックスの姿をとりますように。私の歌が天の燃える審判をもたらし、この忌まわしい存在を永遠の安息の地へと送り届けますように。(I call upon the fires of The Heavens and the flames of The Eternal Phoenix to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty phoenixes that bring the damned their eternal punishment and send them to the darkness of the Underworld forever! Let my song bring forth the fiery judgement of The Heavens and send this abomination to his eternal resting place!)

I sang a heavenly song and let out a Phoenix Cry as the crackling flames rose up and formed into fiery mighty phoenixes with flames crackling around their wings and they flew at and attacked Tengu Shredder with fury.

Lincoln: I know that power from anywhere, that's The Atavism of The Phoenix, I also have that power as well, this allows the person to summon mighty phoenixes of fire to attack those whose souls and hearts are full of darkness.

Me: I had no idea you also had that power too, Lincoln. I just discovered it myself actually.

Tengu Shredder: I don't care how powerful all of you have become, I will still destroy you all and The Turtles! ALL WILL BE DESTROYED IN AN INFERNO OF HATRED!

It was right there, that I'd had enough of Tengu Shredder.

Me: Alright, that is it, Tengu Shredder, this time, this is where it finally ends for you!

Qin: What a shame!

Me: I will not let you get away with everything that you did to every planet in the entire universe! So many people suffered because of you! Even if the Utrom Shredder impersonated you the blood of all those people is still on your hands! (FLARES UP POWER TO THE EXTREME) I WILL NEVER FORGIVE YOU FOR ALL YOUR CRIMES! I fired a massive barrage of energy balls and had them scatter and then had them converge on him and then they hit him all over and explode!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

I blasted Tengu Shredder all over with energy blasts and I kicked him in his face and headbutt him and then punched him in his stomach hard and kneed him in the neck!

I kicked Tengu Shredder in his face and teleported and punched him in his back and teleported and punched Tengu Shredder in his face and kicked him in his eyes and I kneed him in his mouth and knocked out some of his teeth!

Nico: And with that, J.D.'s fallen into a rage and ignoring us.

Me: (As I was fighting) I can still hear you guys!

Nico: Oh!

In Anti Monitor's HQ...

When Leader and Tim Buktu arrived back at the lab room and opened the door, they were very startled when High Mage let out a raging yell at them from his table.

High Mage: OH, I AM GONNA MAKE YOU SUFFER IN WAYS YOU WILL NOT BELIEVE!

Tim Buktu: Just how much gamma radiation have you given him

Leader: Two additional doses, three at the most. But the High Mage's increasingly volatile nature isn't the only wrinkle.

When he injected the gamma into High Mage again, the Y'Lyntian groaned out in even more pain as his struggles slowed a bit.

Leader: It appears that the more gamma I administer, the faster this so called sole survivor burns through his own natural energy.

Tim Buktu: This will not do! Anti Monitor already possesses enough monsters such as Giygas! Not to the mention Team

Loud Phoenix Storm have already begun to acquire those new Underground Monsters! What good is another freak of nature that cannot be controlled?!

But then he got an idea. A really horrible idea.

Tim Buktu: (smirks evilly) Wait. I'm a fool.

Leader: What?

Back with us...

Me: TAKE THIS!

I fired a massive and powerful volley of energy blasts and they hit Tengu Shredder all over and blasted him all over the place with indiscriminate fury and force and power. Then they pinned him down in a powerful dome of energy and then I charged up a powerful energy blast and it was incredible!

Me: TAKE THIS YOU FIEND! MASENKO-HA!

I fired the energy ball and the dome turned red and then…

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION!

The explosion was so powerful and so devastating that it rocked the area

I then teleported and punched him in his stomach and kneed him in his face and knocked him down. Then he got up and formed the SWORD OF TENGU!

It was surging with intense electricity!

Qin: Uh oh!

I unsheathed my sword and then we clashed and powerful streams of lightning blasted out with each clash!

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Lightning struck all over and powerful fires blasted out all over!

Xenia: YEAH!

Qin: WHOA!

Lola: What power!

Tengu Shredder went at me and I dodged and kicked him in the back and knocked him down!

He got up!

Tengu Shredder: I HAAAAATTTE YOOOOOU!

My aura exploded out with incredibly unbelievable and powerful force as I got a massive power increase unlike anything before!

Me: Thanks for the power increase!

I teleported and we clashed and lightning struck all over.

Nico: Unbelievable!

Qin: Yeah!

Joi fired waves of energy and blasted Tengu Shredder all over!

I slashed him across his stomach!

I punched Tengu Shredder in his face and dodged a punch and then kicked him in the chest and knocked him down. I jumped as he came at me and I kicked him in the back.

LIGHTNING STRUCK ALL OVER THE PLACE AS WE WERE FIGHTING AND THE FIRES OF HELL RAGED ON AROUND US AS WE WERE FIGHTING! The fight was so extremely ferocious that it was unbelievable. Massive Fiery Explosions and thunderous shockwaves from our punches destroyed much of the landscape and engulfed it in a massive raging inferno. Lightning intensified in the skies above to an extremely ferocious level and the fires of the Netherworld and Hell raged on at an extremely vicious level to an amazing degree. The fight was so vicious, ferocious, brutal and savage that it was shaking the entire Universe to an incredible level at an intense level. We were gonna make sure that Tengu Shredder suffers for an infinite number of lifetimes for his crimes. Fiery embers and lava bombs rained down onto the battle and exploded with incredible power. I then punched Tengu Shredder in the face and sent him crashing into the ground and he got up and then they charged toward each other and Yuko punched him in the stomach and they clasped hands. Our auras flared up to such an extreme intensity and our power was so strong and powerful that it was making the entire planet shake extremely violently. Pebbles, rocks and boulders lifted off the ground and the lightning and fire tornadoes intensified even more. Massive fiery explosions blasted off everywhere from the fight and I punched Tengu Shredder in the face again and fired a blast of fire and burned a chunk of his face off.

Nico: TAKE THAT!

Eli: YEAH!

Nico: I hope you guys enjoyed the Vistamps. Because this will be their last use on rescues.

Qin: Aw nuts!

Xenia: Drat!

Ikki: They were fun while they lasted. At least we can still use them one last time here.

Vice: And we can still use them whenever.

Qin: Cool.

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Ed Cowart fired a giant TNT crate filled with Chi Magic at Tengu Shredder which explodes, thus injuring him really badly, then he wedgied Tengu Shredder and pulled his underwear over his head!

Ed Cowart: WEDGIE!

And Ed Cowart finished by firing chi magic powered hyper hot sauce and hyper hot nacho cheese at Tengu Shredder and turning Tengu Shredder into a Tengu pretzel.

FINALLY, TENGU SHREDDER COMPLETELY LOST IT!

Tengu Shredder: (ENRAGED SCREAM OF PURE RAGE) HOW DARE YOU HUMILIATE ME LIKE THIS, YOU LITTLE WORM! I AM THE MOST POWERFUL WARRIOR ON EARTH, I AM THE HARBINGER OF DEATH AND DESTRUCTION TO ALL IN MY PATH!

Tengu Shredder: NO! YOU ARE NOT FIT TO JUDGE ME! I AM THE SHREDDER! I AM INVINCIBLE!

Me: You are nothing but a forgotten memory. A monster that should have never been unleashed. Goodbye Oroku Saki! Forever!

Tengu Shredder: NO! NO! NOOOOOOO!

(FADES)

He was banished to the Black Abyss for all eternity!

I holstered my brand-new hulking massive greatsword on my back and powered down and my new body, clothes, jewelry, Third Eye, larger brown wolf ears, 999,999,999,999,999,999,999,999,999,999,999 massive and longer brown wolf tails, large gold halo and large Yata no Kagami mirror with sun ring-shaped frame with embedded gems behind the large gold halo behind my head and four large orbiting gold rings on each corner with four large Yata no Kagami mirrors with sun ring-shaped frames with embedded gems on each corner behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999,999,999 large planets orbiting around my legs, 999,999,999,999,999,999,999,999,999,999,999 smaller planets orbiting around my waist, smaller planets orbiting around my fingers, medium sized planets orbiting around my wrists and ankles and enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings are permanent. I reverted back to my original height of 6'5"

Me: Whoa, now that was so awesome!

Varie: I'll say, you transformed just like Lincoln, and take a look.

Varie formed a mirror, and I saw what happened to me.

Me: Whoa, you're right, Varie. (Smirks) And I like the newly upgraded enormous rainbow angel wings with aurora and orange tips on the feathers and rainbow fire reflecting on the rainbow feathers and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings with aurora and orange tips on the feathers and rainbow fire reflecting on the rainbow feathers underneath my massive rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow tips and rainbow markings and orange phoenix feathers on them. Plus, I now have a thick brown goatee under my chin, and with the facial stubble on my jawline, now I'm even more manlier than ever. (Flexes my massive arms and my massive biceps bulged even more with more veins forming)(GROWLS) Oh man, it feels like I've been working out in the gym all my life, and my brain has gotten bigger and I've also grown even smarter. (Smirks) Like what you see, ladies?

My harem could only nod in agreement when they saw me flexing like that.

Varie: (Swooning) You're not only manlier, but you're even hotter and sexier than ever.

My harem had hearts in their eyes, and they were really swooning over me now! Then, we came back to Earth, but then, suddenly, my Mark of The Incubi on his left thigh started glowing with intense red light, and I gained another extreme increase in my already abnormally high sex drive, hyperpuberty, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced my own infinite-times high levels of libido and other sexual aspects was out in full force and my eyes turn from rainbow to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of me, but it suddenly became even stronger.

Then, I pounced on my harem and I was on top of them.

Ai Sapphire: Oh my...! Since when did you get this much more wild?!

Then, I kissed all of them passionately on the lips, and when we were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Sakura Kazehana: And that much more passionate?!

Everyone snickered, and then, I helped the girls up.

Nico: J.D., you did awesome, you transformed and you trashed Tengu Shredder like crazy! Nice one.

Me: Thanks, and I meant what I said, I was going to make sure the legacy of The Shredder dies here for good.

Lincoln: We'll make sure of that. Plus, I've got an attack plan for when we go after 2012 Shredder today, and it'll be like two years ago, only I've got a few more plans up my sleeve, and you're going to be helping out as well.

Me: (Smirks) Count me in.

Lori: You know, it's literally not much longer until Nico transforms like you did and like Lincoln did after he absorbed Hircine yesterday.

Nico: Well, you're right about that one.

Lincoln: We'll see who we're going after then.

Nico: Nice job, Mega Ribombee.

Mega Ribombee: Thanks! Got any beer?

Poromon: There ya go!

He gave her one.

Mega Ribombee: Ah comfort food.

She drank it down.

Mega Ribombee: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

Poliwag: Sing the ABCs!

Mega Ribombee: (BELCHING) ABCDEFGWJEWJNAOQPEJNRPQIXAPAPIREYZ!

WE LAUGHED!

Me: FUNNY!

I went over to Mikey and belched in his ear!

LOUD BELCH!

HE SCREAMED LIKE A LITTLE GIRL!

WE LAUGHED!

2003 Raph: (LAUGHS) HE GOT YOU DUDE!

Nico: Funny!

Meg Verra: That is funny!

I reverted Mega Ribombee back.

Indians Jones: Do you any of you guys want to help me hunt down an artifact?

Nicole: Ooh I'll go!

Thor: I'll accompany thou.

Me: What will be the quarry for that one?

Nicole: It's a powerful weapon of Asgard.

Nico: WOW!

Poromon: Me and the mascots will go too.

Me: If we encounter any of Indiana Jones's enemies they are going to jail.

Nico: Oh Rocks, what do you like to do in your free time?

Rocks: Hmm. Haven't really given it thought. But I think I would do good as a geologist. I may be a Rock Alien but I do have talents like that.

Nico: Ooh nice.

Qin: Cool!

Nico: Now or the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Emerald Goldenbraid.

Emerald Goldenbraid: Another Me? Sweet!

Lincoln: We'll have to see who it is.

Eli: Whoa, and two of The Anothers is The Avatar of The Mist Clow Card and The Keyblade Knight of Planet Irk.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: And another special guest is arriving here.

Me: I see.

Qin: So we got Another Golem Monster (Winx Club), Falkon, Dr. Warpnik, Rock Gothlington, Rocky (Kirby) and Baron Rock.

Lola: Yep.

Qin: So Rocks, Marble Pie, Holly Volvenstein, Rain Mikamura, Yoshino and Mina Stazni are up.

Me: Nice.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I morphed the tips of my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone.

Then, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

And my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Falkon, Dr. Warpnik, Rock Gothlington, Rocky (Kirby) and Baron Rock.

Lola: Whoa!

Qin: This will be cool!

Nico: I'm excited.

Another Falkon: (in a girls voice) Me too!

They reverted back and were the gene-slammers of Blue-Eyes Ultimate Dragon and Blue-Eyes Shining Dragon and the Keyblade Knight of Planet Irk!

Nico: (GASP) Shanna and Colleen Kaiba!

Lincoln: And Ilianna Irk!

Shanna Kaiba: Good to see you Nico. And you too cousins.

Seto Kaiba: Same to you.

Ilianna Irk: And you as well Lincoln.

Nico: Care to introduce us?

Anna Anyanova: Sure. This is Ilianna Irk, Keyblade Knight of Planet Irk, she's Lincoln's Guardian Angel from Planet Irk, Zim's home planet, and she's a very powerful epic force. She's the Keyblade Knight of Planet Irk and she's a powerful master of darkness, robots, the technology of The Irken Empire, and the powers of The Irken Race and all the home planets the Irkens had conquered and destroyed. Ilianna Irk despised The Almighty Tallests for everything they had done especially for the disrespect they had towards Zim, and when she saw their plan to send Zim to Earth as a means to send him there to die, that was the final straw, but when she also found out they also had made an alliance with The Aparoids, that did it, and she swore to punish The Almighty Tallests for everything and avenge the planets they had conquered over the eons by destroying The Irken Empire. But, first, she had to get Dib Membrane to stop trying to expose Zim and they also exposed Zim's full story and it wasn't a good one, and he put aside his grudge against Zim. Plus, Ilianna Irk and Shanan also teamed up as well to take down some of the elite forces of The Irkens, and she also gets along well with Gaz Membrane and she's an expert in her favorite video game and Ilianna Irk has also used the powers of Gaz's favorite video game as well on the elite forces of The Irken Empire. Ilianna Irk came to Royal Woods and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, she also taught Lincoln in everything she knows and how to master the powers of darkness, robots, the technology of The Irken Empire, and the powers of The Irken Race and all the home planets the Irkens had conquered and destroyed, and Gaz's favorite video game, and over time, Lincoln gained the powers of darkness, robots, the technology of The Irken Empire, and the powers of The Irken Race and all the home planets the Irkens had conquered and destroyed, and the powers of Gaz's favorite video game, and she also helped him really bulk up big time in muscle. Lincoln made her an awesome Keyblade, and she kissed him on the lips, and as a result, when he comes of age, he promised he'll marry her along with the rest of his harem, and they hate all of Lincoln's enemies with a passion and a vengeance and vowed to destroy them in the same way she swore to destroy The Almigthy Tallests and The Irken Empire for good.

Zim: The Almighty Tallest hated me with a passion for destroying Irk.

Qin: Yeah no kidding.

Nico: We fought them in 2021

Ilianna Irk: I heard. Glad you all did.

Qin: Yep.

Me: By the way girls are the rest of the Anothers friendly or hostile?

Colleen Kaiba: Friendly and cool.

Qin: Nice!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now we wait.

But then...

COINS JINGLE!

NICO GOT BURIED IN A HUGE PILE OF JEWELS! LIKE THE ONES THE SEVEN DWARVES MINE!

Nico: What the? Ooh look at these jewels.

I looked at one.

Me: (WHISTLES) Nice sparkle.

Doc: These are like the jewels we mine.

Happy: (LAUGHS) They sure are.

Nico: Who did that?

Me: I think they did!

We saw Another Golem Monster and Another Emerald!

Me: There they are.

Another Golem Monster: (In a girls voice) Sorry about that.

She reverted back and it was the Avatar of the Mist Card.

Lincoln: Misty Mist! Wow!

Misty Mist: Good to see you Lincoln.

Nico: Care to introduce us?

Anna Anyanova: Sure. This is Misty Mist, Avatar of The Mist Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of mist, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Time Clow Card, and the magic of Clow Reed. She's The Mist Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Misty Mist is a master of the powers of The Mist Clow Card and she's a powerful master of mist and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Thea Time came to Royal Woods where she met Lincoln, and she taught him how to master the powers of mist, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Mist Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of mist, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic

Awareness, the powers of The Mist Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by making a mist to blind them and she clobbered them, and when Misty lifted the mist, those five were beaten down hard.

Me: WHOA!

Qin: Awesome!

Misty Mist: It sure is. Also sorry about that. My friend here is a jewel miner and is not afraid to dump jewels on anyone.

Me: Sparkling and pretty ones.

Rarity: They sure are darlings.

Nico: Who is she?

Another Emerald: Someone who is proud of her sister as one of the Mysticons.

Emerald: (GASP) That voice!

She reverted back and it was a red hair younger version of Emerald!

Emerald: RUBY!

She went and hugged her.

Emerald: I'm happy to see you!

Ruby: Me too!

Emerald: This is my little sister Ruby Goldenbraid. She is a jewel miner like everyone in my family is.

Me: Pleasure to meet you. You buried Nico in a huge pile of jewels.

Ruby: Sorry about that.

Nico: No worries.

Kaito: (gets out Zyuohger gear) Did Swartz promise you anything?

Zocks: (gets out Ninninger gear) Because we can grant it instead.

They got weapons from said rangers.

Misty Mist: No he didn't. I used my mist powers and we ran under the cover of a smokescreen.

Sakura Knudson: That explains why there was a huge fog cloud in the lab. I thought one of the Timejackers threw a huge amount of dry ice into a tank full of water or something.

Misty Mist: Nope. It was me. But good comparison.

Sakura Knudson: Thanks.

Sougo: (gets out Zyuogher Ridewatch) Rarity loves your jewels

Geiz: (gets out Ninja Steel Ridewatch) Can she keep them?

Sougo got ZyuohEagleArmor while Geiz got NinjaSteelRedArmor.

Ruby: She sure can.

Spike ate one.

Spike: (Eating) Mmm! Good too.

Me: Dragons love eating jewels.

Ruby: I can see that.

Me: Lets separate you girls first.

We did so.

Me: Lets dance.

Nico: (GETS OUT GOLEM MONSTERS RIDEWATCH) LETS SMASH!

May: (GETS OUT DR. WARPNIK'S RIDEWATCH) (LAUGHS LIKE A FUCKED UP FISH FONDLING FRUITCAKE)

Me: Geez! Sonic I don't know how Dr. Robuttnik was able to put up with a cousin as fucked up as Warpnik.

Sonic: Yeah he has a lot of fish friends.

Universe 666 May: (Gets out Rock Gothlington's ridewatch) This will rock your world!

Maria: (Gets out Rocky's ridewatch) STONE POWER OF DREAMLAND!

Marble Pie: (GETS OUT FALKON'S RIDEWATCH) I will unleash the dark wings of the night.

She spread wings that were pitch black!

They used the powers of Golem Monsters, Falkon, Dr. Warpnik, Rock Gothlington, Rocky (Kirby) and Baron Rock and smashed the Anothers all over!

Poromon: YEAH!

Nico: Cool!

Then Unkar Plutt, K, Z and L, Jormungandr, Palladium, Gasmist Swimmer, Flea Mutant and Toxic Puffer came.

Me: WHOA!

Rey: (British Accent) Unkar Plutt! Good to see you again.

Unkar Plutt: Hello scavenger!

Nico: Nice team!

Unkar: Thanks Nico.

Lola: Cool!

Nico: Yep.

Then lightning hit the Anothers and electrocuted them and I caught the ridewatches and purified them.

Me: WHOA!

Then Lightning Dragon of MTG came.

Me: Lightning Dragon! Wow!

Nico: Nice shot!

Lightning Dragon: (In a girls voice) Thanks! They never knew what was coming.

Nico: Serena Nimbus Lightning! Wow!

She reverted back.

Serena Nimbus Lightning: That was awesome.

Nico: Nice job!

Serena Nimbus Lightning: Thanks. That was cool.

Lola: And fun.

Qin: Yep.

Marble Pie: Do you have any good memories of Nico?

Serena Nimbus Lightning: I sure do. Also Black Angel Wings look awesome on you.

Marble Pie: You really think so?

Serena Nimbus Lightning: I sure do. Also my favorite is when me and Nico went to a nearby farm and found a bunch of aliens trying to steal cows.

Me: Aliens stealing cows has been a very crazy extraterrestrial stereotype for years.

Serena Nimbus Lightning: Yeah I know.

Nico: Yep.

Nico and Serena hugged.

Nico: I've missed you.

Serena Nimbus Lightning: Same here.

We went back home.

* * *

At Anti Monitor's HQ...

Tim Buktu brought in a crate containing a black substance.

Leader: GRIMM BLOOD?! You're more then a fool, Tim! I think your mind snapped like many of the others before us.

Tim Buktu: On the contrary, Leader, adding Grimm Blood to the formula should provide Anti Monitor with full control over his super soldier.

Leader: Ok, true that Anti Monitor can control them with Salem out of the way. But have you forgotten what they've done to Remnant?

Tim Buktu: It'll be fine. With how powerful Anti Monitor is, he's sure to control High Mage.

Leader: Even so, it's too drastic a measure to undertake without Banno's approval. I do, after all, report to him. At least until Onewa kills him.

Tim Buktu: But think of how proud our master will be. If this is a success, we'll be promoted!

Leader: (sighs) Alright. I guess it wouldn't hurt to try.

Tim Buktu: Great!

Rocks: And it's not going to be easy capturing The Dark Mist Card.

Lincoln: No, it's not, it's in the hands of the clone of DarkVenus, the Hypothetical Akuma of Sailor Venus and a master of light and love. She was made because of Queen Beryl killing her and she vowed to kill that monster.

Lincoln took out his sketchbook and we saw her: it was the planet Venus with a light aura surrounding her and she had a scary face!

We got a move-on, and then, we spotted our target: the clone of DarkVenus and Lincoln fired an energy blast that hit her that forced The Dark Mist Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Mist Card and he began sucking out all its powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Mist Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Mist Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Mist Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of DarkVenus.

We turned to the clone of DarkVenus who roared at us and fired blasts of light, but Lincoln absorbed them.

Lincoln: Alright, let's get her.
